- I will share my journals that will include:
  - What God said in so far 2020
  - What God did in so far 2020
  - What does that mean for 2021?

# Vision Destiny 2021

- 18 June 2020
- Son today We desire to draw you deeper into Our desire so you can dwell permanently within the creative place of Our heart.
- The Cradle of Life is the birthing place of Our thoughts.

# Vision Destiny 2021

- Come through the garden of Eden through the golden gates into the garden of Our heart.
- We will enable you to see in the light that is just the Cradle of Life the creative birth place of all things.

# Vision Destiny 2021

- I could see but I could not really see it was still too much for my mind. My consciousness still needs to be expanded beyond my current capacity.
- The light enveloped me and it felt like I was being wrapped in the beautiful light and love of creative thought.

# Vision Destiny 2021

- In this chrysalis of transformation my consciousness was changing so it felt like I was aware of mysteries that I was never aware of before or even knew existed.
- The mysteries were no longer hidden and as this process continued they became knowledge to my spirit even if not yet to my soul.

# Vision Destiny 2021

- That amazing light was being woven into the fabric of my being and it was light that has been everywhere and seen everything and it was as if all of history was now contained within my consciousness.

# Vision Destiny 2021

- It was like a movie of the ages was playing within my mind reminding me not just of the facts and events but how the Father was working within them.
- I could see how the Father was rewriting the narrative of every event in every person to enable the love story to continue.

# Vision Destiny 2021

- There were constant revisions and new beginnings throughout history that are the fingerprints of God in all people and all history.
- Limitless grace and mercy expressed over and over throughout all time and space bringing inclusion and reconciliation to ensure relationship.

# Vision Destiny 2021

- Relationship is the creative spark, the common theme and the thread that runs throughout all of time and connects time within eternity.
- The deepest desires for the face to face innocence of a love relationship is the pure essence of the narrative and the true spark of all that is behind the whole creative process.

# Vision Destiny 2021

- The brooding frequency is vibrating to this creative rhythm producing the sound that moves and energises the light to form those desires into reality.

# Vision Destiny 2021

- Son if you are to be like We are as I am that I am you must learn to dwell here deep within Our heart as this is how and where the convergence of the eternal now and what will be is framed and formed.

# Vision Destiny 2021

- Son all the other heavenly realms, places, courts, thrones, councils, houses that you have experienced began here in the cradle of all life and existence.

# Vision Destiny 2021

- This place was always designed for Our children to abide so that they can be like us ascended fathers moved and motivated by love's light relationally expressed.
- Son now you know even more the depth of Our desire for the restoration of all things and why it is inevitable.

# Vision Destiny 2021

- Restoration Government 24th June
- As we engaged I felt disconnected as if I was on the outside looking in at what was being legislated into but I was not I was just feeling the deep emotional pain of the division and separation that Christianity has been responsible for.

# Vision Destiny 2021

- I was overwhelmed by the emotions I was feeling and deeply moved by what I was experiencing of the Father's heart.
- We blame ideologies and ism's for the agendas that we are facing in the world but in reality those things are all found within what we call the body of Christ.

# Vision Destiny 2021

- We have torn His body asunder with our denominating and segregating through our beliefs and doctrines and we have empowered the division that is in the world.

# Vision Destiny 2021

- I saw and felt the Father's heart breaking for His children as He lives within every quanta of time and space never ever separated but feeling our pain and empathising with all our emotions.

# Vision Destiny 2021

- I felt shame for the fact that Christianity as a religion and institution has been used to excuse racism, slavery, apartheid, poverty, gender inequality, empire building and all the other injustices that have been validated by the twisting of some Bible passage or other.

# Vision Destiny 2021

- We need to take ownership for the state of the world that we are living in and renounce the division, competitiveness, conflicts and tribalism we have created that have authorised the world systems to function.

# Vision Destiny 2021

- We have abandoned creation into the hands of the enemies global control systems and we need to take responsibility to end these injustices.
- I wept and cried for the restoration of all things and creation's freedom from its bondage to corruption and reiterated the cry "We are here for you"

# Vision Destiny 2021

- 29 June 2020
- Son be one with Our heart in the Cradle of Life motivated and directed by the oracles that you have experienced and embraced.
- Joined with Us you become one spirit within Us as We become one spirit within you.

