Welcome

Freedom
Apostolic Ministries

Sons Arise

- Framing our lives out of heaven is not limited to decreeing or declaring to just change and align things
- Framing our lives in time and space by choosing to use the power of our consciousness with intent to create the reality around us by choosing a reality that aligns with God's heart and our sonship

Sons Arise

- Isa 42:9 “Behold, the former things have come to pass, Now I declare new things; Before they spring forth I proclaim them to you.”
- We a need a new mind, a new reality and a new consciousness if we are to truly be sons of God

Sons Arise

- What reality are you living?
- From whose perspective are you viewing reality? – yours or God's
- Does it feel like a dream or a nightmare?
- Can you change your reality?
- All reality or truth if not seen through the perspective of The Truth Jesus himself, will eventually become a nightmare

Sons Arise

- All of our minds are constructed from pillars of beliefs and value systems that have been built through the experiences of our lives
- Those pillars form our worldviews and frame how we interpret the world around us – they are our conscious reality

Sons Arise

- We see the world through a lens that filters life's experiences and gives us a conformational biased view that perpetuates the status quo
- Those pillars in our minds may be lies or false representations of reality if viewed in comparison with The Truth Jesus who is the only true reality

Sons Arise

- Many of my constructs were religious theology or doctrine
- Evangelicalism, Sola Scriptura, Greek thought, Hebrew thought, Augustinianism, Protestantism
- Some were from the education system and some from the DIY tree path of self
- Scientific rationalism, Cultural relativism, Humanism

Sons Arise

- When your mind is stretched by a big idea it will never return to its original shape. Thomas Carlyle
- Once the first pillar was removed which was evangelicalism the theological belief systems began to crumble

Sons Arise

- Doctrines and theological positions not reflecting God's love began to be exposed as lies they began to be exposed by the light of truth
- I began to see things I never saw before, connected with people who were invisible to me before

Sons Arise

- Long held beliefs were challenged by the experiences of God's love that encounter engaging with Him
- My whole relationship with God began to change as my filters were removed and I started to see everything through the lens of love

Sons Arise

- I asked what is going to replace that construct
- Son let Me form the pathways of the tree of life within the construct of your mind.
- Let Me reform and connect the ancient paths within your brain so that your consciousness will become unrestricted and your creative potential will not be limited.

