

Vision Destiny 2020

- I am going to review some of the things that were key in 2019
- I will share my journals that will include:
 - What God said in 2019
 - What God did in 2019
 - What does that mean for 2020?

Vision Destiny 2020

- What heavenly season are we in now?
- What has God said for 2020?
- What does God want us to do in 2020?
- Where does God want us to go in 2020?

Vision Destiny 2020

- Please don't believe anything I say just because I say it
- If you resonate within anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

Vision Destiny 2020

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

Vision Destiny 2020

- Some of the major themes during 2019
- The restoration of all things
- The oracles of the Father's heart
- Love's light
- Happy eschatology
- Joshua generation arising in sonship

Vision Destiny 2020

- Son it is the desire of My heart that all will be restored so that everything will be brought back to the original intention that was formed within the Perichoresis.
- We expressed our loving desire within the circle of the dance

Vision Destiny 2020

- Only true unconditional love can fully reveal My heart and only love will express My intention.
- True love is only found in relationship it is lavishly expressed
- The focus of love is otherly and is unconditional in nature.

Vision Destiny 2020

- Only a love that is truly unconditional expresses the precepts, statutes and laws that are the foundation of creation.
- As soon as conditions are added to being loved it is no longer love at all.

Vision Destiny 2020

- The path of the DIY tree operates on a system of man imposed conditional rewards and punishment
- This creates a system that all religion is based upon.
- This system brings fear and obligation

Vision Destiny 2020

- I have been misrepresented and love has been perverted into a religious works based concept rather than the central relational core of the relationship of face to face innocence that is My intent.

Vision Destiny 2020

- Son in 2019 make unveiling love's light your mission within the context of restoration.
- Son be at peace with those who are at war with you and honour those who dishonour you.

Vision Destiny 2020

- Son legislate for the removal of the old systems so that new relationships can be revealed but ensure this done in love and with honour.

Vision Destiny 2020

- Son it is time to establish things on a new foundation.
- I have given you this year to put all that is necessary in place so that there is a firm and solid foundation spiritually and legally.
- This will be the foundation for the future

Vision Destiny 2020

- Son things have to get to a particular place for the motivation for change to be sufficient to make it possible.
- You are now at such a place and you have this year to bring about the changes necessary within the blueprint as a whole.

Vision Destiny 2020

- The foundations must be re-laid and the heart must be restored at the core so it can flow through all.
- Love must be at the centre of everything because I am love.

Vision Destiny 2020

- Love's light must shine through all and for all to be effective. All the relational issues must be brought into the light and resolved to go forward with the changes necessary.

Vision Destiny 2020

- Son you must be bold in challenging and facilitating this process and do not hold back from bringing everything into the light of truth.

Vision Destiny 2020

- This process will bring things that are currently lawless back into order with the precepts, statutes and laws as the foundation of all.
- My heart must be restored to centre of all activity and love must be the key factor.

Vision Destiny 2020

- The vision must be brought back to the representation of My heart as expressed in Isa 61 and beyond.
- Son there is a flaw that needs to be addressed which has caused love and honour and therefore value to be missing.

Vision Destiny 2020

- When people do not feel appreciated their value is diminished and their heart is lost.
- There is no investment in people and therefore no value given to staff this must change.
- There needs to be care and pastoral investment into the staff throughout the whole blueprint.

Vision Destiny 2020

- Son love's light must be restored to the centre of everything to reflect Me and our heart of love.
- Son empower the ambassadors to function independently of you set the agenda and allow them to develop and outwork it.

Vision Destiny 2020

- Son help support people in their strategy for laying a new foundation on which the Ekklesia and the Embassy of heaven can be established.
- Work with those who specifically know that I am calling them to be part of a Bench of three with the wisdom both spiritually and legally.

Vision Destiny 2020

- Give them an overview of how the ministries of the church are supposed to function spiritually and legally.
- Remind them that I would rather have an amateur in the new than a professional in the old.

Vision Destiny 2020

- Remind them that they were called into the kingdom for a time such as this and they have My full confidence.
- So encourage others to join the process for this new relational foundation and help them with legislation and the use of legislation using your statute book as an example

Vision Destiny 2020

- Governmental authority is an identity and position issue, know who you are and know where your identity positions or seats you.
- Take the scrolls and laws into who you are and release them from within who you are from where you are seated as a flow of declaratory decrees in heaven into the earth.

