

# Vision Destiny 2019

- I will share my 2018 journals sequentially that will include:
- What God said and did in 2018
- What does that mean for 2019?
- What does God want to reveal and unveil to us 2019?
- What does God want us to do and where does He want to take us in 2019?

# Vision Destiny 2019

- Please don't believe anything I say just because I say it
- If you resonate with anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

# Vision Destiny 2019

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

# Vision Destiny 2019

- Love is my plumb line for truth
- God said to me “If it is not unconditional love, it is not Me.
- “If it is love, it is Me; and love must be unconditional and otherly, otherwise it is not love at all”
- Don't tell people how lost they are Show them how loved they are!

# Vision Destiny 2019

- Son, you have seen how easy it is to build an idol out of experience; to lean to your own understanding and create another belief system out of the mystery of subjective experience to enable your own objective DIY-LAW based system.

# Vision Destiny 2019

- Everything must come from the day to day continuous face to face relationship of intimacy with Me
- Nothing of eternal value will come from leaning to your own understanding.

# Vision Destiny 2019

- Ensure that engaging God is what you are inspiring, not engaging a programme or another set of law-based principles that becomes another substitute for relationship.

# Vision Destiny 2019

- Son, My heart for all My children is for them to know the true reality of who they are as sons of the living God and heirs of creation.
- I desire that each will know their true identity within My name and their true authority positioned within the tree of life.

# Vision Destiny 2019

- I am that I am has commissioned you and many others from different streams to reveal the truth and expose the lies that have held My people captive through their minds being infiltrated by the antichrist leaven of Herod and the Pharisees.

# Vision Destiny 2019

- For nearly 2000 years the religious and then the political spirit has veiled the minds of My children; both those within and those without.
- The systems of theological belief that distorted the reality of who I truly am are the same systems that have created duality and dichotomy.

# Vision Destiny 2019

- The scandal of religion is being challenged by those forerunners who have been hidden within the various streams but are now coming out of obscurity to challenge the deceptions of the systems which have kept My children from knowing Me and knowing the fullness of their destinies.

# Vision Destiny 2019

- It is time for the deceptions to be exposed, so that My children can be free from the bondages that have kept them from their true relationship with Me as Father and their true identity as sons.

# Vision Destiny 2019

- Son, the lies, deceptions, distortions and perversions of the truth are being revealed and exposed and this is the sword of judgment which is rightly dividing the truth from the religious myths that have shrouded and veiled the minds of My children.

# Vision Destiny 2019

- I decreed that My children would be one but look now and see the divisions that exist, all based on the DIY delusions created by their own understanding of a book I never intended them to have.

# Vision Destiny 2019

- Religion has replaced relationship
- A book has replaced the Spirit
- The Living Word has been replaced by the written word
- The Truth as a person has been replaced by theological and doctrinal belief systems

# Vision Destiny 2019

- Heaven and earth have been separated
- Inclusion has been replaced by exclusion
- Hearing My voice has been replaced by studying a book
- The truth of the cross that has reconciled creation has been distorted to a lie that has excluded creation.

# Vision Destiny 2019

- The perfect picture of love has been twisted to express penal retributive punishment and torment.
- The love so perfectly displayed for My children and My creation in the self sacrifice and offering of My Son has been distorted into a disgusting image of cosmic child abuse.

# Vision Destiny 2019

- Love that brings life has been perverted into hateful punishment that brings death
- The correction and refining that purifies in fire has been replaced by eternal conscious torment

# Vision Destiny 2019

- Augustinian theology of an angry God has replaced the Perichoresis of a relational loving God.
- Penal retributive atonement has replaced loving substitutionary atonement.

# Vision Destiny 2019

- Punishment has replaced restoration
- Torment has replaced testing
- Repentance has become re-penance instead of the renewal of the mind.
- The wages of **the** sin (of Adam) have become eternal punishment instead of death
- The cross has become penal instead of restorative

# Vision Destiny 2019

- Love has been replaced by anger
- Hell has replaced the grave
- The letter has replaced the Spirit
- The mediatorial coverings of men have replaced the torn veil of the temple

# Vision Destiny 2019

- An open heaven has been closed
- Access to heaven through the way truth and life of Jesus the door has been replaced by death
- The new covenant of life has been replaced by the old covenant of death
- The law has replaced grace
- The faith of Jesus has been replaced by faith in Jesus

# Vision Destiny 2019

- Salvation by grace has been replaced by the salvation of works
- The earthly Aaronic priesthood has replaced the heavenly priesthood of Melchizedek
- Future fulfilment has replaced past fulfilment
- The end of the world has replaced the end of the old covenant