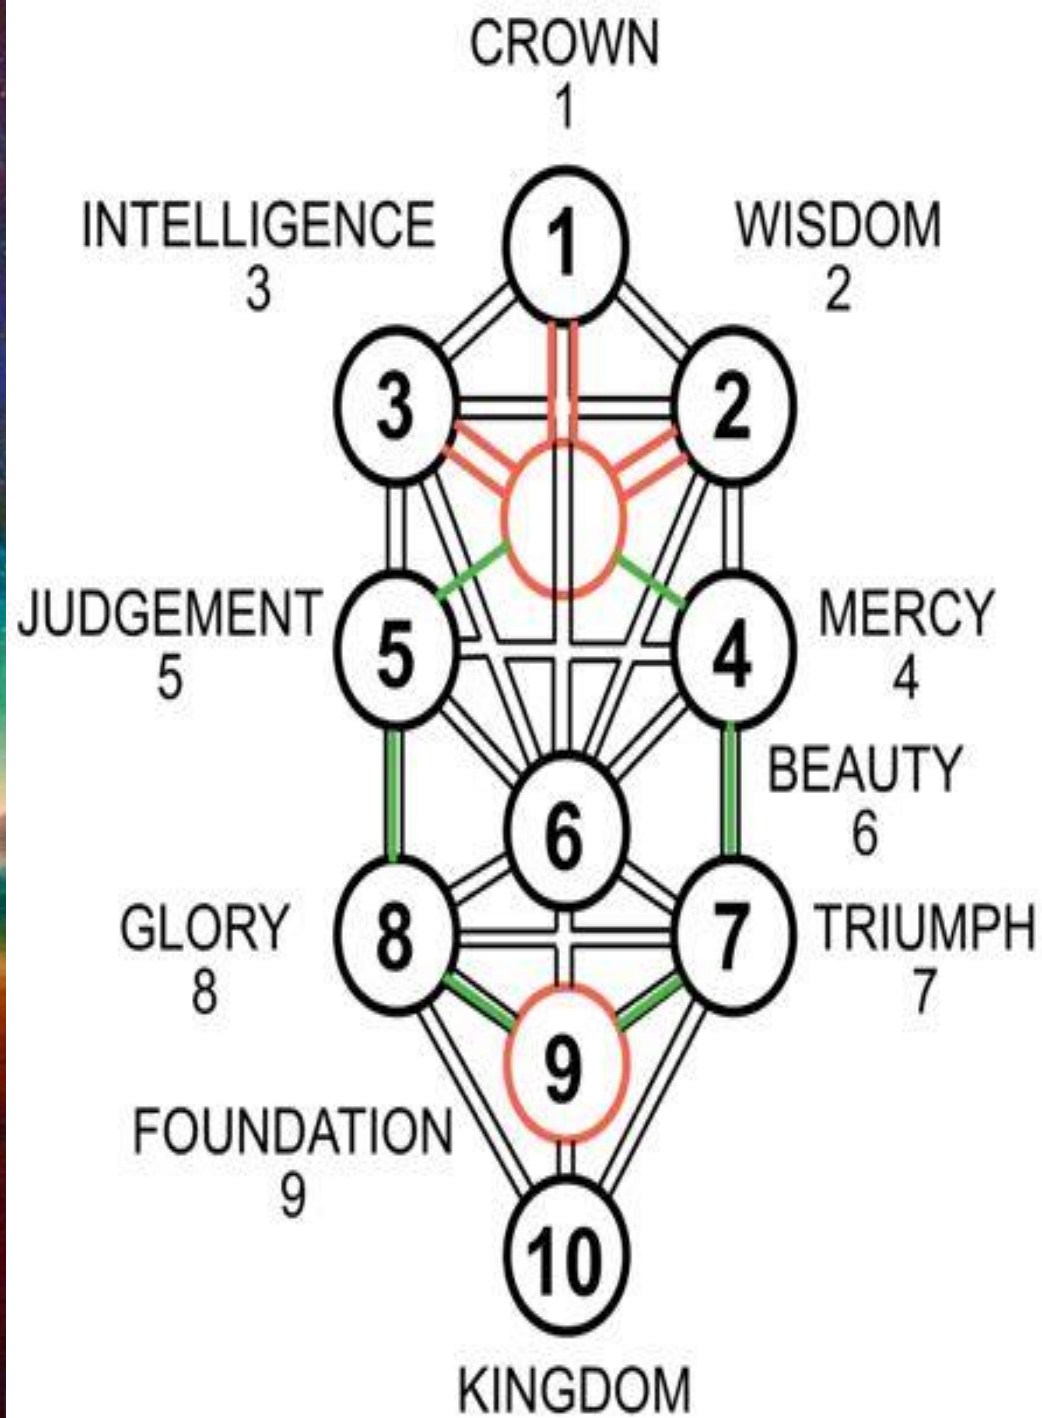

Sons Arise

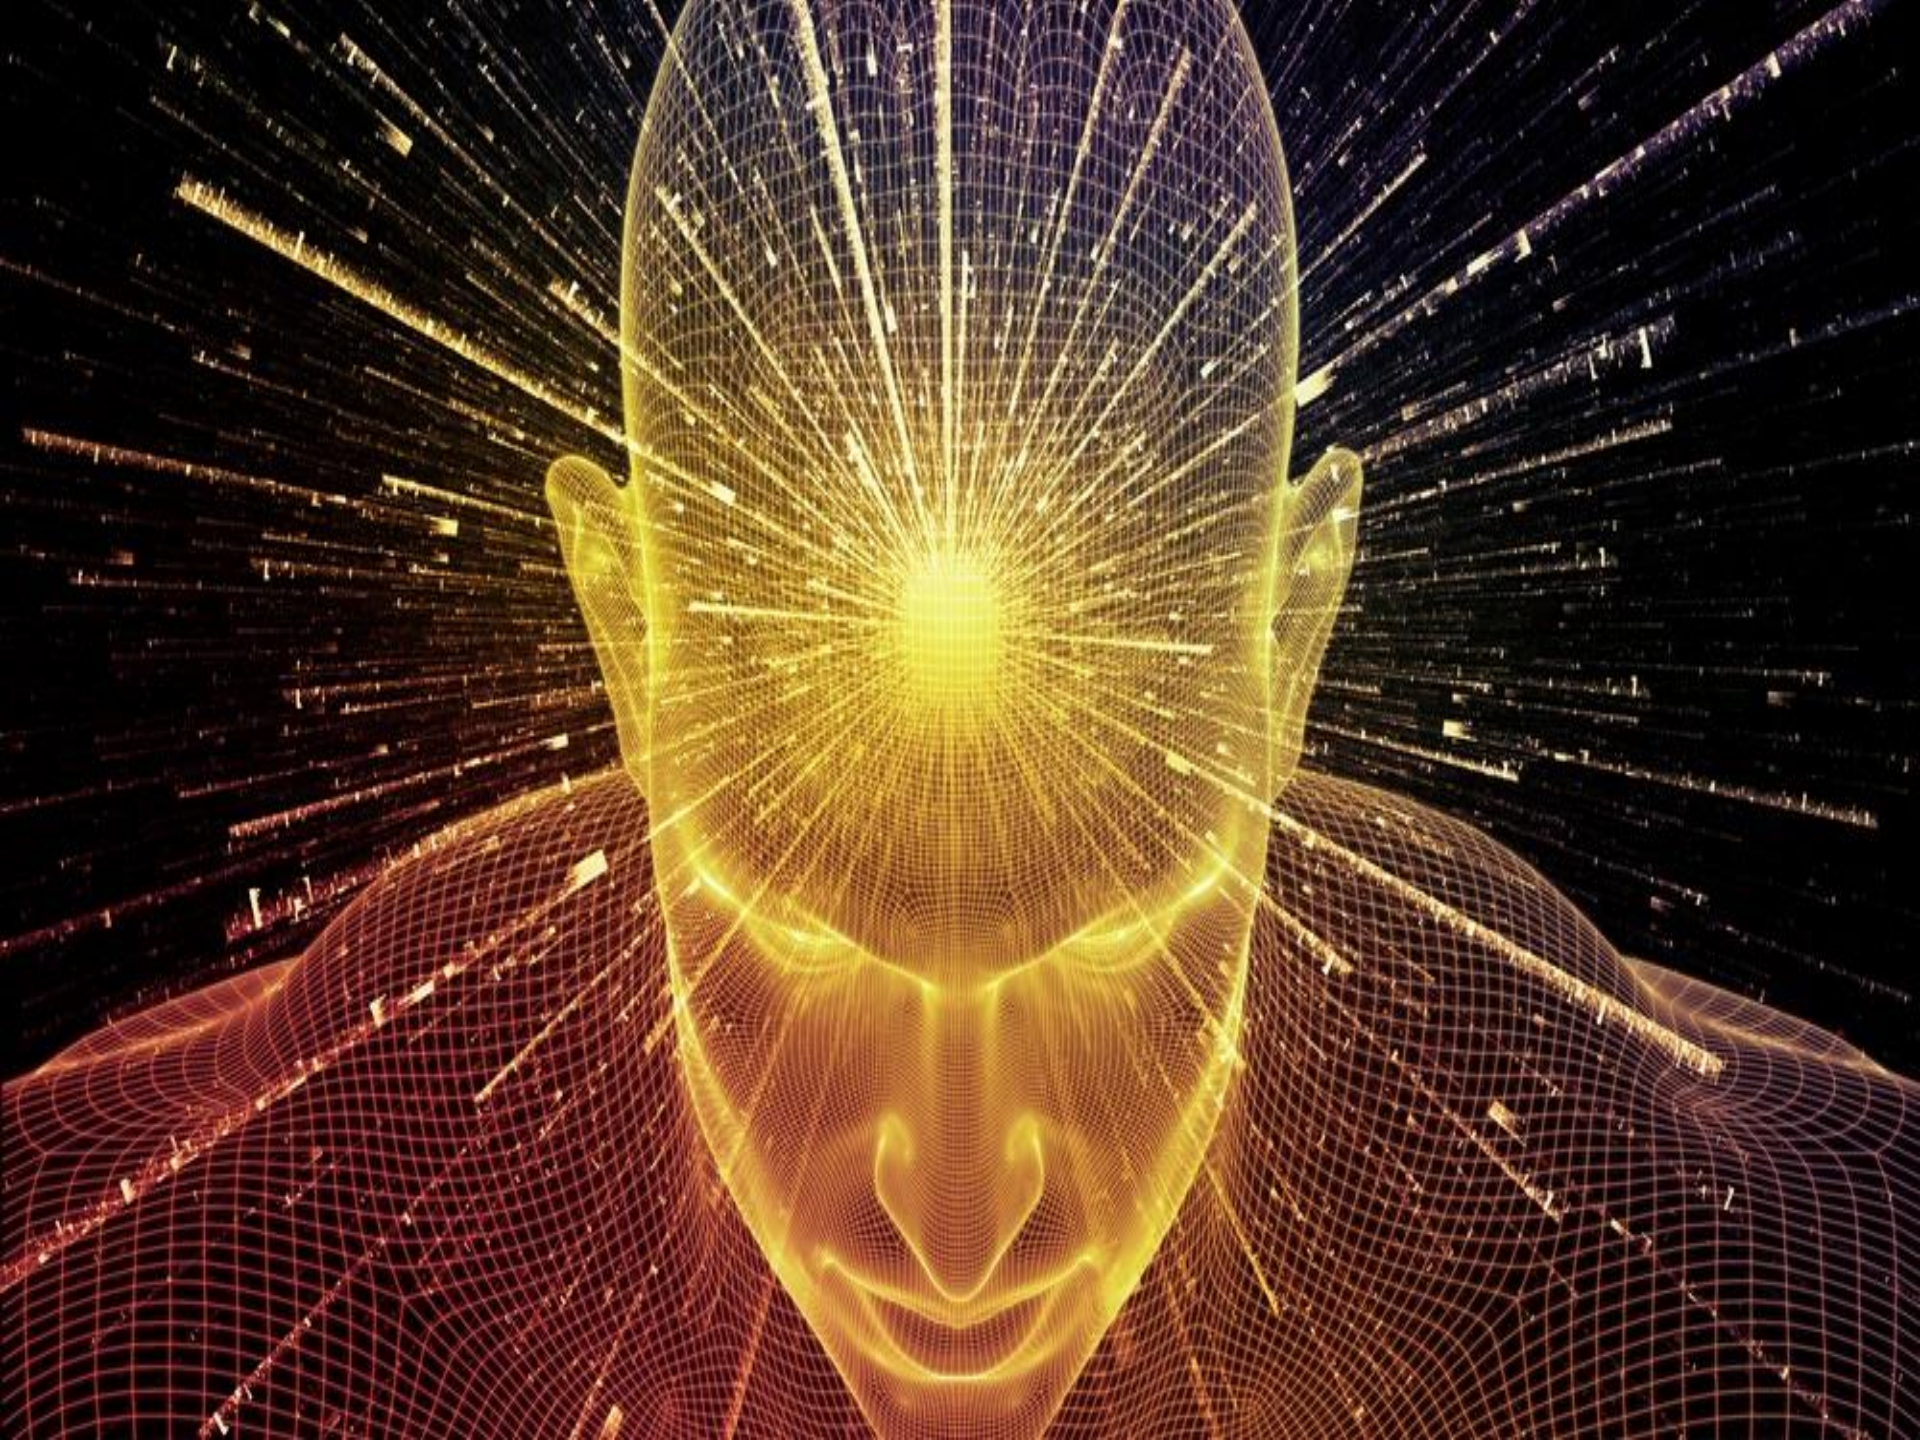

- I must plant new roots within your mind that will be able to flow from the eternal source let them be entwined as the pathways to truth.
- As the living word, My relationship with you can now be the first pathway that will become a trunk that supports life
- I felt this root system of truth began to form deep in my mind.

Sons Arise

- There were 9 main roots that began to grow like an organic system of connections within my consciousness
- They started to bore into my unconscious and subconscious it felt like an intrusion into my very being but I welcomed it.

Sons Arise

- Why is this deconstruction and renewal so important?
- Act 3:20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the **period of restoration of all things** about which God spoke by the mouth of His holy prophets from ancient time.