Vision Destiny 2020

- Be the gateway for those decrees to be established from heaven into the earth.
- We have no recognised authority in heaven unless it is operating in our daily lives as the authority of a bench is just an outworking of identity and personal authority.

Vision Destiny 2020

- Son this year is a key season both for your life and for the Ekklesia there is an opportunity for new identity to be established both for you and the Ekklesia.

Vision Destiny 2020

- Identity is an outworking of destiny which has eternal purpose in the convergence of eternity and time.
- This year is a kairos time opportunity make the most of it put in the time for relationship and strategic government.

Vision Destiny 2020

- Son encourage My children that they need not fear responsibility but can use the authority as the ability respond to the strategic positions they are in.
- Son establish a strategy for relationship to develop foundationally

Vision Destiny 2020

- This strategy is for:
- For those in the process of laying a new foundation
- Those who are and will be living sacrifices
- This is a strategy for government use legislation to create, establish or remove

Vision Destiny 2020

- What is the vision for the blueprint is it written clear and plain so you and others can understand and use it
- How are you going to use current or future legislation to prepare for the fulfilment in heaven

Vision Destiny 2020

- How are you going to cooperate with the angelic realm and cloud of witnesses to effectively use their support?
- Develop a strategy with equal focus on both maintenance and growth

Vision Destiny 2020

- Strategy for communication and encouragement of present people
- Use the equipping track for ministry and discipleship
- Son righteousness and justice are key foundations that are perfect expressions of love.

Vision Destiny 2020

- Righteousness must be operating at the centre of all organisations and must be seen to be transparent and open.
- So there is clearly unrighteousness and relational issues throughout the organisations this must be addressed to enable fresh foundations to be laid.

Vision Destiny 2020

- Discord and disharmony causes blockages
- If there is suspicion and unforgiveness these issues will need to be addressed
- Openness honesty and transparency are keys to relationship

Vision Destiny 2020

- If there is dishonesty and deception in the foundations it will also be in the building
- Son if the foundations are not relationally and spiritually solid then what is built will not be able to grow the way you and I desire.

Vision Destiny 2020

- Son call forth the Joshua Generation to arise in India and China and South America and Africa as in all the families of the earth.

Vision Destiny 2020

- Son FAM is a vehicle for your ministry based on our relationship and the revelation that I am revealing to you.
- Do not let others hijack that mission for self interest.

Vision Destiny 2020

- Use living loved, loving living and living loving as your strap line.
- Free to be is who you need to be don't allow anyone or anything other than Me to control or direct the course of your life.

Vision Destiny 2020

- Follow your destiny and fulfil your role as a son within My kingdom.
- Son don't be side tracked by the agenda of others focus on fulfilling your destiny both within and without the Freedom blueprint.

Vision Destiny 2020

- Son releasing and equipping the Joshua Generation is still to be your priority and meditation will become a large part of that ministry.
- Son you cannot leave your responsibilities until it is safe to do so and when things are in safe hands.

Vision Destiny 2020

- I will clearly show you when that is the case until then pursue righteousness and justice in love.
- Love must be the motivating factor for all that you do and your heart must be at peace for love to flow.

Vision Destiny 2020

- Forgive and release for blessing must be the state of your heart so you can be objective to establish the truth in love.
- Son I am is at rest and at work in rest that is the key to living life in a fulfilled and contented way. Son seek to do the same.

Vision Destiny 2020

- Live from the centre of our being within the circle of the dance and our conversation.
- Son live empowered from within our thoughts and let those thoughts keep you in love, joy and peace which are the foundations of rest.

Vision Destiny 2020

- Rest is an expression of trust in Me and our ability to protect, provide and direct.
- Rest is trusting that I am good and all that I do is motivated by love and is designed to bless you and enable you to be a blessing to others and to creation itself.

Vision Destiny 2020

- Son you have only just begun to engage the surface of My love you will be able to plumb the depths of love as deep is calling you to come deeper into Me.

