Sons Arise

- I found I could travel in those realms
- Trans-relocation physically
sometimes involuntarily
sometimes by desire
- Translation spiritually in time and space

- Engage heaven and make yourself available for a mission to answer someone's prayer in time or space
- Hear am I send me
- Engage your spirit and go where God sends you

Sons Arise

- We are a house of God
- We are a mountain a position of authority
- We are gateways of heaven into the earth when are in dual realms
- We need first love relationship to establish the house and the gateways within us to be a mountain

Sons Arise

- Our spirit is a mountain a place of spiritual authority
- There is a throne on the mountain
- Throne represents the authority - the rule and government of our lives
- The seat of rest and government is where the Father begins to father us into sonship

Sons Arise

- Depending on who is on the throne or seat of rest in our spirit, we will either be at rest or seeking to meet our own needs in our own strength
- The key to being able to fulfil our destinies is to experience living from the place of rest and love
- All responsibility must flow from relational rest

Sons Arise

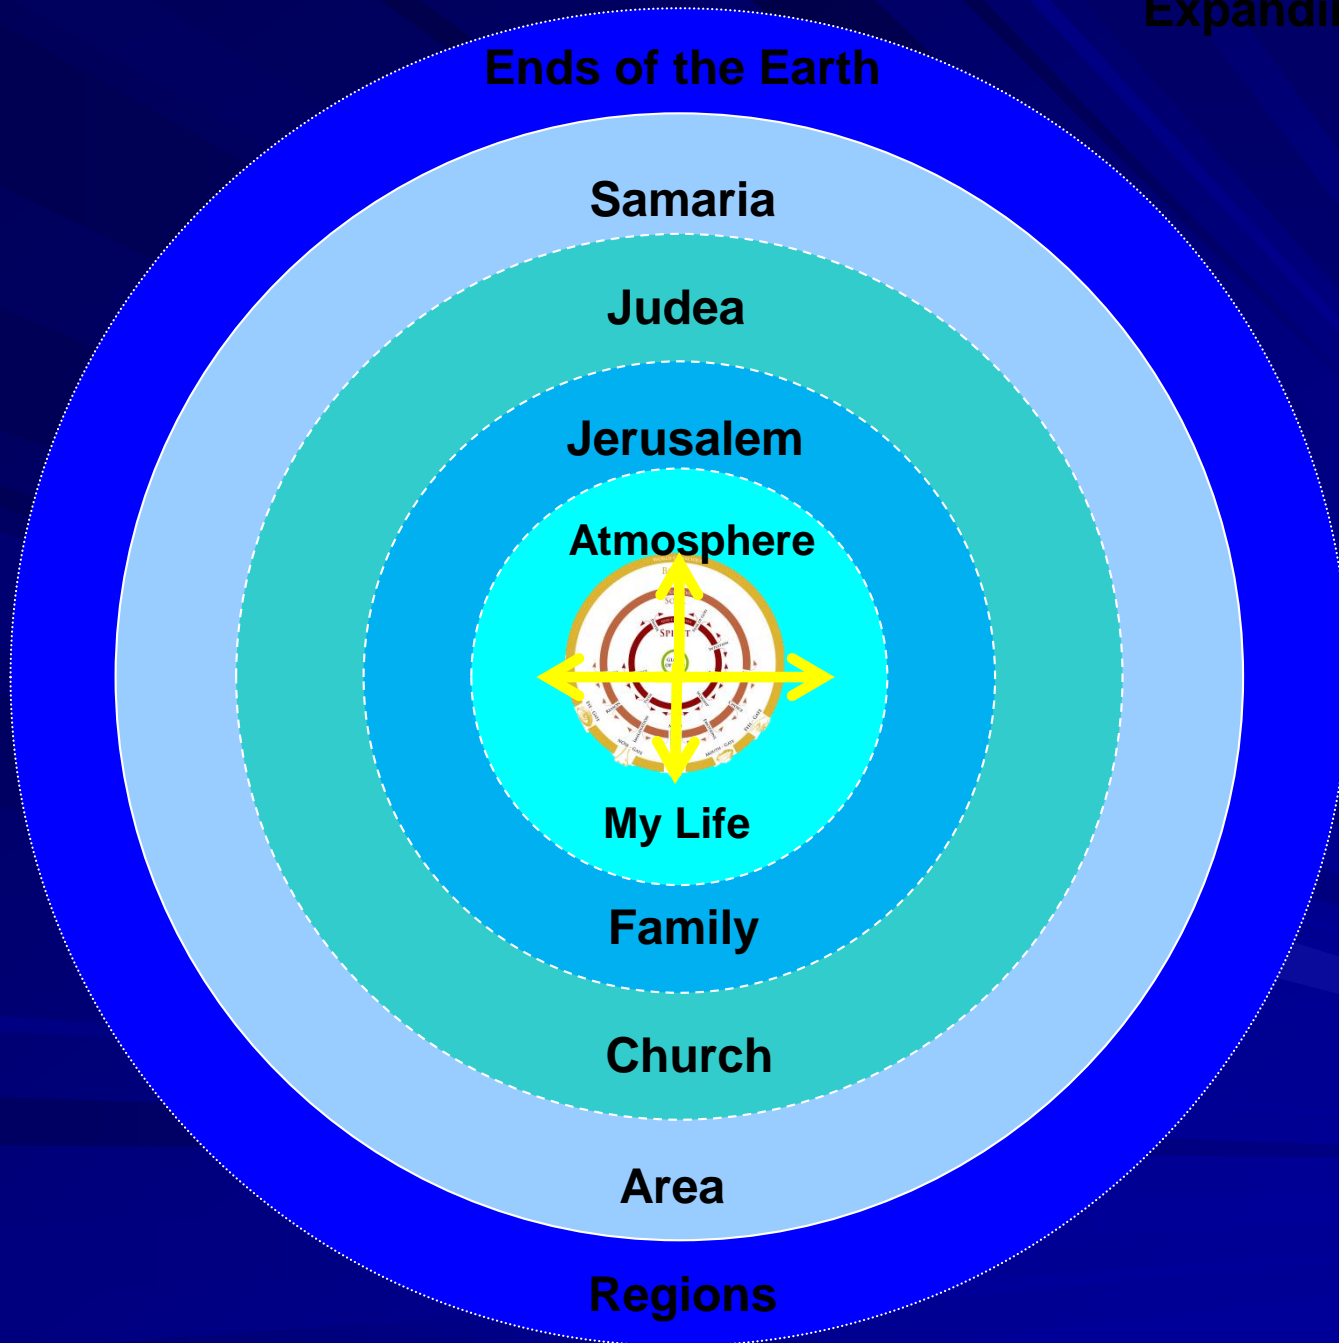

- Who is on the throne of your life
- Who is in charge of your life

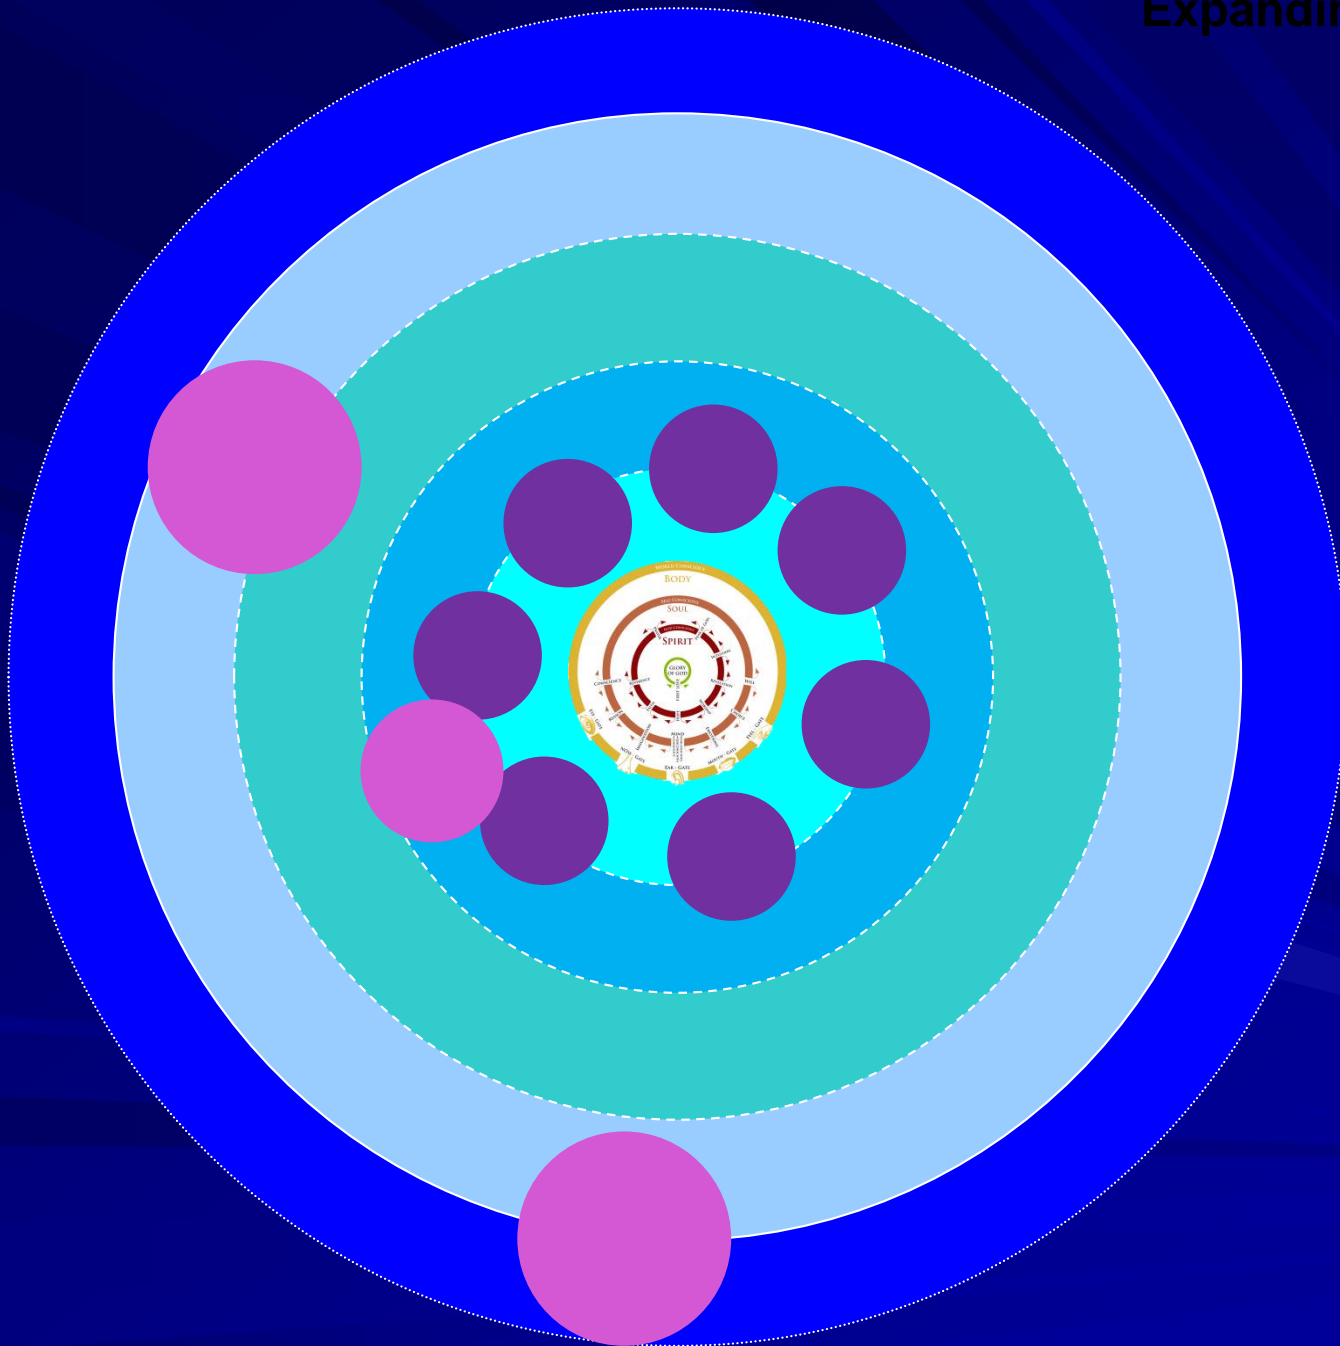

Sons Arise

- Daily consciously opening first love
- Engaging Holy Spirit drinking living water
- Engaging Jesus by entering His rest and taking His yoke to be disciplined
- Engaging the Father and surrendering the seat of rest and government to be fathered