- We are tasked with the restoration of all things that's impossible with limitations

Sons Arise

- We are not going to fix the problem with the same DIY methods that created it
- We are not going to build embassies of heaven like they did at Babel to make a name for themselves
- We will have the ability to construct organically using quantum reality

Sons Arise

- Rom 8:16 The Spirit Himself testifies with our spirit that we are children of God, 17 and if children, heirs also, **heirs of God** and **fellow heirs with Christ**, 19 For the anxious longing of the creation waits eagerly for the **revealing of the sons of God**. 21 that the creation itself also will be set free from its slavery to corruption into the **freedom of the glory of the children of God**.

Sons Arise

- Rom 8:16 His Spirit resonates within our spirit to confirm the fact that we originate in God. 17 Because we are his offspring, we qualify to be heirs; God himself is our portion, we co-inherit with Christ. Since we were represented and included in his suffering we equally participate in the glory of his resurrection.

Sons Arise

- Rom 8:19 Our lives now represent the one event every creature anticipates with held breath, standing on tip-toe as it were to witness the unveiling of the sons of God. Can you hear the drum-roll?
21 All creation knows that the glorious liberty of the sons of God sets the stage for their own release from decay.

Sons Arise

- Rom 8:22 We sense the universal agony and pain recorded in history until this very moment. 23 We ourselves feel the grief echo of their groaning within us while we are ready to embrace the original blueprint also of our physical stature to the full consequence of sonship. What we already now participate in as first fruits of the spirit will bloom into a full gathering of the harvest.

