

Vision Destiny 2020

- I am going to review some of the things that were key in 2019
- I will share my journals that will include:
 - What God said in 2019
 - What God did in 2019
 - What does that mean for 2020?

Vision Destiny 2020

- What heavenly season are we in now?
- What has God said for 2020?
- What does God want us to do in 2020?
- Where does God want us to go in 2020?

Vision Destiny 2020

- Please don't believe anything I say just because I say it
- If you resonate within anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

Vision Destiny 2020

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

Vision Destiny 2020

- Son legislate for the restoration of relationship between those who are estranged and strained and call people back into family.
- I call for all that is hidden to come into the light
- I call for all that is broken to be reconciled

Vision Destiny 2020

- I call for all that is hurt to be healed
- I call all who feel rejected to find their acceptance in you
- I call for all who are angry, bitter and resentful to be inspired to forgive and release

Vision Destiny 2020

- I call for all who are motivated by the political spirit and are trading on the trading floor of Cain to come to a realisation and renounce enmity and strife and control

Vision Destiny 2020

- I call all that are operating on the trading floor of leviathan who are gossiping, twisting the truth to come to a realisation and renounce those trades

Vision Destiny 2020

- I call for the light of love's truth as lightning bolts from heaven to penetrate the hardest hearts to expose all jealousy, envy, strife, enmity, division and separation and create the desire for reconciliation.

Vision Destiny 2020

- I call for love bombs from heaven's arsenal to explode over all who are motivated by negative emotions of fear, betrayal, jealousy, bitterness, competitiveness to reveal the Father's heart for reconciliation, restoration and the renewal of relationship

Vision Destiny 2020

- I call for all who have been ostracised, excluded, marginalised to be welcomed back into relationship so that fellowship will be restored
- I call for the light of love to shine into the darkness of division to reveal the true motivation of the hearts of men following the DIY tree path of negative trading

Vision Destiny 2020

- I call for the restoration of broken relationships and theological divisions
- I call for the light of truth to shine brightly to restore honour and respect between those who have been divided
- I call for the barriers to come down and the defences to be removed for open and honest dialogue to take place.

Vision Destiny 2020

- I call for the desire for reconciliation and restoration to be birthed by the Spirit of Truth within the hearts and minds of all who are at enmity with each other.
- I call for the refiners fire to rage with all consuming love and the Seraphim to be assigned from heaven's legions to administer the fire of love.

Vision Destiny 2020

- I call for a round table to be established to broker peace
- Son keep your heart pure and as an elder statesmen take the kingdom high ground but also the low ground of humility and broker peace.

Vision Destiny 2020

- Son the kingdom manifests in many ways and through many different people just make sure that you continue to be a channel and honour those who I choose to use differently.
- Son do not judge My different methods or vessels ensure that you remain you not comprising or comparing yourself with others.

Vision Destiny 2020

- Son have deep compassion for others yet do not excuse their behaviour.
- Love speaks the truth for the benefit of others not for the benefit of yourself.
- Make sure that your motives are pure when you share with others and share about others cover their nakedness do not expose it.

Vision Destiny 2020

- Son learn from and help others not to repeat the same mistakes of the past.
- Son you know My heart of love for all My children including those who act wrongly towards you so keep a loving and forgiving heart towards them and be at peace as far as it is possible.

Vision Destiny 2020

- It is time to move forward as an Ekklesia but remember the blueprint is what gives you the mandate and that has not changed but its expression is constantly changing to reflect the renewing of your minds.

Vision Destiny 2020

- Don't separate or divide but maintain the integrity of the whole blueprint as an expression of true Ekklesia.
- Help others to see the bigger picture of the foundation that supports the whole not just the core or centre.

Vision Destiny 2020

- All those that the blueprint serves should be loved and cared for as much as those who are seen as belonging and family members.
- Do not exclude anyone but include everyone as I do
- Son do not separate what you do from who you are.

Vision Destiny 2020

- You are all Ekklesia and all are included from My perspective
- Help reveal Me to them by helping them to see that they are valued by you and by Me.
- Express My oracles to all by carrying My heart and loving all in the same way as you are loved.

Vision Destiny 2020

- All are to be loved so all can express love and love must be unconditional or it is not love at all.
- Son it is time to truly create an environment of love where all can truly know Me as love because they are loved unconditionally with the same passion as the foundation is built on love.

