Sons Arise

- Living in dual realms gives us access to places that we can engage cognitively
- Once we engage cognitively we can be active even when we are not consciously in this realm
- God is in us in our realm and our spirit is at work even when we have our conscious focus here

Sons Arise

- A place I have found to give access to many other places is Wisdom's heights
- There we can engage Wisdom and the gates and doors to other realms and dimensions
- We can engage Wisdom's pillars and other angelic beings

On top of the heights beside the

takes her stand; Beside the gates,
at the opening to the city, At the