Sons Arise

- God loves the whole cosmos but it is waiting for us to mature as sons
- Sons who know the truth and full reality about their Father and themselves
- We need to see God as He truly is and see ourselves as created in His image
- The illusions and delusions must be exposed so that we can be unplugged from this false reality

Sons Arise

- Jesus the Truth the second Adam desires to remove the limits placed on us by first Adam to restore us and conform us to our original eternal blueprint.
- Restored abilities to engage bandwidths of energy abilities lost at fall, flood and Babel

Sons Arise

- Only the Truth that I am conscious of and know by experience will set me free from being tethered to the earth the physical realm and being under it's rule and bondage
- The Truth desires to release us into the glorious freedom of our sonship as co-heirs of His kingdom

Sons Arise

- Freedom from addiction can you see that reality?
- Freedom from sickness, disease and pain can you see that reality?
- Freedom from rejection, fear, insecurity, poverty and every bondage and limitation can you see those realities?
- If we can't see them as truth they can't manifest in our lives

Sons Arise

- John 8:32 you will **know the truth** and the truth will **set you free!**” 36 Who the son (The Truth) sets free will be free indeed
- Free from the chains of time and space and the dimensional restrictions of the matrix of our belief systems and mind-sets
- Free to fly untethered and unrestricted

Sons Arise

- There can be many realities, but there is only One Truth.
- The Truth, once perceived may not always be to our taste.
- It may not always be convenient or pleasant as it means change
- It may require sacrifice and discipline but it will always bring us freedom

Sons Arise

- When we turn from the Truth and return to pseudo-realities, it is either because we fear the hardships and responsibilities that freedom brings, or we lose sight of the higher purpose
- If we are not "unplugged" we will find the truth unpalatable and hard because of our DIY mind-sets

Sons Arise

- If we can't perceive the eternal realm of which we are citizens we will remain confined and tethered to this earthly DIY version of reality
- Earthbound restricted and living in a carefully constructed illusion that limits us to being mere mortals unable to change anything or fulfil our destiny

Sons Arise

- 2 Cor 2:4 in whose case the god of this world has **blinded the minds** of the **unbelieving** so that they might not see the light of the gospel of the glory of Christ, who is the image of God.
- Are you blinded by the world's DIY system?
- Whose reality are you living in?

Sons Arise

- Much supernatural truth has been veiled and perverted by the New Age movement and is put off limits to us by the religious spirits operating within the old order religious systems
- We must recover that hijacked truth
- All truth is from God because Jesus is the truth but some things have been veiled in deception

Sons Arise

- The Matrix is a modern parable that reveals that the truth can free our minds
- You are here today rather than somewhere else because you know something has to change
- You know you can't keep walking the same path and expect it to take you somewhere else

Sons Arise

- Wake up, Neo! The Matrix has you
- Let me tell you why you're here. You're here because you know something. What you know, you can't explain. But you feel it. You felt it your entire life. That there's something wrong with the world. You don't know what it is, but it's there. Like a splinter in your mind - driving you mad.

Sons Arise

- Neo = new
- Neo is an anagram of One we are all **the one** each of us uniquely designed and chosen as a son of God
- Knowing this truth will set us free
- It is time to wake up from the nightmare that has kept us locked in unreality.

Sons Arise

- This is your last chance. After this, there is no turning back. You take the blue pill - the story ends, you wake up in your bed and believe whatever you want to believe.
- You take the red pill - you stay in Wonderland and I show you how deep the rabbit-hole goes.

Sons Arise

- Neo, sooner or later you're going to realize just as I did that there's a difference between knowing the path and walking the path
- You have to let it all go, Neo. Fear, doubt, and disbelief. Free your mind.

Sons Arise

- I'm trying to free your mind, Neo. But I can only show you the door. You're the one that has to walk through it.
- Unfortunately, no one can be told what the Matrix is. You have to see it for yourself.
- The question is are you willing to look?