# Vision Destiny 2019

- The tribulation has replaced the celebration
- Rescue has replaced victory
- The destruction of all things has replaced the restoration of all things
- The new heavens and new earth representing a new temple wineskin has been replaced by the literal destruction of the world

# Vision Destiny 2019

- Parousia of presence has been replaced by parousia of coming
- Exclusion has replaced inclusion
- Separation has replaced reconciliation
- Preaching the good news of Jesus in people has been replaced by preaching the bad news among people
- The priesthood of all believers has been replaced by the priesthood of one believer

# Vision Destiny 2019

- The literal truth of an open heaven has been replaced by analogy and metaphor
- The bride has replaced the wife as the marriage had been made future not past
- The present New Jerusalem on earth has been replaced by a future New Jerusalem coming out of heaven
- The past resurrection has been replaced with a future resurrection

# Vision Destiny 2019

- The past judgment of the cross that all are innocent has been replaced with a future judgement for only the guilty
- All are made alive in Christ inclusive has been replaced by only those in Christ are made alive exclusive
- All will confess Jesus as Lord has been replaced by some will confess Jesus as Lord

# Vision Destiny 2019

- Being born from above has been replaced with being born again
- Being born from above through the resurrection has been replaced by being born again by praying a prayer of salvation
- Salvation of all by grace through the gift of Jesus' faith has been replaced by the salvation of some by their own faith

# Vision Destiny 2019

- Son, the realms of heaven need to be engaged relationally and functionally.
- The form is not as important as the function although the form does point to function, but according to a fractal expression.

# Vision Destiny 2019

- If you see how your being now functions as a wheel within a wheel within a wheel, spirit within a soul which is within a body and that body is within a dimension, then you can see how each dimensional realm functions.

# Vision Destiny 2019

- There are gateways or portals within each wheel of your being, each has a function and the inner core has the ability to extend over all the wheels and flow through all the wheels.

# Vision Destiny 2019

- As above, so below; as you are made in the image of God, so are the heavenly realms; and all dimensions have threes and sevens and nines and twelves.
- Everything within creation is patterned after the relationship between three, four, seven and twelve.

# Vision Destiny 2019

- $3 + 4 = 7$ ,  $3 \times 4 = 12$ ,  $3 \times 9 = 9$
- Son continue to issue the call; let the sound of heaven's desire vibrate with the love of My heart to create hunger for more and dissatisfaction of wilderness living.

# Vision Destiny 2019

- Call for the sons to arise and take their places in the realms of heaven to reconnect with creation to bring order, peace and restoration.
- Son, the full restoration of sonship will enable the full restoration of the creation order.

# Vision Destiny 2019

- Those who are beginning to see creation realities through the elemental creation orders are missing the point or making the point only personal.
- Creation itself is not inanimate but living; not as an individual created being but an essence of Spirit.

# Vision Destiny 2019

- The essence within all things is disconnected from the source because My children are disconnected from Me, the source of true life.
- Other sources have connected where My sons have failed to see the creation realities they are called to rule over.

# Vision Destiny 2019

- Sometimes I feel called and inspired to legislate
- I call for ambassadors to arise and come forth and take their places.
- I call forth a global network of those who will be chancellors for the preparation of the harvest.

# Vision Destiny 2019

- I assign the legions of the angelic host to carry the message of the book to reach those in the wilderness with the hope of more.
- I call for normalcy to be challenged and the cry of 'there must be more than this' to resonate within the hearts of those trapped in the religious systems of man

# Vision Destiny 2019

- I call for the storehouses to be made ready by sons who have risen and are seated on the benches of heaven and earth.
- I call for the seasons to be prepared to change from justice to grace

# Vision Destiny 2019

- I call for the circle of the deep to be aligned for justice to move into grace
- I call for the grace bombs from the weapons house to be charged and primed
- I call for the ambassadors who will provide the guidance for targeting and distribution to take responsibility

# Vision Destiny 2019

- I call for the maps of men to be revealed and compared to the maps and charts of heaven in preparation for grace explosions
- I call for targeting of nations, continents, people and language groups with the sound and frequency of heaven's call

# Vision Destiny 2019

- I call for restoration to begin to return the occupation of nations back to stewardship of heavenly kings
- I call for the governmental systems of man inspired by the greed and lust of the DIY tree to be exposed

# Vision Destiny 2019

- I call for the motives of hearts of those in power for selfishness and glory to be exposed and brought out of the shadows into the full light of truth
- I call for the shaking of the government of the religious and political systems

# Vision Destiny 2019

- I call for the infiltration of the DIY tree system into the political and religious arena to be exposed
- I call for all who are oppressed under the weight of the leaven of Herod and the Pharisees to rise up and throw off their shackles

# Vision Destiny 2019

- I call for the scandal of false religion and the false GOD to be exposed by love's true light
- Son you will see the true hearts and minds of those who will be challenged when you challenge the inerrancy of the Bible or its use within the majority of people's lives.

