

Vision Destiny 2020

- I am going to review some of the things that were key in 2019
- I will share my journals that will include:
 - What God said in 2019
 - What God did in 2019
 - What does that mean for 2020?

Vision Destiny 2020

- Some of the major themes during 2019
- The restoration of all things
- The oracles of the Father's heart
- Love's light
- Happy eschatology
- Joshua generation arising in sonship
- Rest

Vision Destiny 2020

- Son I told you a shift is coming for 2020 this is for you and for the Joshua Generation.
- I will open new doors of opportunity to take the restoration of all things message of true hope further.

Vision Destiny 2020

- You are to not hold back but boldly and courageously in love challenge the religious mindsets that restrict and limit My children becoming mature sons.

Vision Destiny 2020

- Son you carry the oracles of My heart so express the deep love I have for all things with the same passion, burning desire and overwhelming love and live life to the full with My intense joy and deep compassion.
- Legislate with the oracles as your motivation.

Vision Destiny 2020

- For the Joshua Generation there are choices; possess the land or settle for the security of the old.
- The intensity of the challenge will increase as the opposition tries to resist from within and without.
- Son I am that I am will release greater grace to those who will establish Embassies of heaven on the earth.

Vision Destiny 2020

- With the intensity of the opposition comes greater grace to overcome with love, joy and peace.
- The blue light call to connect and gather will resonate with greater grace and the empowerment to overcome with love in rest.

Vision Destiny 2020

- For those who respond to begin to gather there will be equipping and releasing with new mantles, weapons and scrolls.
- Son the oracles of My heart for restoration carry the precepts, statutes and laws that will release the ordinances of greater grace.

Vision Destiny 2020

- Son do not look for the signs of the past but look for the signs and sounds of the new things that I am is about to do.
- The old methods will not accomplish what is needed for the next season of grace there will be new expressions of grace for those who will leave the old ways behind.

Vision Destiny 2020

- The principle latter glory is true but the former glory never wants to end.
- There cannot be the new grace until the old grace has ended and it will fight to remain
- There will be death knells amongst the birth pangs.

Vision Destiny 2020

- The signs of the end of the old will be the signs of the greater grace of the new it is always confusing and messy.
- Don't get caught up in the end of the old but focus on establishing the new and live loved at all times so you can truly love living and by choice in the face of opposition live loving.

Vision Destiny 2020

- The political maelstroms that are going on in many places around the world are just a picture of that which is going to take place spiritually in the revolution of restoration that is coming.

Vision Destiny 2020

- There are no answers and solutions to be found using the political and religious spirit but there will be greater grace using the opposite spirit.

Vision Destiny 2020

- Those resisting the new will expose themselves using the religious and political spirit to those discerning enough to see through the charisma to see the absence of the fruit of love within character.

Vision Destiny 2020

- The fruit of lovingkindness is the true hallmark of the new expressed as My oracles motivating the restoration of all things.

Vision Destiny 2020

- Limited conditional love is expressed as the uniformity of agreement but true unconditional love is revealed in the unity of relationship.

Vision Destiny 2020

- Unconditional loving relationship is what the essence of who I am is and that precept expressed through the oracles will inevitably lead to both deconstruction and restoration.

Vision Destiny 2020

- The death knell of the deconstruction of the old is the sound of the birth pangs of the new.
- Son do not be afraid to embrace the deconstruction of the old so the new can be revealed.

Vision Destiny 2020

- Include the truth about transition from old to new both in government and structures and their difficulties with honesty.
- Those transitioning find it very difficult to let go of the old mindsets, systems, positions of power and structures that are comfortable because of the identity that they give.

Vision Destiny 2020

- Becoming an amateur in the new is so difficult for those who have been professionals in the old.
- This is why transitioning is so difficult as new foundations cannot be laid over the old but have to be relationally established with new footings that are truly new not just rehashing the old.

Vision Destiny 2020

- The old hierarchical mediatorial covering structures cannot coexist with the new relational foundations.
- Son Isa 61 DNA is the foundation so return to the simplicity of that truth and encourage participation.