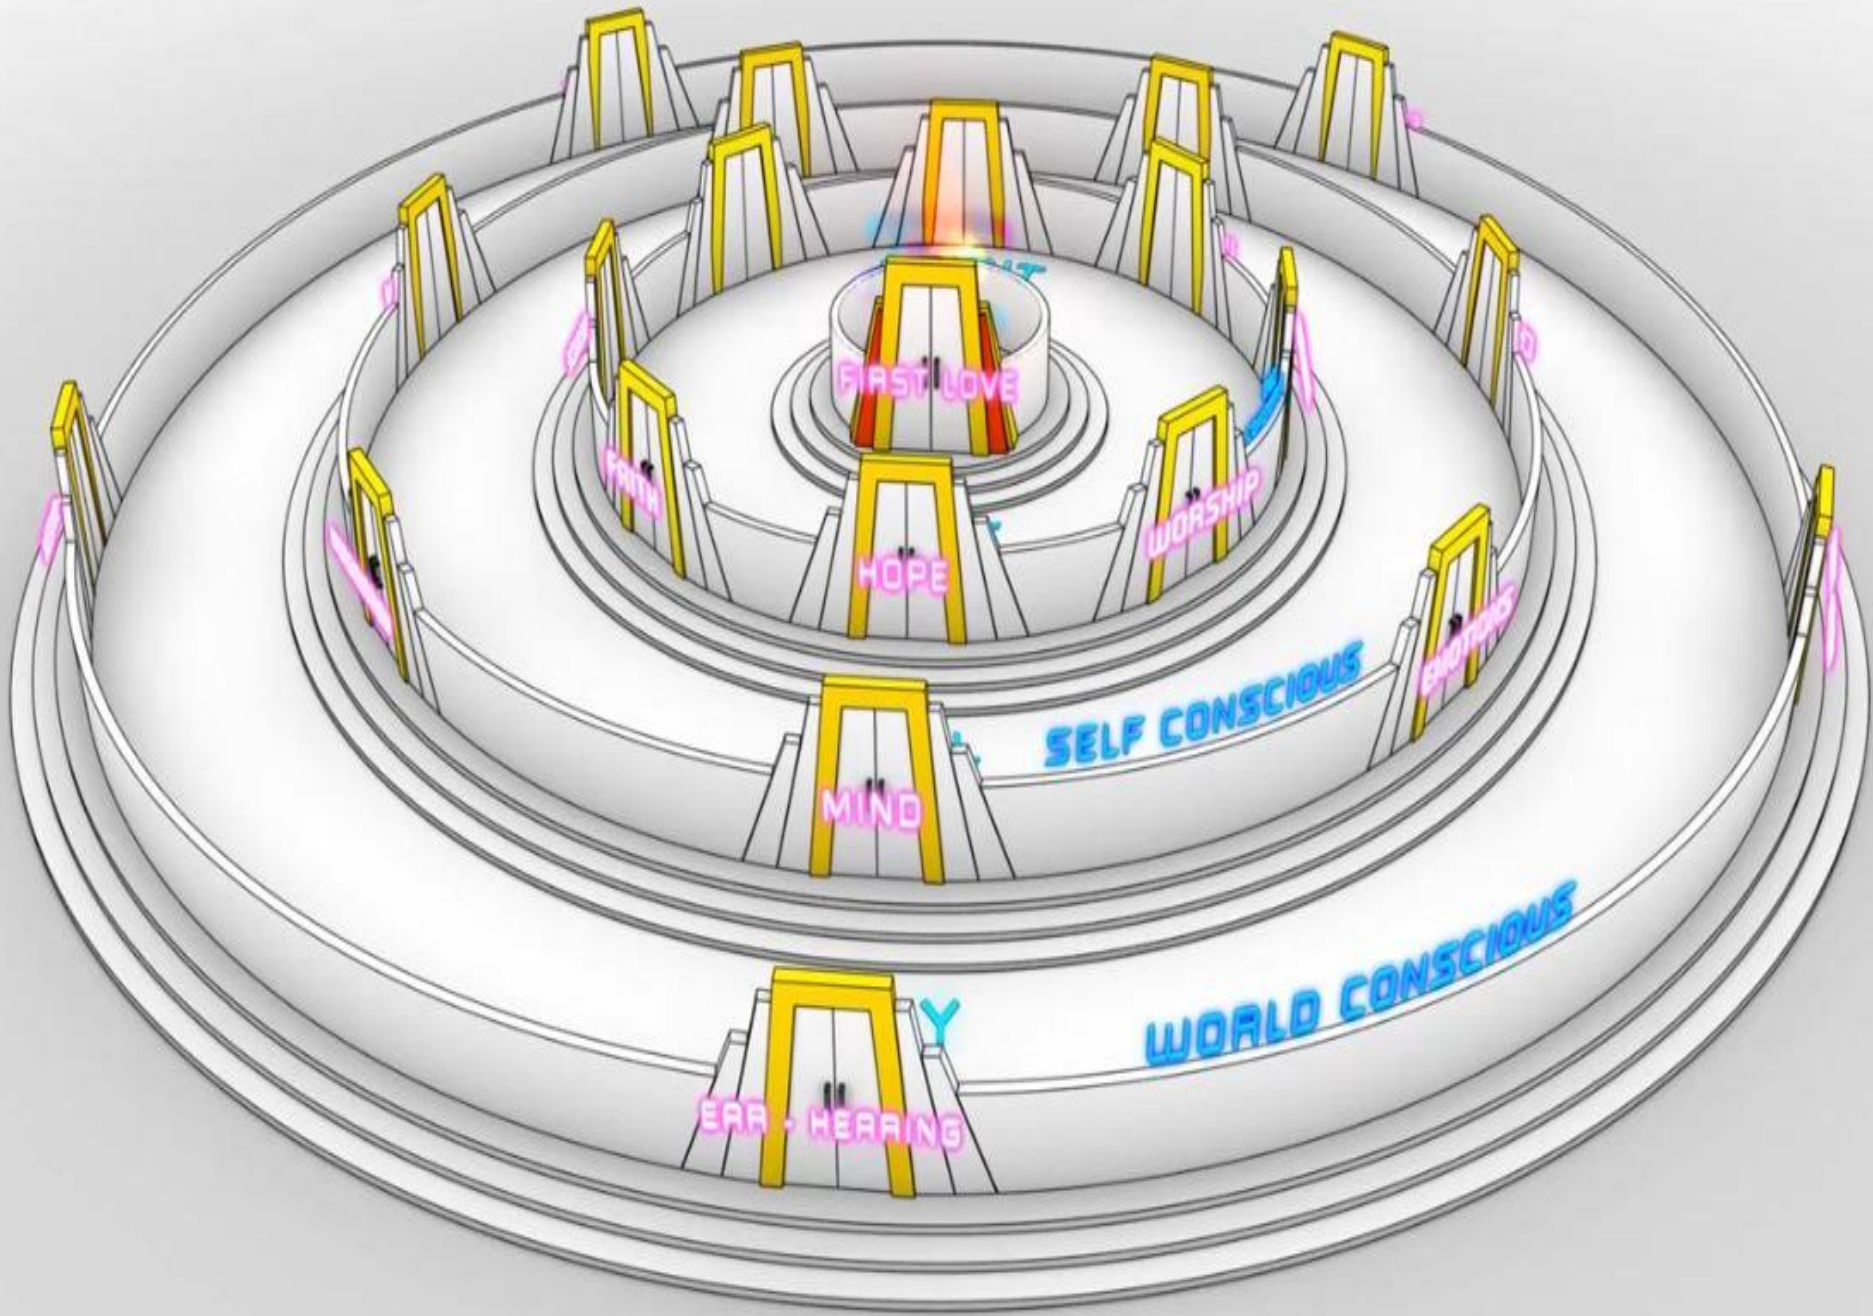

Expanding our territory

Sons Arise

- Our spheres operate in relation to our specific mandates
- Area and region mandate to establish government for Ekklesia and embassies of heaven
- I don't have authority for everything
- Others will have different responsibilities within the same spheres