Vision Destiny 2020

- Son you can't even begin to imagine how deep is My love as I am infinite there is no end, no bottom, no sides to My love.
- Love is infinite and therefore can never run out, can never be overcome, can never be escaped, can never be finite or explainable but can be experienced.

Vision Destiny 2020

- Son it is only love that can truly redeem, reconcile and restore and bring about the transformation of those who are lost in self-identity, futility and vanity therefore broken fragmented and separated in their own minds.

Vision Destiny 2020

- Son love therefore I am, is the only power in all of creation that can restore My lost children back to My gloriously intended sonship.
- Son there is no end there is no beginning there is just I am and you are in the centre of My heart's desire and vast thoughts in face to face innocence.

Vision Destiny 2020

- Son live from within the rest of love's embrace, live loved, love living and live loving.
- The foundation that you are looking to establish must be the model of rest for each and every component part of each organisation.

Vision Destiny 2020

- Openness, honesty, transparency, love, forgiveness enacted in reality.
- Spiritual heavenly authority foundationally and practically as the relational DNA running through each component part of everything

Vision Destiny 2020

- So it is better to have people involved who are relational and have the right heart and will operate righteously than people with the right skills and the wrong heart who you can't trust.

Vision Destiny 2020

- Son your ongoing spiritual input is vital so having tested you to see your willingness to let it all go
- I will now direct and guide you as to what and where I want you to focus on in the future.

Vision Destiny 2020

- Son it is time to understand more about the fallen dimensions that seek redemption from the choices their ancestors made.
- News of freedom will spread as the light of sonship shines brightly and the sound frequency of liberty produces hope to all who are looking for the sons of God to come.

Vision Destiny 2020

- The stories of the shining ones are embedded as truth within the history and mythology of all dimensions and seekers of truth are finding them.
- The frequency of hope is beginning to resonate across the dimensions.

Vision Destiny 2020

- I engaged the portals to beyond beyond and entered the dimension of the second humanoid race but it was empty devoid of light and love.
- The dimension seemed sterile devoid of emotion and loveless. People I observed were enslaved without hope.

Vision Destiny 2020

- They had no life in their eyes because love had been eradicated as an emotion and there was no word within their vocabulary.
- Their culture and society is technologically advanced but there is no joy no expressions of art all is purely functional.

Vision Destiny 2020

- There is no nature, no signs of other lifeforms, the sky is dark and overcast permanently grey.
- All power is drawn from within and the energy is being drained
- I met the representative and he led me to a meeting of others all seemed life less devoid of emotion.

Vision Destiny 2020

- The absence of love is tangible empty hollow eyes stare at me.
- I felt so sad drawn into the emptiness but then started to feel compassion. It started to rise up in me and made me angry at the loss of love.

Vision Destiny 2020

- I started to pulsate and light began to energise and like a electro magnetic pulse love's light went forth like a love bomb.
- The energy of love's light illuminated the room with love emotions were felt for the first time and life began to spark.

Vision Destiny 2020

- I saw faces that began to show a flicker of emotional response as love's light dispelled the darkness of their soul as hope was felt.
- I now talked of love and the creator and the foundation stone of love's sacrifice.
- Sacrifice is impossible without love and now my words had meaning as the truth of love shone.

Vision Destiny 2020

- I unveiled love's truth and nature with stories which were myths with no connection without feelings.
- The revolution has begun the seeds of emotion are sown and hope springs forth as love's light is released.

Vision Destiny 2020

- Faces no longer dead eyes no longer lifeless the power of love had been released and my post is done.
- I expressed a smile and there was a flicker of response that shows me love has returned and the infection of the leaven of love has begun to spread.

Vision Destiny 2020

- I returned through the portal the Father waiting for me with a broad smile and a loving embrace.
- I felt the pleasure of His heart and I am filled having been drained by the experience.

Vision Destiny 2020

- Son don't go without being connected to me as the source of love just as your soul is quantumly entangled with your spirit be entangled with Me so love is always flowing and light is always shining.

Vision Destiny 2020

- The golden cord is not just a guide line but a life line and I desire constant unbroken connection.
- Son ensure you are acting in love and forgiveness and ensure righteousness is your motivation.