Vision Destiny 2020

- Expanding the quality is key not focusing on the quantity release the healing restoring and equipping ministry.
- Son start with those you can influence the most and this will expand as others join the centre to help facilitate.

Vision Destiny 2020

- If you don't gather you cannot be an Ekklesia and you will have no local government.
- Gather together regularly for food and fellowship and testimony in homes and include the move on houses in those gatherings.

Vision Destiny 2020

- Belonging to family is the key to growth so provide a family atmosphere for love, joy and peace to flourish.
- Son issue the call and keep the sound resonating for the mandate for the Joshua Generation to be fulfilled locally as well as globally.

Vision Destiny 2020

- Fellowship is an opportunity to communicate and share and therefore support and encourage each other.
- This is the crucial time the death knell of the old must become the birthing pangs of the new.

Vision Destiny 2020

- Coming to the end of DIY understanding will enable the tree of life revelation to be unveiled.
- On earth as it is in heaven begins with earthly relationship but that context must be seen through heaven's lens.

Vision Destiny 2020

- The heavenly blueprint can only be established on earth by legislating for the preparation in heaven.
- Being seated in heaven to release heaven's authority into the earth is the only way a new order Ekklesia will rise from the ashes of the old.

Vision Destiny 2020

- New mindsets will enable new practices on new foundations. You cannot change the mind-set by changing the practice.
- The only way to change a mind-set is through encounter so facilitate encounters and I will transform the beliefs to enable the Ekklesia to rise.

Vision Destiny 2020

- Abundant life flows through relationship and not meetings but true relational gatherings will facilitate an increase in the flow of the tree of life and fruitfulness.
- The early church is only an example but it can be transposed into today's culture.

Vision Destiny 2020

- Acts 2:42 They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.
- Acts 2:46 Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart,

Vision Destiny 2020

- Continually
- Devoting
- To new covenant teaching
- Fellowship
- Breaking Bread
- Prayer encounters

Vision Destiny 2020

- Daily
- One mind unity of heart and purpose
- House to house
- Eating together
- Joy
- Heart to heart relationship

Vision Destiny 2020

- Father I present myself to you upon the altar as a living sacrifice.
- Here am I send me as Ambassador for the Joshua Generation to do your will Father.

Vision Destiny 2020

- I embrace my destiny as a son of God to answer creation's groaning and by being restored to mature sonship be revealed on the earth as I am in heaven.

Vision Destiny 2020

- The 2020 shift what is my role within it Father?
- Son remember the prophetic timetable of overlapping seasons?
- Continue to release the call to sonship to engage My heart,

Vision Destiny 2020

- Continue to release the call for transformation to remove the stumbling blocks of religion and old covenant thinking
- Continue to release My judgement to end the old systems of religious government,

Vision Destiny 2020

- Continue to call for the harvest of harvester to come out of the wilderness into the promise land beyond the veil

Vision Destiny 2020

- Continue to call for the shaking of the systems of the DIY tree both within and without, continue to call for the deconstruction and expansion of consciousness,

Vision Destiny 2020

- Continue to call for the rising and shining of the Joshua generation within the rising of the mountain of the house of the Lord,
- Continue to call for new order Ekklesia and Embassies of heaven to be established on earth according to heavenly blueprints,

Vision Destiny 2020

- Continue to administrate the seasons for aligning the circle of the deep and the 12 High Chancellor's Houses.
- Son I am about to release the next season of greater grace to those of My children who have embraced the grace expressed within the restoration of all things revelation.

Vision Destiny 2020

- Son for those who are resisting the grace message of restoration the season of deconstruction will continue and there is still grace for that process.

Vision Destiny 2020

- The greater grace that will lead to grace upon grace will be missed by those who are becoming rigid within the cycle of judgment that is coming upon them.

Vision Destiny 2020

- As they judged the old systems so they are now reaping what they sowed and are seeing up the same systems under new names in delusion.

Vision Destiny 2020

- This judgment is not to death but to life if they will but acknowledge their darkness and embrace the light of grace is still shining.