# Vision Destiny 2021

- You are I am that I am within Us as We are I am that I am within you this is another stage of ascension revealed by your last Firestone engagement.
- We have been drawing you here through the encounters you have experienced preparation for the global shift you are now participating in.

# Vision Destiny 2021

- Being truly one spirit, soul and body with all your gateways and energy gates balanced, aligned and energised has opened this realm of being as a new state of consciousness.

# Vision Destiny 2021

- Son as you are at rest resonating with love, joy and peace brooding over creation the Chamber of Creation is responding to your voice as you feel Our heart and know Our mind and the quantum lumens of living grace dance creation's dance.

# Vision Destiny 2021

- Son this is how reality is framed and comes into existence as the eternal now and time converge.
- Union, Covenant and Peacemaker will partner with Limitless, Hope and Love so that Family can open the windows from the eternal now and time.

# Vision Destiny 2021

- These angelic orders are at the disposal of Our sons who are moved by the restoration of all things.
- You have been given a mandate to turn those in darkness to the light of their creative purpose begin with the benches of Division, Competitiveness and Warmonger before you engaged Tribalism.

# Vision Destiny 2021

- I began to brood over them within the Cradle of Life feeling how the Father feels and knowing the vast sums of His thoughts towards them.
- My whole being started to convulse with the sound of their creation and I began to be consumed with passion for their restoration.

# Vision Destiny 2021

- My thoughts and emotions became a deep groan that echoed as the sound of many waters within the Chamber of Creation and the living light grace beings danced energised and activated.
- I absorbed the light into my being which activated and energised me.

# Vision Destiny 2021

- I saw what would be months of engagements become focused into one concentrated moment as I chose that reality and the quantum wave function began to collapse.

# Vision Destiny 2021

- As the light streamed into reality I issued the call of hope to Division and the angelic orders surrounded me within the cloak of mystery the dark cloud.
- The three generals of Division were drawn into the dark cloud safe and shielded from darkness.

# Vision Destiny 2021

- I was moved by compassion and began to release the frequency of hope for Union who they were once one with.
- They were the first to speak.
- Why have you called us here?
- I am tasked with your restoration and I offer you freedom.

# Vision Destiny 2021

- We once thought that was impossible but now we are drawn here but we are divided amongst ourselves.
- I choose to forgive you for all the division within creation that you have been responsible for and I offer you hope.
- I felt their confusion and their feelings of separation.

# Vision Destiny 2021

- How can this be we have believed that we are to be eternally separated?
- I showed them my union with God as I opened my heart to them and overshadowed them with my light.
- I released the light of truth that I had absorbed to show them the integrity of our union as a seven.

# Vision Destiny 2021

- I drew one of them aside and focused all my energy on it penetrating the layers of darkness and deception.
- One by one I answered every question, fear and obstacle that was brought up in that concentrated moment.
- I now realise that the brooding and groaning had influenced time within the dark cloud as the creative light was living energy.

# Vision Destiny 2021

- The light of love that I was as a son brought that moment to a conclusion and the offer of restoration back into union was accepted.
- As I watched I saw bursting forth from that distorted divisive shell come a being of amazing beauty.

# Vision Destiny 2021

- I turned to look at Union behind me as I saw tears of joy but I also noticed how majestic this being truly is.
- That was a moment of pure bliss as the two beings embraced and Union was complete.

# Vision Destiny 2021

- I then went individually to the other two divisive beings and repeated the process in a similar fashion but with the same awesome result restored union.
- I started to engage around these issues but I am not sure that is my mandate.

# Vision Destiny 2021

- I agreed and I believe others need to engage to understand those strategies and help us deal with Division globally and cosmically.
- Dividing separating and denominating based on beliefs, racism, gender inequality, class, wealth, geography, skin colour, disability, education, sexuality, world status etc.