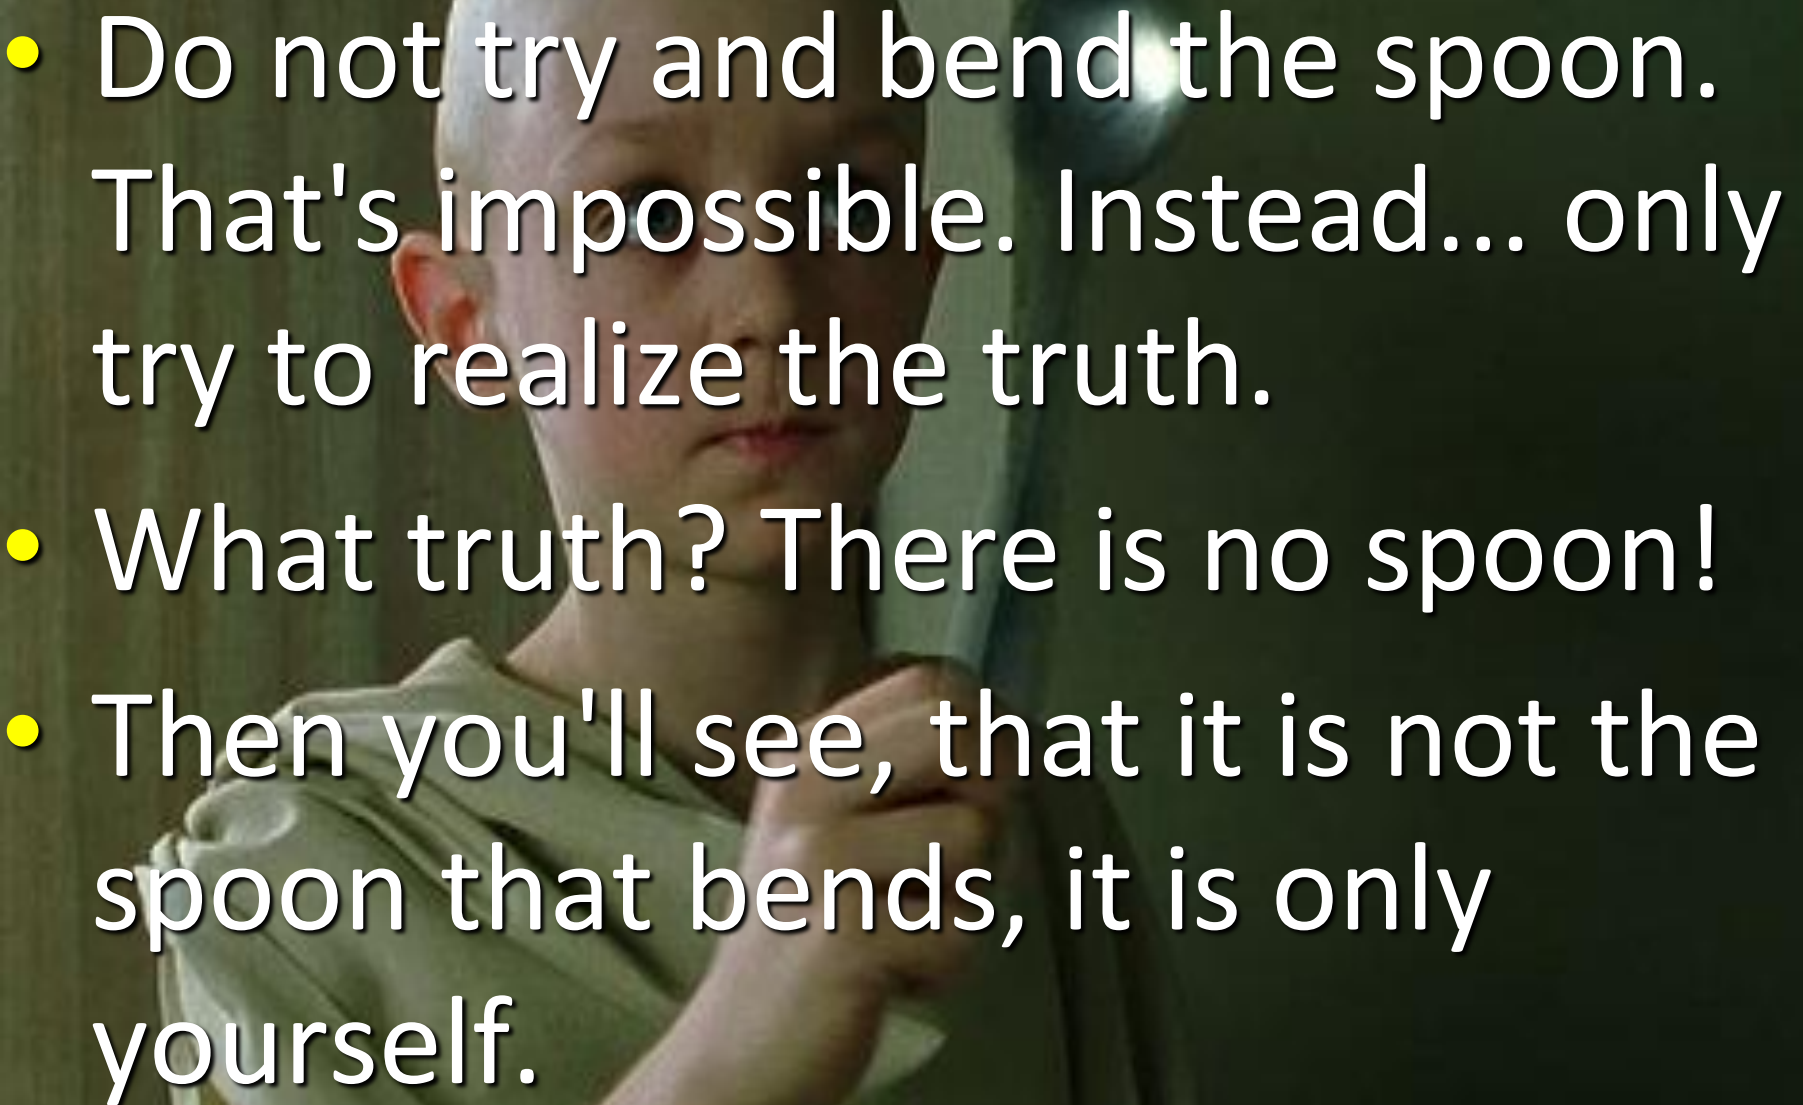

Sons Arise

- What is real? How do you define 'real'? If you're talking about what you can feel, what you can smell, what you can taste and see, then 'real' is simply electrical signals interpreted by your brain.