Vision Destiny 2020

- Those forerunners are taking people back into the wilderness of the old covenant Jewish systems of law based living in the illusion of freedom but they are in fact in the delusion of the old dressed up as new.

Vision Destiny 2020

- They are living in the delusion of thinking that they are living beyond the veil of Jordan but in fact they have now settled back into deception of wilderness living just like the 2 and a half tribes of old.

Vision Destiny 2020

- Son the one new man in Christ message of new covenant realised eschatology must be revealed along with the restoration of all things to the mystic community to free them from this bondage to the old covenant festivals, dates, customs and language of Jewish mysticism.

Vision Destiny 2020

- The mystic community must not settle for the old covenant, old Jerusalem, old physical symbols, traditions and customs of the shadows and types when the new covenant, New Jerusalem reality of the one new man in Christ is a here and now present reality not a veiled future hope.

Vision Destiny 2020

- Son all the promises and all the covenants that I as Father have made to My children are all fulfilled and realised in My Son and are present realities to embraced and enjoyed.

Vision Destiny 2020

- Son the shift to the greater grace that is coming will only be fully experienced by those who have embraced the transformation and deconstruction of the last season of justice.

Vision Destiny 2020

- Justice is the outworking of the judgement that was released from the Council of 70 in 2014 that began with the new beginning and the new generation in 888 8th August 2015.

Vision Destiny 2020

- That marked the beginning of the end of the old order government and the unveiling of the restoration of all things agenda for the Joshua Generation.

Vision Destiny 2020

- Those forerunners who have begun to experience deeper love and the oracles of My heart are being motivated by restoration and they will be blessed and empowered by greater grace during this next season.

Vision Destiny 2020

- I am continuing to reveal the deception that has its roots in the fruit of the poisonous tree that is Brethrenism but there is great resistance but I will not stop until the truth is revealed.
- Restoration is the emphasis of greater grace firstly restoring truth about all things and its full meaning.

Vision Destiny 2020

- Then will come the practical demonstration of the restoration of those presently within the fire of My consuming love before the truth of dimensional restoration and angelic restoration becomes fully revealed.

Vision Destiny 2020

- My children must begin to take responsibility for the restoration of their family lines by engaging with the transforming fire of My love themselves to prepare them for taking the good news of redemption, reconciliation and restoration into the fire.

Vision Destiny 2020

- Once this season of grace is in full flow the greater grace necessary to restored the angelic realm will be released so that creation can begin to be restored from its bondage to corruption.

Vision Destiny 2020

- Once this greater grace is in full flow the grace upon grace necessary for the restoration of other dimensional beings will be released.

Vision Destiny 2020

- Son you have been willing to be a forerunner for grace, greater grace and grace upon grace and have experience the opposition that this causes so do not become weary of doing good.

Vision Destiny 2020

- Love that is experienced is the same love that can be released
- Restoration is the ministry of love that incorporates redemption, reconciliation and restoration without limitations, barriers or boundaries.

Vision Destiny 2020

- Son no one escapes love as everything and every one can only exist within Me and I am love.
- Love can be resisted but the illusion of separation and exclusion perpetuated by religion cannot overcome love.

Vision Destiny 2020

- Son nothing can overcome Me as love has won, love wins and love will win. I am love and I am cannot be resisted forever as do not give up or fail no more than I am can cease to be I am.

Vision Destiny 2020

- Love conquers all because love has already overcome the greatest enemy that is death which has no lasting sting.
- Love won before the foundation of creation and love won in time and space and love is the continual eternal now constant.

Vision Destiny 2020

- Who I am is the battle that is raging. Those opposing the restoration of all things message are actually trying to diminish I am to the DIY version which is but a figment of men's religious imagination without realising.
- The power of My love is limitless as I am is by definition omniscient, omnipotent and omnipresent so is love.

Vision Destiny 2020

- Love is all powerful, all knowing and everywhere that is why separation is a delusion and deception and turning the consuming fire of My love into a place of punishment instead of refining restoration is absurd.

Vision Destiny 2020

- Son take this message beyond and do not stop and My grace, greater grace and grace upon grace will bless you abundantly.
- Son enter rest and focus living in love, joy and peace.