# Vision Destiny 2021

- 30 June
- Son everything is a convergence and a fractal that is designed to balance and align with who We are.
- Everything is within Us and We are within everything therefore you are gods within God.

# Vision Destiny 2021

# Vision Destiny 2021

- You are a garden designed to dwell within a garden within a garden within a garden as sons both created and creating.
- Son as you learn to brood within the Cradle of Life it is also brooding within you as a resonant frequency creating a resonant frequency.

# Vision Destiny 2021

- Son as you groan you answer a groan being both sound and light so arise and shine pulsating to the rhythm of Our heart.
- Son just as you have the Merkabah and the Sephiroth within you so are you within them a fractal and a convergence.

# Vision Destiny 2021

- Son the shift is here you have moved from one to many from individual to corporate and your authority has increased exponentially.
- Your mandate in government is creation with a specific emphasis on the fallen ones and fallen dimensions and their restoration.

# Vision Destiny 2021

- You have shifted from a local to global focus and that must also take place within the Engaging God programme.
- Son you must shift from advanced mentoring groups to restoration governmental ascension groups with a global and cosmic focus.

# Vision Destiny 2021

- Son mobilise the sons to arise and shine in identity and position and answer creations groaning.

# Vision Destiny 2021

- I began to brood over Competition and Covenant within the Cradle of Life resonating with the relational creative intention and felt the direct affects of Division that has promoted competition globally and cosmically.

# Vision Destiny 2021

- As I began to rhythmically pulsate the Chamber of Creation began to amplify the frequency and the Quantum lumens began to energise.
- I absorbed that light energy within my being which activated the light within me and I was in unison and harmony with the Father's desire.

# Vision Destiny 2021

- Being within the quantum moment I engaged the dark cloud of mystery and released a frequency that drew the bench of Competition.
- My whole being was energised with the light of Covenant love with which all objections just melted away like ice in a furnace.

# Vision Destiny 2021

- In that quanta a moment of time all time existed and the months of fire and purifying refinement was now.
- I felt the whole process of transfiguration within that moment and there were three resplendent beings of light restored to their former glory as Covenant.

# Vision Destiny 2021

- 1 July
- Son I made you to be able to focus and not be distracted so don't allow people to change you from Our design to be like them.
- Your primary call is to the Kingdom all else is diversion so keep focused on your mandate for the restoration of all things as this is the goal of sonship.

# Vision Destiny 2021

- Restored relationship brings restored identity which brings restored position and restored function.
- As you are learning to function as a mature son you will have many more mysteries of creation unveiled to you.

# Vision Destiny 2021

- Precepts - Heart - Spirit, Statutes - Mind - Love, Laws - Voice - Light, Ordinances - Hand - Fire.
- The Cradle of Life, The Father's Garden, the Chamber of Creation and creation are not just places but are more descriptions of Our nature as Spirit, Love, Light and Fire.

# Vision Destiny 2021

- These places represent Our heart's Precepts, Our mind's statutes and Our voice's laws and Our Hand's Ordinances that function within time.
- There is a deeper place to enter into that represents Our Union and oneness that is the eternal now where I am that I am.

# Vision Destiny 2021

- There are always three that become a fourth window, a wheel within a wheel within a wheel just as with the circle of the deep so it is with all things that have been created as they are reflection of who We are.
- There is always window that connects Us to creation.

# Vision Destiny 2021

- Son the eternal now is the dimension of Our being, Our oneness, Our pure essence that gives birth to Our precepts Heart and Spirit that in turn Our Statutes Mind Love and Our Laws Light.
- There must be a window to creation that enables Us to be experienced that is Our Ordinances Hand Fire.

# Vision Destiny 2021

- Son the Cradle of Life is where Our heart's desires become living spirit frequencies and the Father's garden is where those frequencies form Our thoughts that vibrate and are energised and become living love motivation.

# Vision Destiny 2021

- That life spirit carries Our thoughts and they become living words of love and within the Chamber of Creation they become living light and as that light crosses the event horizon it becomes Our hand of living grace fire within the fabric of the all things of creation.