Vision Destiny 2020

- The foundation of all must be love that is genuine and truly unconditional towards all in its expression and motivation.
- So you do not have to be the same as other Ekklesia discover together who you are and how you can express that reality.

Vision Destiny 2020

- Son be the expression of who you are individually and corporately and do not compare or pattern after others.
- Son be free to be unrestricted and not limited by other expressions of Ekklesia.

Vision Destiny 2020

- So the way forward is to go back to the beginning and re-establish the foundation of relationship and then reengage the blueprint from a practical perspective.
- The strategy will become clear when the blueprint is seen as a whole with no divisions or separations.

Vision Destiny 2020

- Son you still have the authority of the blueprint mandate so teach how to use that to legislate effectively.
- Teach how to frame life from heaven's perspective for favour and blessing to trust in My provision, protection and direction.

Vision Destiny 2020

- Teach how to engage the heart of God in the eternal now, the 4 faces of YHVH and within your own heart.
- Teach the tutoring of Wisdom, 7 spirits and the 4 angels along with the cloud of witnesses relationally.

Vision Destiny 2020

- Today re-establish trust and heart within the whole and share the Ekklesia model of Church in relation to the whole blueprint.

Vision Destiny 2020

- Son a new vista that has a new landscape for the Ekklesia and the Joshua Generation is being established although many will die in the wilderness even more will cross over into their inheritance.
- This cannot take place without major shifts in consciousness through deconstruction and renewal of the mind.

Vision Destiny 2020

- The religious constructs must be challenged through powerful encounters with the living word of God to expose and remove false doctrines and theology concerning My nature created through man's own understanding of the Bible.

Vision Destiny 2020

- I will open the doors for the message I have given you if you choose but I will also bless through FAR.
- I am that I am is to be your focus so you can be who you are to be within the circle of the dance.

Vision Destiny 2020

- The frequency of sonship is beginning to resonate within the dimensions to bring the hope of restoration to all things for all things.
- Continue to facilitate sons arising to take their places in relationship and responsibility so that frequency will extend beyond its present boundaries.

Vision Destiny 2020

- Son the old must go for the new to come do not hold on to the old for fear of not knowing the new.
- You will not fully have the new until the old had completely been let go of just like the old and new covenant.
- The old was still present in reality and in thinking whilst the new was fully coming into being.

Vision Destiny 2020

- The old was obsolete and yet still functioning in people's lives whilst it was fading away.
- It was resisting the new all the while trying to keep people locked into the bondage of the old system of the law instead of the freedom of the new covenant relationship.

Vision Destiny 2020

- Son the birth pangs of the old are even now causing fear and confusion where the Moses order are keeping people from embracing the freedom of the promise land beyond the veil.
- Love is the only way freedom will come as perfect love casts out fear from the old order which is based on the fear of an angry GOD who needs appeasing.

Vision Destiny 2020

- The original mediatorial system was birthed in fear when those who came out of Egypt refused face to face intimacy with Me through fear and lost identity and sent Moses the mediator to represent them.

Vision Destiny 2020

- The golden calf was their DIY way of appeasing Me and the law was introduced to limit their independence but fulfil their need for religious structure rather than intimate relationship.

Vision Destiny 2020

- Son legislate do not hope for the best bring My precepts, statutes and laws into play and use My heart, mind and voice to establish My government.

- Son issue the rallying cry you have 2 scrolls to draw people to the Joshua Generation and the harvest.
- Son call the forerunners to come out of hiding and insecurity into the light of their destinies.

Vision Destiny 2020

- Son there are many streams coming together that are mostly blind to the direction that others are traveling from but they will merge in the flow of the restoration of all things.
- Son restoration is My desire but this must encompass both eschatology and the supernatural realms.

Vision Destiny 2020

- The universalists are traveling towards both realised eschatology and an open heaven mystical flow.
- The mystical are travelling towards realised eschatology and universal restoration.
- The realised eschatologists are travelling towards the mystical and the restoration of all things position.

Vision Destiny 2020

- Those who are restoring energy healing easily embrace the mystical realms but are also travelling towards the eschatological of hope and the restoration of all things positions.

Vision Destiny 2020

- These 4 positions are inevitably meeting together into a unified whole.
- At present there are those who hold 2 or 3 positions but few who hold all 4 positions but the realisation and revelation is beginning to dawn but the deconstruction has yet to fully take place.
- Many are unwilling to embrace all the positions because they have not seen Me face to face.