Vision Destiny 2020

- Develop this state in every circumstance and situation by practicing how to live loved no matter what appears to be going on around you.

Vision Destiny 2020

- Practice how to live loving and look for things to be thankful for
- Seek first kingdom opportunities to be fruitful and increase by subduing and ruling over the circumstances in every situation by administering peace from peace

Vision Destiny 2020

- Live with a positive can do attitude and an expectancy that sees the potential in every circumstance and situation.
- Practice living loving by choosing to forgive and release in every situation and circumstance and love will win and overcome.

Vision Destiny 2020

- Son learn to choose the reality that best aligns with My heart in every situation and circumstance and let nothing else be a possibility to distract you from rest.
- Son do not major on the minor things of life that have no eternal consequence always be looking from the perspective that is above.

Vision Destiny 2020

- Son do not let circumstances deflect you from living in rest some things that can affect you emotionally have no eternal heavenly importance.
- Son rest is living from heaven on the earth and manifesting heaven on the earth in every situation and circumstance.

Vision Destiny 2020

- Son My grace is sufficient to empower and equip you at all times anywhere and everywhere but it is only available to you when you are at rest.

Vision Destiny 2020

- Son look at everything from the eternal now and heavenly governmental positions that you are seated in and you will find that most things can be aligned on earth as it is in heaven by simply seeing the correct reality

Vision Destiny 2020

- Son most of the things in life which distract people are inconsequential when viewed from My perspective.
- Do not be fearful or let your heart be troubled by worrying choose to trust Me by seeking first My kingdom.

Vision Destiny 2020

- Son rest is not the absence of storms, troubles and trials but trusting Me in them and overcoming the fear through perfect love.
- Son love is your shield and helmet of defence and your sword of offense as perfect love casts out all fear then there is no need to be anxious or worry.

Vision Destiny 2020

- Son never live in the absence of something as in a vacuum but be filled with love, joy and peace and there will be no room for anything else.
- Son I am always more than enough, abundant and overflowing

Vision Destiny 2020

- Son I will open the doors to take the message of restoration within and beyond the mystic stream.
- I am is working within all the man made streams to reveal Myself as Father that all men would know My father heart and enter into sonship.

Vision Destiny 2020

- All men are on that journey even though most do not know it but I am is faithful and true and My love can never fail and will never give up on My children.

Vision Destiny 2020

- Those of My children who have connected with the oracles of My heart know how totally committed I am to restoring all and I mean all back to the place of face to face innocence.

Vision Destiny 2020

- All were created for relationship in all the dimensions and I will see all restored to that relationship.
- I never change I am the same and My desire and intention has never changed and can never change as I am.

Vision Destiny 2020

- I am faithful and true I am trustworthy and dependable
- Son you know you can always rely on Me and rely on the fact that My love will never fail or ever give up.

Vision Destiny 2020

- I am is love through and through and We can never be anything other than love.
- Unconditional love is the very essence of I am and Our nature, character, precepts, statutes and laws are completely motivated by love.

Vision Destiny 2020

- Son you are to be as I am let the oracles of My heart as love be the motivation for all that you are destined to be and do.
- Love is the consistent constant within the whole of the created order that makes restoration not just possible but inevitable.

Vision Destiny 2020

- Son I am not coming, I am is present within all My children do not be deceived by any agenda, doctrine, teaching or theology that puts what is present into the future.

Vision Destiny 2020

- I came physically and I came spiritually and I am present in all but I am visible mostly in those who know Me and know love by personal experience as the light that is rising and shining to reveal the true nature of who I am.

Vision Destiny 2020

- Son in reality there is no second coming or first coming for that matter as I am has always been present in manifold ways even before the beginning as you know it.

Vision Destiny 2020

- I am therefore I am present and never coming and all exists within I am.
- All live, move and have their being within I am and I am is omnipresent and therefore present within all things.

Vision Destiny 2020

- I am visibly present as the light within My people who have hidden that light under the coverings of the religious DIY systems.
- Have I not called My people to arise and shine to be on display so that I am on display as My body on earth as I am in heaven.

