

Vision Destiny 2020

- I am going to review some of the things that were key in 2019
- I will share my journals that will include:
 - What God said in 2019
 - What God did in 2019
 - What does that mean for 2020?

Vision Destiny 2020

- What heavenly season are we in now?
- What has God said for 2020?
- What does God want us to do in 2020?
- Where does God want us to go in 2020?

Vision Destiny 2020

- Please don't believe anything I say just because I say it
- If you resonate within anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

Vision Destiny 2020

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

Vision Destiny 2020

- Some of the major themes during 2019
- The restoration of all things
- The oracles of the Father's heart
- Love's light
- Happy eschatology
- Joshua generation arising in sonship

Vision Destiny 2020

- Intimacy with the Father is the only way we are going to fully mature as sons of God
- Intimacy comes by encounters not by intellectual ascent through study
- Christianity has become a religion when it began as a relationship

Vision Destiny 2020

- Christianity has become a religion based intellectual understanding rather than experiential encounter
- There is more reliance on a book the early church did not have rather than the Spirit they were filled with
- Modern evangelicalism's using the Bible as a mediator is the primary reason

Vision Destiny 2020

- 2 Tim 2:15 **Study** to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the **word of truth**. KJV
- 2 Tim 2:15 Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth. NASB

Vision Destiny 2020

- 2 Tim 2:15 Without any delay live your life from a place where you are familiar with the complete approval of God; you do not need to apologize for the fact that your experience might be a contradiction to your faith! What God believes about you needs no defence!

Vision Destiny 2020

- 2 Tim 2:15 There is such an immediate authority in clarity! Truth triumphs over every contradiction! It makes a clear-cut division between light and darkness; the word of truth shows distinctly that the duty-driven law of works and annoyances and the love-driven law of perfect liberty have nothing in common! Mirror

Vision Destiny 2020

- The word we engage with is not the Bible that came 330 years later
- Word Greek logon a word, speech, divine utterance
- This is not written words but words spoken by the living word Jesus to us directly
- “My sheep hear My voice” not My sheep will read My book

Vision Destiny 2020

- Hermeneutics: the branch of knowledge that deals with interpretation, especially of the Bible or literary texts.
- The systematic study of the principles and methods of interpretation of the Bible
- This has replaced relationship

Vision Destiny 2020

- This is not in reality about God at all but has become all about the Bible
- Exegesis: Explaining the meaning of the text of the Bible i.e. What the author meant when he wrote to people of the day
- Does that really matter as we can have direct relationship today

Vision Destiny 2020

- Homiletics: Practical approach of the meaning of the text of the Bible for us today
- Do we need the Bible to tell us how to live our daily lives when we have the Spirit of truth and the living word of God in us so we can do what we see and hear the Father doing and saying

Vision Destiny 2020

- Eisegesis: Reading a meaning into the text of the Bible which was not in the original because of a bias of the interpreter.
- This has become the evangelical Christian life.
- Most of the Bible was not written to us or for us today.

Vision Destiny 2020

- The Bible can be a letter of introduction and there are some eternal truths but modern interpretation has often misrepresented who God really is
- The evangelical way read your Bible and pray every day trying to live out modern English interpretations that were mostly not meant for us

Vision Destiny 2020

- We have developed intellectual approaches to the study of the Bible to understand it as the way of understanding and relating to God
- Yet we have missed the real point we can have an intimate relationship with God where He talks to us directly without the need for the mediation of the Bible

Vision Destiny 2020

- Love is the highest governing principle of all creation
- Therefore when debating truth and biblical hermeneutics **love should still be the highest governing principle in bible interpretation**
- Love keeps no record of wrongs neither should we – don't divide over doctrine

Vision Destiny 2020

- Evangelical assumptions that have been made concerning the Bible that have shaped Christianity and influenced most of us in some way
- The Bible has been accurately translated into English - wrong
- The Bible is perfect inerrant and infallible – it does not say that itself

Vision Destiny 2020

- With study the Bible is understandable – no with the Spirit the Bible can be experienced
- God primarily chooses to speak to us today through the Bible – wrong God wants to talk to us directly but we have restricted Him to using the Bible

