

Vision Destiny 2019

- I will share my 2018 journals sequentially that will include:
- What God said and did in 2018
- What does that mean for 2019?
- What does God want to reveal and unveil to us 2019?
- What does God want us to do and where does He want to take us in 2019?

Vision Destiny 2019

- Please don't believe anything I say just because I say it
- If you resonate with anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

Vision Destiny 2019

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

Vision Destiny 2019

- Love is my plumb line for truth
- God said to me “If it is not unconditional love, it is not Me
- “If it is love, it is Me; and love must be unconditional and otherly, otherwise it is not love at all”
- Don't tell people how lost they are Show them how loved they are!

Vision Destiny 2019

- The mind of Christ has been released to bring true *metanoia* to this dimension.
- There are many dimensions calling to the sons of God to engage, bringing the freedom of love's light and glory

Vision Destiny 2019

- Son, you have been given the mandate to be the ambassador to those races who have made contact with whom you have previously engaged
- There will be more once the testimony of freedom is released.

Vision Destiny 2019

- Son, what I did not tell you is that you are the freedom, the light of love; and it is the expression of your glorious identity as sons that will be the frequency that restores hope and sets that part of creation free from its bondage.

Vision Destiny 2019

- Romans 8:19-21 For the anxious longing of the creation waits eagerly for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it, in hope that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.

Vision Destiny 2019

- You have met on neutral ground; now enter the dimensional portals and radiate love's light, which will release the truth of true sonship to those whose hearts are longing for the revealing of the sons of God

Vision Destiny 2019

- I went through the portal to beyond beyond, to the smaller statured people and I immediately felt the bondage to servitude and segregation that existed in this dimension.

Vision Destiny 2019

- Slavery, apartheid, caste system, the ruling classes subjugating; all the worst things that we had done were still fully operational, oppressing the masses in the most foul, heinous ways.

Vision Destiny 2019

- I could not be seen cloaked but then I saw it: a central obelisk, their version of the tower of Babel, connecting the ruling masses to a hive mind.
- This could be turned to connect the worker classes so I ascended in light and connected with the system, reversing the polarity of the circuit.

Vision Destiny 2019

- I sent out the frequency of hope; a message of love's light within sonship went forth, stirring the memory of more ancient paths.
- Freedom from bondage radiated from love's light and they are touched by sonship; not to create rebellion but, through love, a non-violent revolution.

Vision Destiny 2019

- The mind-sets of oppression and suppression can be thrown off when love's light infiltrates that society like leaven.
- The DIY code from earth is connected to creation itself, perverting and polluting creation with the true essence of antichrist.

Vision Destiny 2019

- Renewal of our mind is absolutely vital if we are to fully embrace our sonship
- We all need to be set free from the lies of religion and the lies that limit our true identity as sons of God
- It is time to actively pursue and embrace the deconstruction of our minds and the expansion of our consciousness

Vision Destiny 2019

- Renewal of the mind can come through many sources
- Lie busting, Caroline Leaf's cleansing toxic thinking
- Mindfulness and meditation
- Accessing states of consciousness
- De-stressing life and living from rest

Vision Destiny 2019

- Developing creative and intuitive thinking
- Deconstructing the mind
- Religious and cultural deprogramming
- Cognitive dissonance
- Discovering true reality
- Remapping the mind with eternal consciousness

Vision Destiny 2019

- Engaging our eternal memory
- Developing nonlinear thinking
- Connecting with creation
- Rewiring the mind
- Restoring lost ESP-type abilities
- Telepathy, transmutation, telekinesis, pre- and post-cognitive abilities

Vision Destiny 2019

- Expanding consciousness will allow us to create, choose and frame reality
- Translation in time and space
- Seeing from eternal and heavenly perspectives
- Free from the matrix of illusion

Vision Destiny 2019

- Multi-realms, nonlinear living is ultimately the goal for spirit and soul
- Spirit is continually within the omnipresence of God and is simultaneously in many dimensions
- A continual living sacrifice on the altar
- Standing within the heart of God in the eternal now

Vision Destiny 2019

- Standing within YHVH as YHSVH
- Standing within the 4 faces of God; Lion, Ox, Eagle, Man
- Seated on our heavenly thrones
- Active in the Chancellors' or other specifically mandated courts
- Continually engaging Wisdom and the 7 spirits of God

Vision Destiny 2019

- Positioned governmentally and relationally within the Tree of Life and within Metatron's cube, dimensionally engaging creation as beings of light

Vision Destiny 2019

- Free for assignments dimensionally beyond
- Flowing with eternal perspective, heavenly, kingly, prophetic, legislative and priestly perspectives, continually active, with our spirit and soul quantum entangled

Vision Destiny 2019

- Many streams of insight, perspective, wisdom, revelation etc. that are flowing like a heavenly river
- Increasing our capacity to function in sonship
- Our soul can be resonating with heavenly reality and able to shift to engage wherever we are in the heavenly realms and beyond

Vision Destiny 2019

- My soul is learning nonlinearity by being at rest and beginning to shift focus to connect with other realms consciously whilst still cognisant here
- I can now describe where I am in other dimensions while still engaged actively in this realm

Vision Destiny 2019

- Living and functioning with the mind of Christ (sonship thinking), accessing unlimited possibilities and choosing to create our reality from the heavenly and eternal perspective.