Vision Destiny 2020

- I am light and love and love's light is to shine brightly through My transfigured children like a light on a lamp stand and city on a hill displaying its glory.
- I am here now in My children not coming again in a future event which is a figment of religious imagination.

Vision Destiny 2020

- I am that I am and I am is not distant and detached but present and imminent as Immanuel with you and in you.
- I call My sons to arise and shine with love's light and take their places in the heavenly realms to be the convergence within time and space.

Vision Destiny 2020

- What has been misinterpreted as My second coming is in fact My already presence on earth in My people, those who know Me, so they can be the light to reveal that I am within all who do not yet know Me.

Vision Destiny 2020

- Just as I was manifested as light that shone brightly around Saul to transform him into Paul I am present to be the light that radiates from My body on earth as they are in heaven.
- Son My people are My presence and are not to be looking for My coming and therefore futurise what should be a present reality.

Vision Destiny 2020

- Son there has been so much deception perpetrated by the futurist agenda that has hidden the light and obscured My presence but I am arising and shining in My children as they discover the freedom of their glory as My sons.

Vision Destiny 2020

- Son the restoration of all things must become the focus of your ministry in the shift that is coming to bring the three streams together into a unified whole.
- Finish the EG Programme by unifying restoration with eschatology from a mystic perspective and go into detail to deconstruct the poisonous fruit of the Brethren tree.

Vision Destiny 2020

- When My people are free from the deception of futurism and Zionism they will be more able to embrace the full implications of restoration.
- To embrace fully mature sonship a complete understanding of the full scope of the restoration of creation itself is vital.

Vision Destiny 2020

- A limited understanding that restricts restoration to Israel and the land and limits the Ekklesia to a heavenly future must be exposed and deconstructed as the lie and deception it is.

Vision Destiny 2020

- Son this will bring a challenge from those entrenched in the old and you will have to face many accusations on a scale you have not previously experienced but I do not want you to hold back.

Vision Destiny 2020

- Do not be intimidated but be wise in how you respond and only enter the debates that I specifically mandate you to engage.
- Son keep your heart pure and ensure that you live loving choosing to forgive and release those who criticise and attack you personally.

Vision Destiny 2020

- The one new man doctrine that separates My children into spiritual and heavenly from physical and earthly is demonically inspired.
- Zionism's agenda has hijacked My people's focus onto Israel and away from creation and had blinded the evangelical stream from the truth of both their responsibility and their destiny as sons.

Vision Destiny 2020

- The Zionist agenda has separated and divided and twisted the truth of one new man in Christ from a present and completed reality to a future divisive doctrine.

Vision Destiny 2020

- Son the accusations of antisemitism must be addressed and the issues of replacement theology must be challenged with the truth that there has only ever been one people of God through the righteousness produced by the faith of God.

Vision Destiny 2020

- There was never only one race who were My people but always those of faith like Abraham who was commissioned with the task to bring blessing to all the families of the earth.

Vision Destiny 2020

- This is the true gospel the restoration and discipleship of the nations that have separated My children by men made divisions of geography, race, colour, wealth, education back to what I always intended beautiful diversity but one family

Vision Destiny 2020

- Peter was inspired to clarify that now those who are in a Christ are the true one race, one nation one name and one people.
- 1 Peter 2:9 But you are a chosen race, a royal priesthood, a holy nation, a people for God's own possession, so that you may proclaim the excellencies of Him who has called you out of darkness into His marvellous light;

Vision Destiny 2020

- As all are included and alive in Jesus My son then all are already one family and all are destined to be restored.
- One world government My kingdom composed of all My children that is the goal of restoration has been made into an agenda to be feared and opposed as if it is the enemies idea.

Vision Destiny 2020

- One family, one kingdom, one nation, one people, one land mass, one tree, one river, one universe, one dimension with no separation or division is the true goal of restoration that is peace.

Vision Destiny 2020

- Harmony, unity, unison, oneness, peace will truly be the answer to creation's groaning because it is in bondage to the corruption that is division, strife and enmity.

Vision Destiny 2020

- Live loved
- Love living
- Live loving
- Rest