Vision Destiny 2020

- God has chosen written words to communicate with us – wrong He promised to speak to us directly
- The Bible is complete and therefore God has stopped speaking to us authoritatively today – wrong He is still inspiring

Vision Destiny 2020

- To me my journals are God speaking to me authoritatively today
- My journals are scripture (inspired writings) to me
- I do not expect you to treat them as scripture to you
- If you resonate with anything take it back to God for direct revelation yourself

Vision Destiny 2020

- **God is love** this vital truth must be applied to everything including all Bible interpretation
- Bible interpretation should deepen our appreciation and experience of God's love – does it?
- Any Bible interpretations that lessen or diminish God as love must be inherently and fundamentally flawed

Vision Destiny 2020

- The use of love as our interpretive tool will lead to a deeper understanding of the very nature, essence and character of **I am** by revealing love as God's intrinsic glory
- Making love conditional reveals a critical judgmental quality that makes love based on obedience

Vision Destiny 2020

- Using love as our plumb line it is easier to decide which doctrinal truths and theological positions are aligned with **God is love** and those that are man made deceptions of the DIY tree religious mind-set
- Confirmation bias causes us problems if we are not open to Spirit

Vision Destiny 2020

- In Bible interpretation how the Father's love is interpreted will determine the value of that interpretation
- "If it is not unconditional love it is not Me"
- "If it is love it is Me and love must be unconditional and otherly otherwise it is not love at all"

Vision Destiny 2020

- Old Covenant vs New Covenant thinking.....
- Old Covenant - love the Lord your God with all your heart, with all your soul and with all your mind and your neighbour as yourself (Luke 10:27)
- This is a statement of obligation and duty not one birthed by loving desire

Vision Destiny 2020

- Loving God is not the greatest thing you can do -- that was the greatest commandment UNDER the law.
- You will only end up frustrated and condemned trying to love God with all your heart, soul and mind because it's a legalistic approach.

Vision Destiny 2020

- John 13:34 A new commandment I give to you, that you love one another, **even as I have loved you**, that you also love one another.
- This is a response to being loved so that freely we have received freely we are inspired and empowered to give love

Vision Destiny 2020

- New Covenant - we love because He first loved us (1 Jn 4:19) when we focus on His love for us and grow in our experience of that, then love for Him will naturally, effortlessly be our response
- The law was a ministry of death and condemnation. **We are under grace NOT the law.**

Vision Destiny 2020

- When you hear commandment do you automatically think law and therefore duty, obligation and punishment for failing to keep it?
- We are conditioned by old covenant thinking and often miss the reality of the new covenant

Vision Destiny 2020

- Hebrew mitsvah while translators usually translate this word as "command," the more Hebraic definition is "to direct," a concrete concept meaning "to show or point out a path." God is not a general barking orders but a guide.

Vision Destiny 2020

- The Biblical Greek word used to translate the Hebrew word mitsvah is entole [G:1785] and is a combination of the word en [G:1722], meaning "in" or "with," and telos [G:5056] meaning "end" or "goal." Entole literally means "with a goal" and is very similar to our Hebraic understanding of the mitsvah as a direction.

Vision Destiny 2020

- Jesus, inclusive of us, has reached the goal for us and as us in His human experience
- Rather than thinking in terms of the finished work of Christ, we ought to think of Christ, God's finished Man, inclusive of us.

Vision Destiny 2020

- He has already given us the glory that He had with the Father before the world began, and has given that to us in our union with Him.
- We have the Spirit of truth as a guide to help us desire to walk in relationship. We do not need fear based duty or obligations

Vision Destiny 2020

- The starting point is the love of God for us... out of that love we will be able to love Him, ourselves, and others.
- The delusion of still being under the law has kept God's children in bondage and restricted true sonship

Vision Destiny 2020

- **God IS Love...** it's His nature, it's who He is. He can't be anything else.
- He's NOT part love and part something else.
- He is ALL Love for ALL. And EVERYTHING He does flows out of Love.

