 - What does that mean for 2020?

Vision Destiny 2020

- What has God said for 2020?
- What does God want us to do in 2020?
- Where does God want us to go in 2020?

Vision Destiny 2020

- Some of the major themes during 2019
- The restoration of all things
- The oracles of the Father's heart
- Love's light
- Happy eschatology
- Joshua generation sonship
- Rest

Vision Destiny 2020

- Son the restoration of all things within the context of relationship with Me is the outworking of My love.
- How could I be a loving God and not be motivated by love towards the whole of creation to restore it to firstly its original estate and then to see it fulfil My original intention within the context of true sonship.

Vision Destiny 2020

- Son the first and the last will be restored.
- The sons of God will be restored both first and second through the last Son of God who gave Himself as the offering before creation to ensure the eventual restoration of creation.

Vision Destiny 2020

- The blood representing My life and love has always been the testimony of I am on the foundation stone of creation to ensure restoration.
- Son only that which was not My intention cannot be restored and that is the DIY tree path as the fig tree has been destroyed from the roots up.

Vision Destiny 2020

- After all the shaking only that which is of My kingdom will remain as the platform to the ascension of man within creation's restoration.
- The ascension of sonship will reveal and facilitate the full scope of restoration and ongoing expansion within the ages to come.

Vision Destiny 2020

- Son restoration is but the beginning not the end there is so much more that is possible for My ascended mature sons who are occupying their places by being seated in the heavenly realms.

- Son I also will begin to give you insight into the sentience of creation and how to engage it though what are being presented as Elementals.

Vision Destiny 2020

- The truth is that nothing that has been created or made is separated from Me as I am within all things and all things are within Me.
- That truth means that all things have life within them as I am alive therefore all of creation is alive.

Vision Destiny 2020

- This has been accepted metaphorically but there is a reality behind the metaphor of the stones crying out or creation singing and the trees clapping their hands.
- This truth is coming to light because sonship is being unveiled

- Son the authority of the Moses generation is being removed and many of those resisting the call to leave the wilderness will fall away.
- There is great resistance from the same spirit that motivated the Babel event

Vision Destiny 2020

- There must not be a vacuum of authority that the enemy will use so the Joshua Generation must be invested and enthroned in the heavenly realms and be equipped to rule as mature sons.
