- I will share my journals that will include:
 - What God said in so far 2020
 - What God did in so far 2020
 - What does that mean for 2021?

Vision Destiny 2021

- Restoration government 1 July
- I engaged with Union who was Division to find out what their strategy was.
- It revealed that the primary strategy was to infiltrate the world through the church.

Vision Destiny 2021

- They used the leaven of Herod and the Pharisees as Jesus warned His disciples they would.
- The religious and political spirit would infiltrate the church which then would be mirrored in the world systems.

Vision Destiny 2021

- Father said as His children come out of the wilderness of religion they will shine brightly to demonstrate union and oneness.
- There was another tactic which was to create false unity that was based on compromised agreements that created lukewarmness.

Vision Destiny 2021

- The coloured orbs came together in union to form bright white light, the light of love when we are in agreement.
- Union was commissioned to be in agreement with the new order Ekklesia who are rising to collaborate with the Father's heart.

Vision Destiny 2021

- Son brood over restoration within the Cradle of Life really go deep to identity with creation's groaning.
- Feel the pain creation feels over the lost identity of Our children and the discord and disconnection that was once union and harmony.

Vision Destiny 2021

- The longing and waiting in anticipation of the rising of sonship is over now as the new dawn has now broken.
- The frequencies of hope and the light of love have rippled throughout creation and the Elementals are awakening as a sign.

- 7 July
- I engaged the Cradle of Life to resonate with the Father's heart for creation and began to brood over peace and harmony.

Vision Destiny 2021

- My heart was moved with compassion for those beings within creation deceived into causing Warmongering.
- I saw and felt the Father's heart for their restoration to the Father's original intention and purpose.

Vision Destiny 2021

- My being began to pulsate with energy and the sound of many waters began to energise the Chamber of Creation where the amplification excited the quantum lumens to begin moving to the rhythm of peace and harmony.

Vision Destiny 2021

- I saw the reality for restoration of Warmonger and released the frequency of hope as the light streamed into creation.
- I entered the dark cloud clothed with mystery I began to call for the bench of three of Warmonger to be drawn to love's light and the hope of restoration and freedom.

Vision Destiny 2021

- I asked Union and Covenant to stand with me as they came into the cloud and in that quantum moment I saw the next season play out.
- I became aware of all of the process that would lead to their restoration until finally the light emerged from the darkness.

Vision Destiny 2021

- There before us were three beautiful light beings radiating the light of peace so I introduced them to the Benches of Union and Covenant.
- I felt the celebration of the heavenly host and I commissioned them to the task of helping to facilitate global transformation.

Vision Destiny 2021

- They revealed that conflict through competition and division was at the heart of their strategies economically but their major focus was to keep the church system divided and in opposition with one another because of doctrinal and theological arguments.

Vision Destiny 2021

- They told me the Bible had been their greatest success in creating conflict and I saw in a moment all the division that occurred throughout church history.
- The schools of Divinity designed with the intention of maintaining purity of faith became divisive.

Vision Destiny 2021

- The council's intention for unity was used to divide over doctrine and just created further division until fear of error motivated by the need to control the narrative through Constantine and the Council of Nicaea restricted the truth.

Vision Destiny 2021

- I saw the Council of Carthage manipulated by fear of error bartering over the canonisation of the Bible.
- I saw the Council of Ephesus separate the Assyrian Church and the Council of Chalcedon separate the Oriental Orthodox church.

- What was once one body united as family becoming more and more fragmented as the denominations emerged to guard their truth until the body was divided, in competition and conflict.

Vision Destiny 2021

- I saw the rise of Islam and the response to persecution, the crusades, Christendom, inquisitions, conquest of South and North America in the name of church and state creating nations through violence and conflict, Africa, India, Far East.

Vision Destiny 2021

- The formation of empires by Spain, Portugal, France, Germany expanding through the centuries culminating with the British empire that exported religion along with colonialism.

Vision Destiny 2021

- Destroying civilizations enslaving whole people groups in the name of greed and profit changing the world through global economic expansion.
- I saw how the blessing intended for all the families of the earth had been perverted to become the global control system of the elite few.

Vision Destiny 2021

- I felt so sad as I saw how this was mirrored in world wars conflicts over the denominating dividing and competing for empire, territory and wealth.
- Son you have seen the fall of mankind now begin to brood over its restoration do not fall into the same traps set for your ancestors.