Vision Destiny 2019

- Frame time and space because you always have all that you need to do all that you are mandated to do.
- Time serves us as sons and we are able to contract and expand time; more effective and efficient, never too busy, never anxious or worried but ruling at rest.

Vision Destiny 2019

- Time travel and heavenly missions, being translated in time and space in the spirit or within spirit and soul cognitive experiences.
- Expanded levels of consciousness; continually being in delta wave state accessing theta wave and alpha wave states of creativity.

Vision Destiny 2019

- Son, you have a mandate to travel next year for strategic and governmental relationship building
- Developing ambassadors for the Joshua Generation and the Engaging God Programme.

Vision Destiny 2019

- You have permission to travel to India, Far East including Singapore and Hong Kong in the next few years
- South Africa is also a mandate that you can continue.
- You can continue with the relationships in Seattle and Winnipeg and develop Toronto further.

Vision Destiny 2019

- You can connect with new relationships and they can be pursued to open up new relationships in the US and the Far East and to help in the global establishment of cooperation and communication.

Vision Destiny 2019

- Son, where I am you are also. You are the desire of My heart and a constant eternal thought of pleasure in My mind.
- You are in Me, included in the circle of the eternal dance of I am and I am is in you; become more consciously aware of who I am and who you are as My son, and reality will bend to your desire as it bends to mine.

Vision Destiny 2019

- Son, heart to heart, mind to mind with us is the only fundamental truth that will fully unveil your potential as a son of the living God.
- Cardiognosis is the only true knowledge: heart to heart revelation, revealed only in true intimacy; all else is but the vanity of the soul.

Vision Destiny 2019

- Son, let it all go and trust Me alone. Focus on living loved and let Me open up the way, truth and life for you.
- Rest is your only need as it fully embraces love, joy and peace.
- Rest comes as you are at the end of yourself and at the beginning of Me.

Vision Destiny 2019

- Son, live loved and you will not fail to love living but living loving is your choice. You can be at constant rest when you are at peace with all men, as far as it is possible from your perspective.
- Forgiveness is the ultimate way to live loving, as it has always been represented by our willingness to sacrifice on behalf of others.

Vision Destiny 2019

- The blood on the foundation stone of creation has meant relationship has always been possible from our part but man's insistence on earning relationship through DIY methods has kept us apart and has kept man living in the futility of a mind of unworthiness and lost identity.
- Son, you are loved you are included and you are a valuable treasure within our heart.

Vision Destiny 2019

- Son, the restoration of all things must be the focus of sonship.
- The revealing of My mature sons is the key to answering creation's groaning and bringing about restoration to My original intention.
- The full scope of restoration will be unveiled to My children as they mature in sonship.

Vision Destiny 2019

- Son, few can handle the whole truth so I unveil it progressively; but the truth will always be called heresy by those who defend the previous generations' partial or misinterpreted understanding.

Vision Destiny 2019

- Jesus was called a heretic, demon possessed and a lunatic by those who were challenged by the truth He progressively unveiled and it will be the journey most forerunners have to face.
- Son don't hold back; continue to slay the scared cows of religion, of which 'the Bible as God's word' is the most fiercely defended

Vision Destiny 2019

- When the reference point for religion is removed, those without the true intimacy of a face to face relationship with Me entrench and defend their doctrines and theologies and kill the forerunner prophets of the fresh revelation.

Vision Destiny 2019

- My disciples could not receive and bear the whole truth in the early church and so has it been with each subsequent generation.
- Son, be very careful that it does not become the same with you. Continue to be open to My voice and don't lean to your own understanding.

Vision Destiny 2019

- The mark of religion is the defence of its doctrines by becoming rigid, sectarian, exclusive, creating factions and building monuments to the past called 'denominations'.

Vision Destiny 2019

- When any group begins to exclude others from relationship based on hard and fast doctrines, the writing is on the wall for them.
- Son, use the *Restoration intensive* to create open dialogue, a place of honour and a safe place for exploration, and I will unveil My presence.

Vision Destiny 2019

- The end of the old is always the birth pangs of the new and has always been a place of persecution and conflict.
- Son, don't allow the conflict of others stop you from living loving and being at peace with all men.

Vision Destiny 2019

- The reality of the new covenant age, which is the fulfilling of all the covenants and promises in Jesus, is always challenged by those who want to keep people as slaves to the old mediatorial systems devised by men.

Vision Destiny 2019

- Sonship is living in the new covenant age and embracing the progressive unveiling of true reality in the ages to come.
- The restoration of all things must begin with the restoration of true intimacy within a face to face relationship of innocence.