Vision Destiny 2020

- God is NOT insisting or requiring that you love Him... His love is unconditional.
- He loves you regardless if you ever love Him back.
- That is the basis of grace and mercy it is unconditionally given

Vision Destiny 2020

- We can only hear what we are willing and ready to hear.
- Some are neither because of the real cost of the implications of that message. – Chuck Crisco
- What God is revealing about Himself and love is challenging to the old religious mind-sets

Vision Destiny 2020

- As our relationship and intimacy with God as our heavenly Father deepens in face to face innocence and is redefined so will our biblical interpretation
- We will using an unconditional love hermeneutical tool that will be sharpened by this ongoing process of experiential revelation

Vision Destiny 2020

- Engaging the spiritual realms is both an exploration and an adventure an amazing journey of discovery
- Engaging these realms brings both relationship and responsibility
- Face to face intimacy with God leads us to discover our positions of heavenly governmental authority

Vision Destiny 2020

- In 2019 my major focus was “The Restoration of All Things” conference and teaching series
- It is a passion of God’s heart for His sons to arise and take their places of identity and authority in the heavenly realms so heaven can manifest on earth

Vision Destiny 2020

- God is also passionately committed to “The Restoration of ALL Things” and His desire is to reveal us as His manifested sons to answer creation’s groan
- Rom 8:21 that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.

Vision Destiny 2020

- As sons of God we have relationship with the Father that leads to responsibility
- We need to take our heavenly positions, seated and enthroned to legislate the kingdom in heaven to manifest heaven on earth
- What is the primary purpose of all the legislation that we do?
- What are we looking to accomplish?

Vision Destiny 2020

- The context of legislation should be the restoration of all things back to God's original desire and intent
- We need to embark on a journey to discover the full meaning of the restoration of all things
- We need to look at the scope of restoration and the part we all have to play in restoration as sons of God

Vision Destiny 2020

- I believe we are going to see Love overcome the greatest darkness and a new era of Light birthed across the Earth.
- The end result there will be no war, no sickness and a restored world. How can we know this? The future is already agreed and when it comes it will change quickly. "I, the Lord, will hasten it in its time." Isaiah 60.22 - Justin Abraham

Vision Destiny 2020

- Acts 3:19 Therefore **repent** and **return**, so that **the sins** may be wiped away, in order that times of **refreshing** may come from the **presence of the Lord**; 20 and that He may **send Jesus**, the Christ appointed for you, 21 whom heaven must receive until the period of **restoration of all things** about which God spoke by the mouth of His holy prophets from ancient time.

Vision Destiny 2020

- Our sonship is the only hope for restoration
- If we are not restored then creation will not be restored
- The restoration of all things begins with Jesus working in us now not in a future event of His coming one day in the future

Vision Destiny 2020

- Son I told you a shift is coming for 2020 this is for you and for the Joshua Generation.
- I will open new doors of opportunity to take the restoration of all things message of true hope further.

Vision Destiny 2020

- You are to not hold back but boldly and courageously in love challenge the religious mindsets that restrict and limit My children becoming mature sons.
- Speak the truth in love to challenge those mindsets

Vision Destiny 2020

- Son you carry the oracles of My heart so express the deep love I have for all things with the same passion, burning desire and overwhelming love and live life to the full with My intense joy and deep compassion.

Vision Destiny 2020

- Legislate with the oracles as your motivation.
- For the Joshua Generation there is a choice to possess the land or settle for the security of the old.
- The intensity of the challenge will increase as the opposition tries to resist from within and without.

Vision Destiny 2020

- Son I am that I am will release greater grace to those who will establish Embassies of heaven on the earth.
- With the intensity of the opposition comes greater grace to overcome with love, joy and peace.

Vision Destiny 2020

- The blue light call to connect and gather will resonate with greater grace and the empowerment to overcome with love in rest.
- For those who respond to begin to gather there will be equipping and releasing with new mantles, weapons and scrolls.

Vision Destiny 2020

- Son the oracles of My heart for restoration carry the precepts, statutes and laws that will release the ordinances of greater grace.
- Son do not look for the signs of the past but look for the signs and sounds of the new things that I am about to do.