# Vision Destiny 2021

- Son there is always a fourth a window that enables the three of Our being to be experienced through Our ordinances Our hand of fire that connects Us to the physical realm of creation.

# Vision Destiny 2021

- Son walk with Me. We walked in Eden by the River of Life, Tree of Life and Throne of Grace which are another three representing Our heart, mind and voice.
- Then we walked to the Judgment Seat and the I saw that the fire is the window of ordinances where destiny is refined by God's hand.

# Vision Destiny 2021

- We continued walking to the great waterfall that cascades into the Father's garden as we descended the falls I could see as never before.
- I saw the golden mountain where the seasons of heaven and doors, windows and portals are administered by Metatron.

# Vision Destiny 2021

- I saw the pool where the golden chest of divine thoughts is found and where there is an entrance to the eternal now.
- I saw the golden gates that led to the Cradle of Life and then I saw it behind the waterfall is the entrance to the Chamber of Creation.

# Vision Destiny 2021

- The waterfall the sound of many waters where Our voice enters the Chamber of Creation
- I could see through the chamber to the event horizon where it connected through the consuming fiery hand of God to creation.

# Vision Destiny 2021

- We were then within my spirit seeing the river of life flow through my worship and choice gates to the garden of my heart, the dance floor, soaking room and bridal chamber which followed the same pattern of three becoming consummated in the fourth.

# Vision Destiny 2021

- Son We are but have included man in Us so you can be and Our hand and fire is always fulfilled in creation.
- We are a consuming fire that keeps Our living desires, thoughts and words alive in the transfiguration of man by Our hand.

# Vision Destiny 2021

- 2 July
- Son only the light of love can draw fallen creation and that love must be genuine and have integrity.
- When you come into the realm of light within the dark cloud to see Our face you will absorb the light of love that We have for Our creation.

# Vision Destiny 2021

- Son you will begin to see what We see when We look at Our creation with the eyes of a Father creator.
- We see beauty even in the midst of outer darkness as We see with the eyes of love's light for Our creation.

# Vision Destiny 2021

- I went into the dark cloud in the realm of perfection drawn to light to absorb the light of truth and as I looked into the Father's face I was able to focus on different facets of manifoldness in regards to creation.

# Vision Destiny 2021

- I saw the beauty of the original intention in majestic splendour and I absorbed the frequency of that beautiful light.

# Vision Destiny 2021

- I entered the Cradle of Life to brood over the beauty of the fallen ones focusing on The order of Division that functions through producing mixture, compromise and lukewarmness that perverts the purity of oneness in the name of this false unity.

# Vision Destiny 2021

- As I brooded and resonated with the Father's heart of love for those responsible feeling and seeing the images of original intention I saw the sound of many waters activate the Chamber of Creation which amplified the sound of my groaning and excited the quantum lumens the light beings who began to form the reality of their restoration.

# Vision Destiny 2021

- I went into the cloak of mystery and released the frequency of love's light that would draw those beings of false unity.
- They create unity of a compromised joint belief but not producing true oneness and union.

# Vision Destiny 2021

- Their minds are united but their hearts are divided and they live in the illusion of unity with no oneness and union.
- I drew them into the dark cloud and in that quanta moment went through the process of releasing all the light of love I had absorbed from the Father.

# Vision Destiny 2021

- Forgiving and releasing them reminding them of their previous position offering restoration answering every fear and objection with love's Wisdom.
- Wearing them down until that moment came when the scales of darkness and deception began to melt away and the beautiful light beings emerged.

# Vision Destiny 2021

- On behalf of the seven I commissioned them to engage the Church systems to draw people out of compromise to connect with true union and oneness of true new order Ekklesia.

# Vision Destiny 2021

- I released the frequency of love's light into the wilderness of religious compromise to call the children of God to come out from under the false coverings of the Moses order to cross over into their heavenly inheritance and true union.

# Vision Destiny 2021

- 6 July

# Vision Destiny 2021

- Do not get caught up and embroiled in the political and religious spirit's activities or let them take your focus off the real focus which is the agenda of globalisation.