Sons Arise

- Don't think you are, know you are.
- What are you trying to tell me?
That I can dodge bullets?
- Morpheus: No, Neo. I'm trying to tell you that when you're ready, you won't have to.

- 
- A young boy with a shaved head, looking thoughtful, with text overlaid on the image. The text consists of three bullet points.
- Do not try and bend the spoon. That's impossible. Instead... only try to realize the truth.
 - What truth? There is no spoon!
 - Then you'll see, that it is not the spoon that bends, it is only yourself.

Sons Arise

- “The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. **It is the world that has been pulled over your eyes to blind you from the truth.**

Sons Arise

- Neo: What truth?
- Morpheus: That you are a slave, Neo. Like everyone else you were born into bondage. Into a prison that you cannot taste or see or touch. A prison for your mind.”
- On the DIY path we all died in Adam but we are all made alive in Christ

Sons Arise

- The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save.

Sons Arise

- You have to understand, most of these people are not ready to be unplugged. And many of them are so injured, so hopelessly dependent on the system, that they will fight to protect it.

Sons Arise

- Remember... all I'm offering is the truth. Nothing more.
- Free your mind and be welcomed to the real world
- Nosce te ipsum - know thy self
- Tu ipse esto - be yourself your truth self as a son of God

Sons Arise

- The veil that has limited our potential and kept us earthbound
- Knowing yourself is impossible apart from knowing Jesus
- We must know the Truth if we are to be free indeed.

Sons Arise

- The veil is the construct of deception that has robbed us of true reality.
- When we come to know the Truth we can experience that true reality
- True reality is not what we have come to know through our earthly experiences therefore we have been living in an illusion veiled as reality

Sons Arise

- What is your reality?
- Is your reality shaped by what you have experienced and what you have seen?
- Can you trust what you see?
- Some scientists believe that this reality behaves like a holographic projection
- Where are you looking for your reality?
- Is your truth relative or absolute?

Sons Arise

- Our consciousness is a series of electrical impulses in our synapses passing along neural pathways that our brain interprets as thoughts
- We have learnt to interpret those signals
- We can also use those signals
- The world of matter and energy responds to us when learn to focus those signals

Sons Arise

- Everything depends on which perspective you are looking at it from
- Your consciousness has the ability to affect energy and matter from a quantum perspective
- Light is an energy wave that carries the potential to become a matter particle depending on the thought of the viewer

Sons Arise

- This Truth may be beyond what I can presently imagine or think.
- Renewing our minds is the expanding of our consciousness to know our true potential.
- He chose the foolish things to confound the wise so we would know it is only through Jesus the truth

Sons Arise

- Our minds must be enlightened or illuminated by the light of Truth.
- The vast sum of Gods thoughts about me that reveal that I am a son of God created in His image with a destiny to rule the universe with Him
- That truth will unlock the true potential of our sonship the creative image we are made in.

Sons Arise

- Eph 5:14 For this reason it says, “Awake, sleeper, And arise from the dead, And Christ will shine on you.”
- Waking up to knowing the Truth as a person will set us free to be who God intended
- It will challenge your present perception of yourself and your life

Sons Arise

- We can know the truth from God's perspective and align ourselves with His thoughts about us
- We can see ourselves – free from addiction
- We can see ourselves healed,
- We can see ourselves loved, accepted, affirmed significant

Sons Arise

- Our conscious thought has quantum power
- The universe responds to the focus of our consciousness.
- We have the mind of Christ therefore the capacity for the greater works.
- It is time to embrace the potential possibilities of who we are because of who He is.

Sons Arise

- Our consciousness has the ability to frame our reality
- We must not frame our reality out of being subject to times and season or we will be subject to time
- God set the sun moon and stars to frame time and seasons so they would subject to us not that we would be subject to them

Sons Arise

- One of the core principles of Quantum Physics is the idea that reality (the photons that produce the light-illusion we all occupy) exists in infinite possible states (ie: the many-worlds scenario) until we observe it and thus collapse all potential versions of reality into the one single option we've chosen to live inside.