Vision Destiny 2021

- If the restoration of all things is to succeed union, covenant and peacemaking must be expressed as love's light in a culture of honour and respect.
- Son do not divide over doctrine and theology but maintain oneness in love and rejoice and celebrate diversity within family.

Vision Destiny 2021

- There will be challenges ahead that will need to be faced with openness and honesty be transparent in communication and keep up healthy dialogue and discussion.

Vision Destiny 2021

- Do not let fear of error cause more denominating for the sake of doctrinal purity. Be very careful over excluding based on beliefs and fight fiercely for relationship and oneness of heart.
- Son never create a mantra that requires believing to belong be inclusive and not exclusive.

Vision Destiny 2021

- 9th July
- Son I have called and chosen you for position and I have given you your identity do not let anyone change you but me.
- In good time you will be able to widen your focus but for now keep your attention fixed on the spiritual realm.

Vision Destiny 2021

- The shift for you has enabled you to withdraw from those things that keep from your main mandate which is the heavens and their affect on the earth.
- Now you see the global issues that need addressing you can focus your attention on the restoration needed within the spiritual and dimensional realms.

Vision Destiny 2021

- Engage with limitless, union and hope and each of the angelic benches to help facilitate the removal of Division, Competition and Conflict to stop Warmongering and Tribalism.

Vision Destiny 2021

- Son, maintain your focus on the ROAT in the conferences that you are involved with but vary the content depending on the maturity of those gathering.

Vision Destiny 2021

- Don't get embroiled with the religious and political spirit that is operating in the political system in the USA as that is not your mandate.
- Keep your distance and don't get distracted by the fear prophecies and the conspiracies that are being used by those with the agendas of Division.

Vision Destiny 2021

- Those with small minds do not see the bigger picture or Me at work within it as their focus is often limited and restricted to issues relating to their self-interest.
- For Our sons who have risen to be seated above the whole of creation will be their desire as it will have captivated their hearts.

Vision Destiny 2021

- Son this shift in relation to you is to end your time of establishing Ekklesia on earth so your focus can be on what is needed in heaven for others to do so.
- Be careful you do not get drawn back to local issues maintain your global, cosmic and dimensional focus and do not get distracted.

Vision Destiny 2021

- There are other shifts coming but they are nothing to fear for those who are preparing in the heavens for those shakings that are designed to remove the man-made worldly systems.

Vision Destiny 2021

- Son continue to collaborate with Our heart, brood over that which We show you and create the sound and the light frequencies that will facilitate those shakings and shifts.

Vision Destiny 2021

- Great transformation at all levels will only come through the shaking of the existing structures, mindsets, belief systems, world views, relationships, systems and ideologies.

Vision Destiny 2021

- The old must be become obsolete and fade away in transition for the new to come in its full measure.
- Be careful that you do not cling onto to the old as that will delay the new but embrace the change do not resist it.

Vision Destiny 2021

- Son do not fear the darkness as this must get deeper before people will begin to look for the light.
- The brightness of the rising of Our sons will always be more apparent during times of trial and trouble as they create the greatest changes.

Vision Destiny 2021

- There will be more global trouble ahead but cooperate with Our purposes within it and do not try to stop it as that will only delay the transformation it brings.
- Be joyful and rejoice when things get dark as that means the breakthrough of the light of dawn is drawing near.

Vision Destiny 2021

- 13 July 2020
- Son trust in me and I will fulfil the desires of your heart as you rest and seek Me first.
- Prioritise love and watch Me change the situations around you to align with your heart's desire.

Vision Destiny 2021

Vision Destiny 2021

- The old systems must fade away as people's trust in them will be shaken and they will be seeking for something to put their trust in.
- The sons of God must be ready to be revealed as the light of love that the world will be looking for.

Vision Destiny 2021

- Heaven and earth must come into alignment within the Order of Melchizedek as Priests and Kings establish the Kingdom in heaven and Oracles and Legislators manifest the Kingdom on earth.

Vision Destiny 2021

- Mature sons will converge heaven and earth as they are representing the lion, ox, eagle and man in their cherubic nature.
- Only when heaven begins to be manifested on earth will the light be able to be seen to draw Our children away from the DIY path to follow the path of the Tree of life.

