 I stand with seal, crystal and rod and I call for the alignment of the 12 High **Chancellors Houses within the Circle** of the Deep beginning the cycles of judgment that brings justice to release grace and mercy.

- The councils and assemblies of heaven are aligned to the cycles of judgement, justice, grace and mercy seasons.
- The seasons are aligned to the 4 windows of the Circle of the Deep.

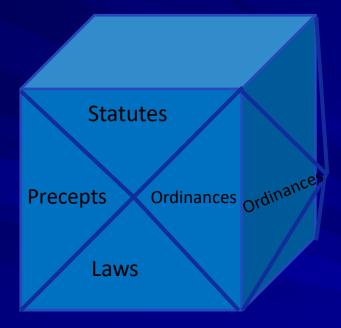

- Each house is a place of personal revelation for sonship to know the identity, position and authority of a son of God.
- Houses are aligned in order for our lives, mandates and blueprints to facilitate the times and seasons

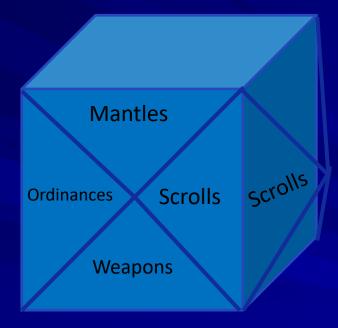

- What is true for personal alignment will be the same principles for all alignments.
- The ultimate goal is to position the sons of God within the tree of life so that balance is restored to creation and the harmony song is heard once again.

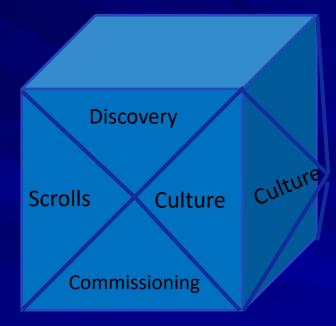

- The form and the function
- Alignment governmentally affects seasons to brings order
- Decreeing and declaring and calling forth according to the principles
- Personal revelation through encounters within the houses both cognitive and beyond present understanding
