*Sons Arise!* is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

# Sons Arise

- Welcome to *Sons Arise!* – Sons invested and enthroned - great to see you here and to connect with those who are live streaming or watching later around the world
- We have a mountain of authority here Freedom Apostolic Resources - FAR
- The FAR mandate is to Gather, Connect, Impart and Release

# Sons Arise

- For all who have gathered and all who are connecting our desire is to impart revelational experiential truth through encounters and engagements
- We want everyone to find an oasis of time and space to be able to engage our heavenly Father in intimacy as His sons/daughters

# Sons Arise

- This is the third Sons Arise event this year and builds upon the first two.
- The first Engaging the Father was about the intimacy of relationship we can have with our heavenly Father that reveals our sonship.

# Sons Arise

- Our relationship with God as Father is outworked in many dimensions, the physical, internal of soul and spirit, heavenly and the eternal
- Our governmental position of sonship is also fulfilled by engaging those same dimensions

# Sons Arise

- Investiture, Succession, Enthronement, Coronation
- Royalty terms
- This is a process of maturing into who we already are from God's perspective
- Agreeing with who He says we are and with what He says about us

# Sons Arise

- As we shall see during our time together that we have all already been invested for sonship by the Father we need experience that truth
- It is our destiny to rule in God's kingdom by being enthroned
- But to be enthroned in heaven there must be a succession in our lives.

# Sons Arise

- The death or abdication of the old king or queen had to occur before there was an enthronement
- Our identity will only be revealed when we abdicate - succession
- Our enthronement will only take place when we abdicate - succession

# Sons Arise

- That succession was the focus of the intensive 'Into the Dark Cloud' which was about separating our soul and spirit so we become free to live simultaneously in the dual realms of heaven and earth
- Free from the tethering of our soul to this physical realm, we won't need to continually step in and out of heaven.

# Sons Arise

- Therefore the goal of this conference is for each of us to discover our governmental position in the heavenly realms and be enthroned to rule and legislate as a son of God.
- We are all at different stages of our journeys so be inspired to take some forward steps towards that goal

# Sons Arise

- The Father has shared some things with me to share with you
- Son I have been calling to My children to come and take their places in heaven and find their heavenly roles to bring heaven to earth through their lives.

# Sons Arise

- This gathering will be a further opportunity for a deeper revelation of identity, position and authority.
- All My children have a destiny that involves their inheritance and birthright so that they can all be mature sons of God revealed out of heaven into the earth.

# Sons Arise

- I have been releasing a sound that is designed to connect to the deep desire that is within all My children for relationship and responsibility.
- I will intensify that sound frequency during this time so encourage all to be open and sensitive spiritually to resonate with that sound.

# Sons Arise

- Samuel of SML Music has composed some music to accompany that sound that we will use in some of the activations
- Let that sound penetrate as deep calling to deep to awaken your sonship.
- Relax and rest in that sound be immersed with the presence and intent of God within that sound

# Sons Arise

- There will be lots of opportunities for activations
- Meditation space available downstairs for the breaks
- We have a web page filled with links to activations that you can practice

# Sons Arise

- Activations are but soundbites little opportunities to taste and see
- All the activations can help us develop our lifestyle if we continue to pursue them
- They can all become our continual living testimonies if we will pursue them out of desire until experiences become part of the fabric of our beings.
- Pursuit is the evidence of desire.

# Sons Arise

# Sons Arise

- Son I am calling My children to a new level of sonship where the assemblies and councils of heaven are accessed and the roles of government are to be filled.
- The mantles are prepared and the scrolls are ready for those who have accepted responsibility as sons and are willing to become mature.

# Sons Arise

- All of My children have been invested with identity, destiny, position with a birthright and inheritance but there must be a succession before there can truly be an enthronement.
- All are seated in Me but so few are actively functioning from that position.

# Sons Arise

- The sound has gone forth and some have responded to the call to sonship but many don't want to go through the maturing process of friendship, lordship and kingship so they can receive the mantles and scrolls needed for positions within My kingdom government.

# Sons Arise

- If the sons of God are not positioned in the heavens they cannot be manifested on the earth and the true Ekklesia cannot rise to become Embassies of heaven on the earth.

# Sons Arise

- What is established in heaven must be on earth but there is a lack of willingness to receive the heavenly and the earthly roles.
- There are many who want to continue in the old order earthly roles without being enthroned in heaven.

# Sons Arise

- There are now more who are embracing heaven but still few of those who are willing to take the earthly responsibility to establish heaven on the earth.
- Will you accept the call and actively take your places?

# Sons Arise

- The call is not to just to keep ascending but to dwell in dual realms and function in heaven and on earth as responsible mature sons.
- True reality can only be shaped from a heavenly perspective. It is but a dream without earthly expression.

# Sons Arise

- The individual call is to be a gateway of heaven on the earth but that is but the beginning unless there are earthly expressions. The true mountain of the house of the Lord will remain in the shadow of the religious systems of men.

# Sons Arise

- Your new covenant inheritance has an open heaven through the torn veil, do not let the veils of the old restrictions limit the full scope of your sonship.

# Sons Arise

- My sons need to arise and take their places in heaven so I can reveal and release them into the earth to answer the groaning of a creation in bondage to corruption and decay.
- My sons are called to administrate and oversee increase not decay.

# Sons Arise

- Decay and death are the result of independence but with the face to face restored innocence of relationship there is fruitfulness and increase that will bring the abundant life of My desire.

# Sons Arise

- The power of the resurrected sons of God will be demonstrated on earth as it is on the mountains of heaven.
- Who is willing to embrace the dark cloud of separation and reintegration of soul and spirit?

# Sons Arise

- Who will have the courage to respond to the call to go beyond investiture to succession to embrace heavenly enthronement so that earthly coronations can take place?

# Sons Arise

- Ultimately our mandate and goal is to see the sons of God answering creations cry, its groaning for freedom by taking their multidimensional places in the heavenly realms to establish heaven on earth through new order Ekklesia and Embassies of heaven.