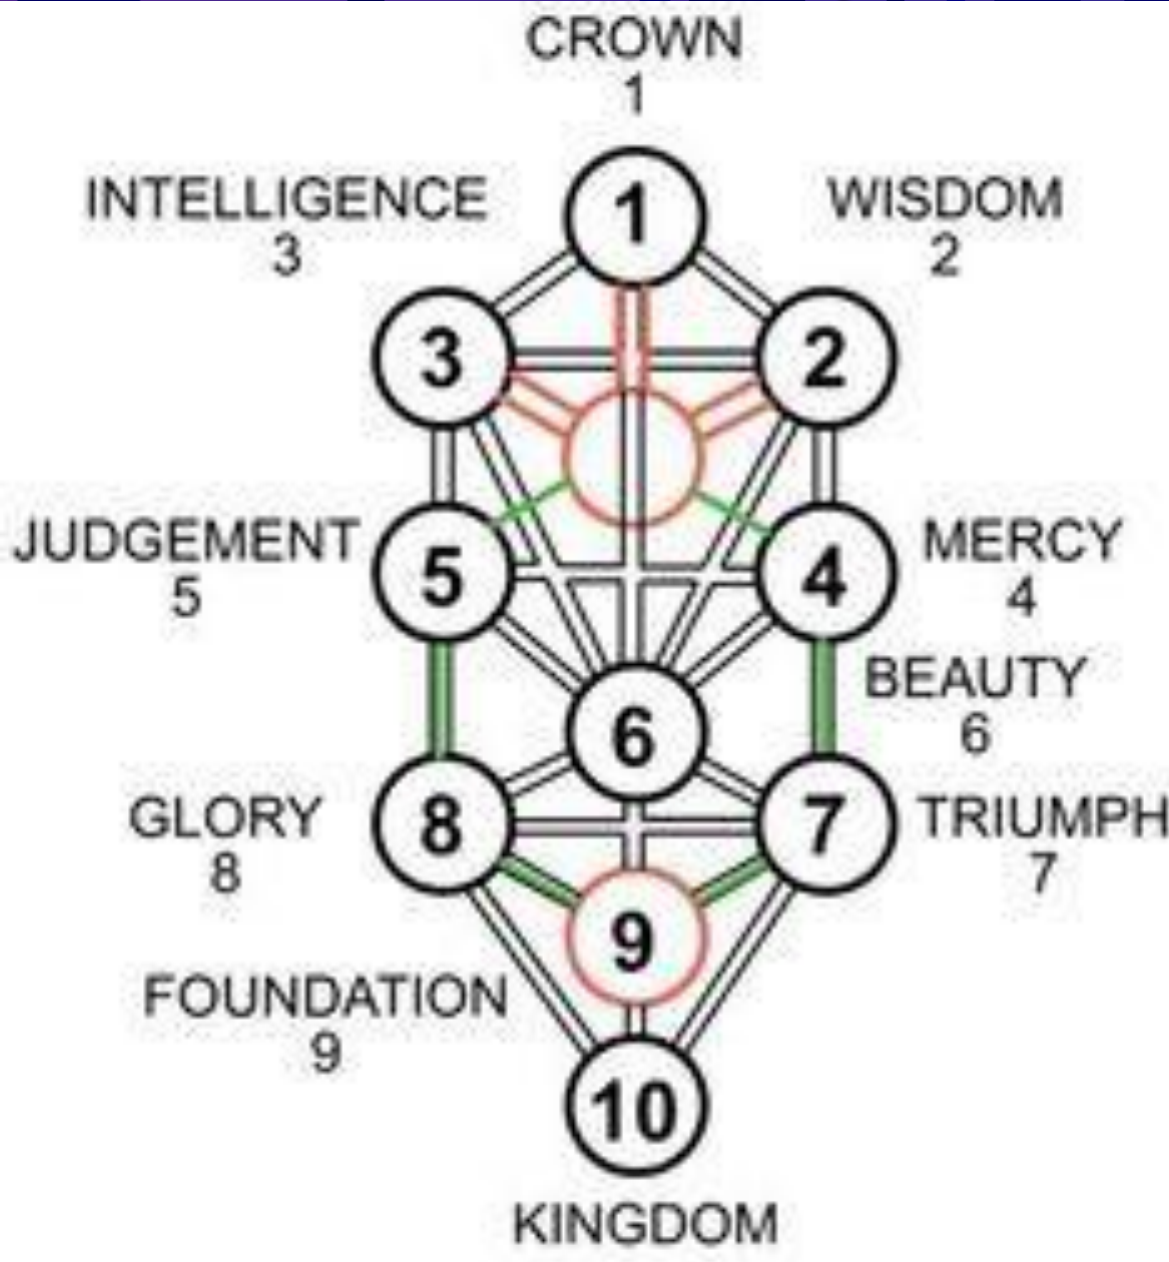

Vision Destiny 2021

- The tree of Life within brings balance and order to the spirit, soul and body and connects the dimensions through the Merkabah.
- So as you activate the energy systems within you to see the rivers of living water flow from your innermost being they will need to be in balance.