Vision Destiny 2020

- Son honesty and openness are what you are seeking to bring by addressing the issues in an up front way don't be intimidated by the veiled challenging of your motives.

Vision Destiny 2020

- Value and worth must never be measured by financial reward and any competition or jealousy must be eliminated.
- Son I am with you in this challenge stay in the place of rest and let My love motivate you and guide you to do the right things in the right way.

Vision Destiny 2020

- Son the preparation for sonship must include identity, character core soul issues, position mandate, wisdom, knowledge and understanding, protocols of courts and legislative processes.
- All of these areas contribute to overall maturity levels of sonship.

Vision Destiny 2020

- I have challenged you to focus on these issues as a priority because the foundations are being re-established and things are coming into the light that need to be addressed.

Vision Destiny 2020

- Son love must be the motive but love is the perfect expression of righteousness and love motivates change.
- There must be no appearance of evil or wrong doing within all the parts of the organisation and therefore everything needs to be brought out into the open.

Vision Destiny 2020

- So on everything could come tumbling down or this could be the moment people step up and take responsibility to move things forward which reality do you choose?

Vision Destiny 2020

- Son look at the financial motives of your heart as you move towards retirement age do you trust Me for your blessing and provision?
- I will direct you so do nothing on your own initiative but let Me give you the solutions as the problems emerge.

Vision Destiny 2020

- Son call those to respond to the call to responsibility within the Joshua Generation for a fresh start and a new beginning.
- A new sound can go forth the sound of hope this sound will draw different people because it is resonating with truth and righteousness.

Vision Destiny 2020

- Clear away the effects of the deception deal with the accusations and restore righteousness to the foundation.
- Deal with accusations restore what can be restored and deal with destiny robber so I can pour out My blessing upon you.

Vision Destiny 2020

- Son you do not need to resign in fact I give you the mandate to provide the stabilising influence at the core.
- Son I needed to get your attention to focus on uncovering and laying a new foundation.

Vision Destiny 2020

- There must be honesty and trust foundationally within the blueprint this is the first step to achieving this.
- Don't hold back on declaring an amnesty to bring everything into the light.

Vision Destiny 2020

- Son keep your heart attitude right but seek for righteousness in every area.
- There will be more that has been dishonest that will come to light seek recompense using the law of retribution.

Vision Destiny 2020

- Son I love you let Me fill you with My love. Feel the warmth of My embrace let love's essence flow through your veins as a life giving stream.
- Feel My oracles the foundation of My relationship with all My children.

Vision Destiny 2020

- My passion for you
- My burning desire for you to be loved
- My intense joy of having you as My child
- My deep compassion for you to be whole and one

Vision Destiny 2020

- My overwhelming unconditional love wants to bring good to your life
- My oracles are to be the foundation of all your relationships and how my sons feel about creation and is restoration

Vision Destiny 2020

- Passion, desire, joy, compassion and love are the 5 oracles that must be experienced in heaven and displayed on the earth.
- All legislation from heaven must be motivated and inspired by My oracles for it to manifest on the earth.

Vision Destiny 2020

- The order of Melchizedek is where 3 becomes 4 and functions in the 5 oracles and is administered by 7.
- This is the pattern of all heavenly and earthly government and it has been the oracles that is missing from the foundations.

Vision Destiny 2020

- Only in deep face to face intimacy with Me can My oracles be experienced and then freely demonstrated in response.
- You can love because I who is love have loved you first.

Vision Destiny 2020

- No one can know true love apart from Me and no one can truly love without first being loved by Me.
- True love must be unconditional love or it is not love at all but only a very pale reflection of who I am.

Vision Destiny 2020

- Love that is not lavish, abundantly overflowing seemingly wastefully given and totally undeserved is not Me.
- Oh how religion has turned this most amazing and wonderful truth about love and therefore about Me into the dead works of appeasement and law driven obedience through fear.

Vision Destiny 2020

- Son know this that the perfect love that is I am, casts out and removes all vestiges of fear from within relationship.
- All religion operates using fear as its motivating force and I am is pouring out the wrath of love upon those trapped in fear to bring them into the glorious liberty of love.

Vision Destiny 2020

- Live loved
- Love living
- Living loving
- Rest