Vision Destiny 2019

- Son, the battle lines are being drawn by those within the new who are fearfully reverting to the safety of the old; do not get drawn into a fight and do not dishonour those who have gone before.
- Son, being able to honour and respect others in the face of criticism and attack is the hallmark of maturity.

Vision Destiny 2019

- Son, you must point out the signs as warnings to those who might be led astray by reputation, position and celebrity status; but still maintain honour and love.

Vision Destiny 2019

- Son, the issues are always variants of money, status and power, but can become very subtle trading floors and are hidden traps waiting for the complacent to fall into.

Vision Destiny 2019

- Whenever identity is created and caught up in the knowledge and revealing of truth rather than the purity of relationship with Me it will create a defensive position to exclude others from.

Vision Destiny 2019

- Son, there will always be a beyond in relationship with Me as there is always something deeper and something higher within I AM to explore and discover.
- Son, never settle for the safe place boldly go beyond, to beyond, to beyond.

Vision Destiny 2019

- Son, establishing and maintaining kingdom relationships will always need to be your priority within the strategic purposes that are available to you.

Vision Destiny 2019

- I desire to open up new nations, continents and language groups through the legislation and the administration of the ambassadors groups but you will need to keep them focused.

Vision Destiny 2019

- There are many obstacles and barriers that will need to be overcome and removed for new connections to be made.
- The Joshua Generation must arise as sons and begin to shine on earth as they are positioned in heaven this is the hardest task.

Vision Destiny 2019

- Establishing a physical beachhead on earth with the correct spiritual and relational foundations is the biggest challenge.
- The people that I am mandating with scrolls and blueprints are failing to heed the call.

Vision Destiny 2019

- There are many wrong mindsets about leadership, intellectual qualifications, skills and abilities that are restricting My children from maturing into sonship and taking the responsibility that I am giving them.

Vision Destiny 2019

- Many are still under the bondage of the old church systems and loyalties but I am calling them out of the old to establish the new on earth as it is in heaven.

Vision Destiny 2019

- Through the ambassadors, release the call and amplify the sound to target those people and areas that I will reveal.
- I AM is calling My children out of the shadows and coverings to come into the light and take responsibility.

Vision Destiny 2019

- Let the sound and light calling for My sons to arise intensify.
- Let the sons of God arise and take their places in heaven and on earth.

Vision Destiny 2019

- Prepare your hearts and minds and be ready for action; if you, My children, fail to respond, I AM will turn up the heat and bring you into a season of intensity where My consuming fire will fall to purify and refine.

Vision Destiny 2019

- Fear of responsibility and lack of identity (therefore, inadequacy) is what the fire will consume; so let the call go forth to prepare your hearts and minds.
- Let the sons of God arise; let My perfect love consume all fear.

Vision Destiny 2019

- Let the love bombs of heaven be released to explode over the fearful, timid and hesitant.
- Let love's power be released to set My people free from the traps and snares of fear that they are caught in.
- Let the sons of God arise!

Vision Destiny 2019

- In summary, what do I see that is on the heart of God for 2019 and beyond?
- Unity and honour that places relationship above the differences
- Love's light – God's nature and essence revealed more intimately
- Lifting off the bucket of religion that veils the arising and shining of sons

Vision Destiny 2019

- Deconstruction and renewal of the mind
- Inclusive message of Acts 17: we all live, move and exist within God and are God's children
- Rest – Meditation and mindfulness

Vision Destiny 2019

- Son, I AM is at rest and at work in rest; that is the key to living life in a fulfilled and contented way.
- Son, do the same. Live from the centre of Our being, within the circle of the dance and our conversation.

Vision Destiny 2019

- Son, live empowered from within
Our thoughts and let those
thoughts keep you in love, joy and
peace which are the foundations
of rest.
- Rest is an expression of trust in Me
and our ability to protect, provide
and direct.

Vision Destiny 2019

- Rest is trusting that I am good and all that I do is motivated by love and is designed to bless you and enable you to be a blessing to others and to creation itself.

Vision Destiny 2019

- Son, you have only just begun to engage the surface of My love; you will be able to plumb the depths of love as deep is calling you to come deeper into Me.
- Son, you can't even begin to imagine how deep is My love, as I am infinite; there is no end, no bottom, no top, no sides to My love.

Vision Destiny 2019

- Love is infinite and therefore can never run out, can never be overcome, can never be escaped, can never be finite or explainable but can be wonderfully experienced.

Vision Destiny 2019

- Son, it is only love that can truly redeem, reconcile and restore, and therefore bring about the transformation of those who are lost in self-identity, futility and vanity and are therefore broken, fragmented and separated in their own minds.

Vision Destiny 2019

- Son, love is I AM and love is the only power in all of creation that can restore My lost children back to My gloriously intended sonship.

Vision Destiny 2019

- Son, there is no end, there is no beginning, there is just I AM; and you are in the centre of My heart's desire and My vast sum of thoughts about you in face to face innocence.

Vision Destiny 2019

- Son, live from within the rest of love's embrace: live loved, love living and live loving.