Vision Destiny 2020

- Son embrace your destiny and you will see Me open doors of opportunity that you have permission to engage as you wish.
- More strategic partners will emerge as you actively seek to relate to ambassadors of My kingdom.

Vision Destiny 2020

- Son pursue proactively with desire not just reactively. Seek to open avenues that are as yet closed in nations and continents through legislation of My heart.
- As you release your sound and frequency with light calls, you will connect with more fellow journey followers.

Vision Destiny 2020

- Son equip those who are willing to self sacrifice to embrace their own blueprints and be living stones within Freedom.
- The centre most evolve into a healing centre and wellness where the hindrances can be removed and the equipping can take place.

Vision Destiny 2020

- Son prepare for the change at the end of 2020 as I told you to be ready for.
- I have a change of emphasis and heart for you that will enable you to go beyond again into a new season.
- Son keep your heart close to mine and be gentle and humble with a soft and tender heart.

Vision Destiny 2020

- I am is about to write on the tablets of your heart to transform your thinking and renew your heart's desires.
- Son be ready and be prepared to be taken out of your comfort zone again and again as there are few who are ready and even fewer who are prepared for challenges that are ahead.

Vision Destiny 2020

- The changes are preparations for the dawning of a new season of grace that will be needed for what is ahead.
- A new reason for a new season with a new horizon will be unveiled to you as you keep heart to heart with Me.

Vision Destiny 2020

- Son the four streams of thought that are converging give a framework of agreement and government that will be the foundation for a whole new era where My children will come into this maturity of sonship.

Vision Destiny 2020

- Great shakings are going to take place with many tremors leading the way so that My children will learn not to put their trust in DIY methods as only that which is sourced in My kingdom will remain trustworthy.

Vision Destiny 2020

- All that can be shaken will be shaken and only those who stand on solid foundations will be able to stand firm and will be immovable.
- Son relax rest in Me during the quaking and shaking and live by My faith.

Vision Destiny 2020

- Know Me and know true reality as you live in the truth, the truth will live in you and will transform the reality around you.
- Son know My heart, feel what I feel and love like I love and you will be able to do what I do.

Vision Destiny 2020

- I live in the now and neither fret or worry but I enter into every moment with My children and feel in all things like they do.
- That is why the restoration of all things is My desire so all things can come back into My rest and live loved.

Vision Destiny 2020

- I desire that the harmony of creation will be restored all things will once again be in oneness and be whole.
- Son as My children become one as we are one then creation can be one once again and all will be unified within the circle of the dance.

Vision Destiny 2020

- Son look into My eyes what do you see?
- I saw love deep intense overwhelming love and I saw myself loved, accepted, affirmed, appreciated and approved.
- I saw the Father's desire for Me to be the me He made me to be in the reflection of I am.

Vision Destiny 2020

- Son I feel the same for all My children unconditionally just as I do for you.
- The world needs to look into My eyes and see the true reality of who I am reflecting back who they are.

Vision Destiny 2020

- Son keep preaching the truth don't stop, don't be intimidated by opposition and don't hold back of unashamedly proclaiming who I a really is.
- The world that I came to save has rejected the lie of who I am but will embrace the true reality of I am when they can see Me in you My children.

Vision Destiny 2020

- I am love and that love is stronger than death, the grave and any lie and is more powerful than any force in creation.

Vision Destiny 2020

- Son you have looked into My eyes and you have seen the determination that I am has for the restoration of all things.
- Son do you think that My desire and My will can thwarted?
- No

Vision Destiny 2020

- The love that offered itself upon the foundation stone of creation before the foundation or the fall of the world will not and can not be denied.
- Whatever the length, depth, height, distance or dimension I am has already triumphed and overcome by love.

Vision Destiny 2020

- Son the power of love is beyond your capacity to fathom but it is the true reality of I am.
- Son rest and trust Me for provision of all sorts by seeking first the kingdom in righteousness.
- Let I am be I am and see what I am can do.

Vision Destiny 2020

- Do not try and do without being in rest in My favour and blessing.
- I am your provider let My provision come forth from that which has been established in heaven first.

Vision Destiny 2020

- Live loved
- Love living
- Live loving
- Rest