# Vision Destiny 2019

- The same bondage of confirmation bias that holds people to a particular theological position also traps them in the evangelical system that values and places a higher importance on book than relationship with Me in the spirit.

# Vision Destiny 2019

- The book has pre-eminence over the Spirit and without the Spirit the book has been used to condone and justify many principles and doctrines that are abhorrent to Me

# Vision Destiny 2019

- i.e. slavery, racism and apartheid, homophobia, capital punishment, hell, denominationalism, sectarianism, bigotry, war, conflicts, genocide and so many atrocities to name just a few.

# Vision Destiny 2019

- The book has been used to pervert My character and nature so much so that My children have been become atheists.
- The book has stories and content that point to Me and of course I can and do use it, but it is not the primary way I want to communicate with My children.

# Vision Destiny 2019

- I did not give the first Adam a book in the garden but walked with him in relationship.
- From the time of the first Adam to the last Adam, written stories replaced a face to relationship; and so Jesus related to the people using the methodologies of the day.

# Vision Destiny 2019

- The last Adam as the creative word who became flesh used the concept of “it is written” to point Satan to the truth but returned to the reality of true relationship by returning to the purity of a relationship not limited by interpretation.

# Vision Destiny 2019

- By using the statement that man cannot live by bread alone but “every word that comes from the mouth of God” this affirmed the face to face relational perspective also within the statement “My sheep shall hear My voice.”

# Vision Destiny 2019

- The written word has become a substitute and mediator replacing personal relationship with a book.
- The last Adam came to undo the wrong emphasis that has been placed on Moses and the law and restore a true relational perspective.

# Vision Destiny 2019

- He fulfilled the law and prophets through a love relationship and used parables and stories to redress the situations He faced where truth had been twisted into lies using the written record.

# Vision Destiny 2019

- Jer 8:8 “How can you say, ‘We are wise, and the law of the Lord is with us’? But behold, the lying pen of the scribes Has made it into a lie.”
- Scribes used written words to create lies using the law

# Vision Destiny 2019

- “You have heard it said”, man's interpreting the written records and creating their own traditions, “**but I say unto you**”.
- The full authority of the living, loving word of God revealed challenged their use of what had been written to form their own religion.

# Vision Destiny 2019

- Christianity has become a religion because of the same pharisaical use of a book that created Judaism.
- Substitute the Living Word for the written word and you will have restored relationship and sonship.

# Vision Destiny 2019

- Son, there will be greater challenges ahead so legislate that blind eyes will be opened and hard hearts will be softened.
- I AM is about to reveal our self and I AM is calling to the sons of men to come out from under the religious coverings of the theological systems and come into their inheritance and birthright as sons of the living, loving God.

# Vision Destiny 2019

- Love's light is shining and it will become brighter to penetrate the deception of religion and the veils that have substituted the letter for the spirit.
- I am that I am will release truth that will rock faith in the book to return My people to relationship.

# Vision Destiny 2019

- Love's light will shine like day in the night of people's darkness to reveal the true nature of I am to a world covered in deep darkness.
- It is time to arise and shine once again as in the beginning, before the fall into producing the DIY light of religion.

# Vision Destiny 2019

- Let the sons of God arise and come out of the wilderness to be seated with Me in the heavenly realms in their true identity, position and authority.
- Son, you cannot convince the ardent futurist through reason but the debate will release the truth to those who are open and I will change their hearts and minds.

# Vision Destiny 2019

- So let Me show you which debates to join and which to avoid but at all times let love be the motive of your heart.
- Son, the love I have for those who know Me can be no more or no less than those who do not yet know Me because I AM is love.

# Vision Destiny 2019

- I can never not be love; so all that I do in time and space is motivated by and a reflection of love.
- I am light so all light is a demonstration and revealing of love.

# Vision Destiny 2019

- All wavelengths and frequencies of love's light reveal love either by its presence or by its absence.
- A high frequency is because of love's resonant entrainment and a low frequency is because of living in darkness which is the absence of light.

# Vision Destiny 2019

- This truth is a constant reality; love's light is constantly shining but it is the mind that creates the false reality that veils and filters the truth.
- My children live within the matrix of deception and delusion that has conditioned their minds to believe in separation from Me.

# Vision Destiny 2019

- Nothing can be separated from the love of God because all live and move and exist in Me and in My love.
- Son, the battle is for the consciousness, the reality that the mind lives in.
- My desire is to renew the minds of My children so that their full potential of sonship will be manifested.

# Vision Destiny 2019

- My desire is to remove the conformity to the limitations of the DIY world system that they are trapped in.
- The language of the Spirit is desire-directed thought which has the power to create reality.