Sons Arise

- Consider you're sitting on your settee and you're suddenly struck with the desire to do something different.
- You are suddenly faced with the decision between infinite permutations of reality, you could do infinite things
- As you weigh things up what you start to focus on becomes more likely to occur

Sons Arise

- You could go out of the room
- You could turn on the light; you could walk outside; you could go to the kitchen, you could turn on the TV or turn your computer or phone on
- Past rewards and memories can drive you towards your choice and reality

Sons Arise

- You can immerse your consciousness into any reality you want. But you must decide which action you will take, you must make a choice on which reality you want to 'observe' at the cost of becoming 'blind' to all other options.
- Compulsive behaviour driven by your past choices can overwhelm you

Sons Arise

- As soon as you select a reality and move towards that observed choice, suddenly the photons around you blur and shift as you pull yourself deeper into that reality;

Sons Arise

- The options you didn't select, however, now fade out of conscious thought, out of observation, and thus begin to experience a decay of quantum likelihood as you continually move away from them in pursuit of your selected reality.

Sons Arise

- But that option which you did select—well, its photons are now becoming more vivid, turning from abstract imaginary choice into tangible forms you can interact with (whether its the light switch, the TV, toilet, drink, drug or image etc.

Sons Arise

- This concept is the fact that your internal consciousness, those synapses and chemicals manipulated by your thoughts, can alter the physical photons that surround you.
- Whose reality do you want to create and from which source do you draw on to choose?
- God or DIY

Sons Arise

- If you are choosing from your past you may be:
- Hiding your passion and creativity because you're afraid you may not be good enough
- Such as not doing art because someone said you were bad at it.

Sons Arise

- Not pursuing a passion because someone told you it was a silly pastime that would never make you money.
- Agreeing to plans you don't really want to be a part of to fit in
- Staying in a job or relationship that doesn't fulfil you because you need the money

Sons Arise

- Not taking the time to look for other jobs for fear of switching to something new.
- Not going after jobs that would make you happier but may not be as financially stable.
- Pursuing relationships that you know aren't healthy because you don't want to be alone.

Sons Arise

- Our present reality is controlled by the programming of our past experiences and knowledge
- Our future reality will continue to be a self perpetuating fulfilment unless we see from a new heavenly reality perspective

Sons Arise

- If you do decide to escape your own source you have the power to envision a future reality that doesn't currently exist.
- So rather than simply choosing from an already existing menu you wish to engage with, you can instead create new photon-forms that never existed before and inject them into reality.

Sons Arise

- We have this incredible ability called imagination: the ability to mentally envision a thing or a concept and then summon it into reality.
- We all have that ability but do we use it?

Sons Arise

- All the things you see today: buildings, cars, planes, tables, chairs, computers, even the clothes on your body, these are all physical items we can now choose to interact with even though they originally only existed as thought forms inside someone's mind.

Sons Arise

- They were all once inert pieces of quantum possibility floating in the abstract realm of human imagination until someone came along and had the means to choose to pursue their creation.
- What reality are we creating for our lives?

Sons Arise

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible.
- Rom 4:17 .. even God, who gives life to the dead and calls into being that which does not exist.
- 17 and is calling the things that be not as being. YLT

Sons Arise

Sons Arise

- From whose perspective are you viewing yourself?
- What reality are you creating from your observation?
- Are you perpetuating a reality based on what you already know or have already experienced?

Sons Arise

- This quantum wave collapse, caused by observation is called: popping a qwiff.
- You can see or observe a God qwiff (something God shows you that is not yet real in this dimension) and, by observing or popping that qwiff, cause that potential to become your reality.

Sons Arise

- Information flowing from your future possibilities is waiting for you to see - to observe - and call those things that are not as though they are.
- The quantum leap of knowing your purpose and assignment is waiting as a God qwiff for you to pop! – David Van Koevering

**Information flowing
from your future possibilities
is waiting for you to see
and observe it
and call it into being.**

Kingdom
advance

Sons Arise

- God has dignified man by giving him free will to choose and create his own reality aligned to those choices
- Those choices made independently of God have created the chaotic DIY state the world now exists in
- They are created without the reference point of love

Sons Arise

- When we are reconciled and restored in relationship with God himself our mind can be renewed
- This opens up the potential possibilities that we are able to access the eternal mind of God then our future reality can be realigned from an eternal godly perspective

Sons Arise

- Continuing to use the DIY methods of using drugs, alcohol, pornography, food, relationships, religious works or any other substitute your addiction to DIY keeps you bondage
- Choose another future, see another reality, see your freedom an your God destiny

Sons Arise

- Quantum observation
- Quantum entanglement
- Quantum tunnelling
- Quantum faith
- Let's be creative sons of God not limited by our DIY pasts to create a better future

Sons Arise

- All of creation has it's eyes fixed looking for true sons to be revealed.
- Will you be one of those sons?
- Will you accept the call?
- Will you embrace your destiny?
- Will you accept His yoke and learn from Him the Truth?
- He is calling for the sons of God to arise.