Vision Destiny 2020

- The old methods will not accomplish what is needed for the next season of grace there will be new expressions of grace for those who will leave the old ways behind.

Vision Destiny 2020

- The principle of latter glory is true but the former glory people never want it to end.
- There can not be the new grace until the old grace has ended and they will fight for it to remain
- There will be death knells of the old amongst the birth pangs of the new

Vision Destiny 2020

- The signs of the end of the old will be the signs of the greater grace of the new it is always confusing and messy.
- Don't get caught up in the end of the old but focus on establishing the new and live loved at all times so you can truly love living and by choice in the face of opposition live loving.

Vision Destiny 2020

- The political maelstroms that are going on in many places around the world are just a picture of that which are going to take place spiritually in the revolution of restoration that is coming.

Vision Destiny 2020

- There are no answers and solutions to be found using the political and religious spirit but there will be greater grace that comes from functioning in the opposite spirit.
- Bless those who curse you!

Vision Destiny 2020

- Those resisting the new will expose themselves using the religious and political spirit to those discerning enough to see through the charisma to see the absence of the fruit of love within their character.

Vision Destiny 2020

- The fruit of lovingkindness is the true hallmark of the new expressed as My oracles motivating the restoration of all things.
- Limited conditional love is expressed as the uniformity of agreement but true unconditional love is revealed in the unity of relationship.

Vision Destiny 2020

- Unconditional loving relationship is what the essence of who I am is and the precept expressed through My oracles will inevitably lead to both deconstruction and renewal of the mind that confirms restoration.

Vision Destiny 2020

- The death knell of the deconstruction of the old is the sound of the birth pangs of the new.
- Son do not be afraid to embrace the deconstruction of the old so the new can be revealed.

Vision Destiny 2020

- Include the truth about transition from old to new both in government and structures and their difficulties with honesty.
- Those transitioning find it very difficult to let go of the old mindsets, systems, positions of power and structures that they are comfortable with because of the identity that they give.

Vision Destiny 2020

- Becoming an amateur in the new is so difficult for those who have been professionals in the old.
- This is why transitioning is so difficult as new foundations cannot be laid over the old but have to be relationally established with new footings that are truly new not just rehashing the old.

Vision Destiny 2020

- The old hierarchical mediatorial covering structures cannot coexist with the new relational foundations.
- I legislated for this change by helping to establish Ambassadors groups to represent the Joshua Generation

Vision Destiny 2020

- Legislation produced in 2019 was
- The Law of Ambassadorship
- Legislation for the Oracles of the Father's heart
- The law and legislation for rest
- All these laws and legislation can be used if you have the mandate

Vision Destiny 2020

- The Law of Ambassadorship
- Ambassadors with the word and ministry of reconciliation
- - 2 Corinthians 5:18-20 Now all these things are from God, who reconciled us to Himself through Christ and gave us the ministry of reconciliation, namely, that God was in Christ reconciling the world to Himself, not counting their trespasses against them,

Vision Destiny 2020

- 2 Corinthians 5:18-20 and He has committed to us the word of reconciliation. Therefore, we are ambassadors for Christ, as though God were making an appeal through us; we beg you on behalf of Christ, be reconciled to God.

Vision Destiny 2020

- 2 Cor 5:18-20 The idea of mankind's co-inclusion in the death and resurrection of Jesus Christ is entirely God's doing! To now realize that God has indeed brought final closure to the old and for us to see everything and everyone in this new light is to simply see what God has always known to be true about us in Christ

Vision Destiny 2020

- 2 Cor 5:18-20 we are not debating human experience, opinion, or their contribution; this is exactly what God believes. In Jesus Christ, God exchanged equivalent value to redeem us to himself. He went to the highest extreme in this act of reconciliation to persuade us of our original worth!

Vision Destiny 2020

- 2 Cor 5:18-20 This God has given us as the mandate of our ministry. Our ministry declares that Jesus did not act independently of his Father. God was present in Christ when he reconciled the total kosmos to himself. Deity and humanity embraced in him; the fallen state of mankind was deleted; their trespasses would no longer count against them! He now announces his friendship with every individual from within us!