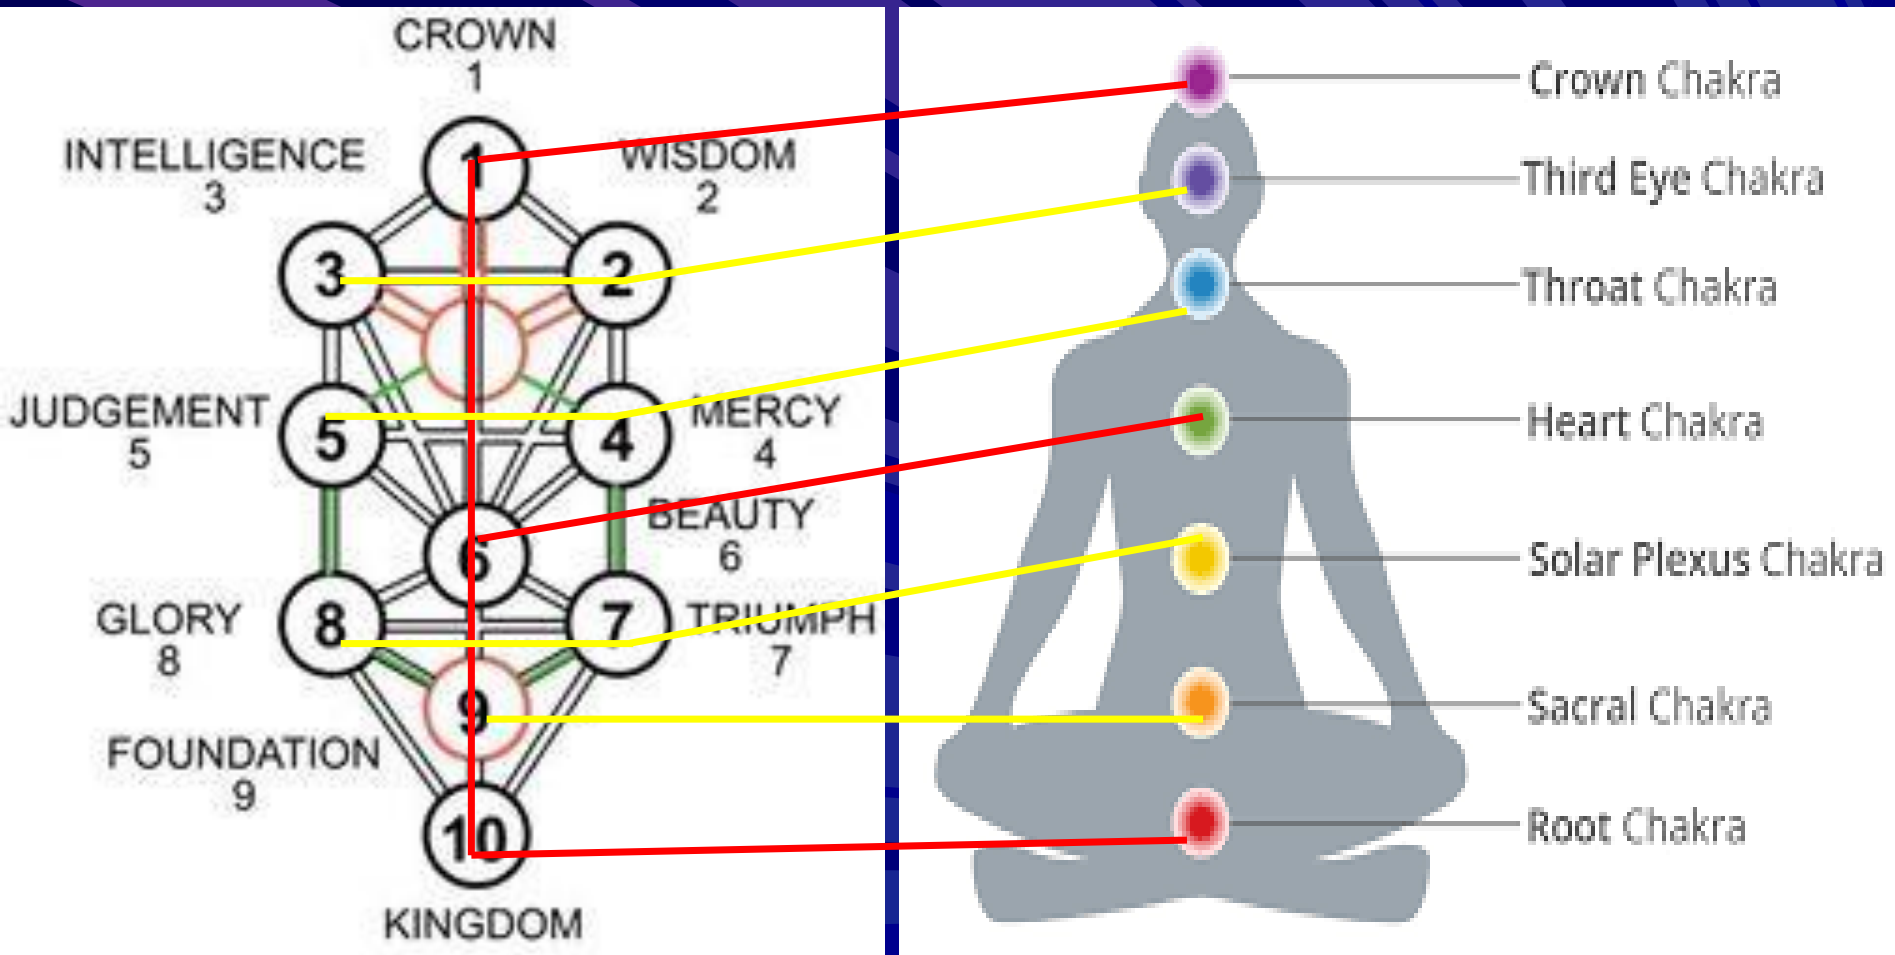

Vision Destiny 2021

- I will give you understanding of the Tree of life in its many levels to give this balance between the spiritual and physical dimensions.

Vision Destiny 2021

Vision Destiny 2021

Vision Destiny 2021

- 14 July
- As I brooded in the Cradle of Life over my spheres of influence I began to get a deeper insight into the Father's desires.
- Son all these spheres are part of your scroll in general but they are not part of you.

Vision Destiny 2021

- So without them you would still be you as you have been made from the desires of Our heart independently from the things your scroll authorised you to do.
- You would still be who We created even if you had followed a different path through your life

Vision Destiny 2021

- Son you are not just a sum of your experiences therefore if you were born in a different place of different colour had alternative parents, wife, family you would still be at the deepest level you.

Vision Destiny 2021

- So when all the superficial temporal things are stripped away you are still fundamentally you that is why beyond this physical existence the superficial things will be no more than a vapour that will fade away.

Vision Destiny 2021

- When all the things you have accomplished in his life, the gold, silver and precious stones and the wood hay, and straw have been erased what remains is your relationship with Us.

Vision Destiny 2021

- Son you came from Us and you will return to Us everything in between will fade away so do not hold onto the things of this life as if they were eternal.
- Things will shift and change as they are merely like mist compared to who you are within I am that I am.

Vision Destiny 2021

- You are who you are and all else has no lasting value and will not remain as you are not shaped by your experiences but by Us.
- Father if that is true why care about this existence?
- Son because you are learning to live in the moment from transcendence.

Vision Destiny 2021

- All of life from the path of the tree of the knowledge of good the evil will not remain as it will be wiped away just like your tears.
- The lessons remain the details will not as you are the essence of who We made you to be you are not your memories.

Vision Destiny 2021

- The cloud of witnesses state is a transient not an eternal position and it will be transfigured into pure light.
- Son I know you are hurting and trying to make sense of the temporal right now and We are your comforters but know this there is joy set before you.

Vision Destiny 2021

- Earthly love will always be only a pale reflection of the love who We are so look to things above and focus on the true eternal realities.
- I need to meditate on the value of the temporal and the eternal and how to balance them correctly.

Vision Destiny 2021

- I released my broodings as I pulsated with life for a better future into the sound of many waters waterfall to be amplified in the chamber of destiny as a conduit into the Chamber of Creation where the amplification process excited the Quantum Lumens to begin to shape reality.

Vision Destiny 2021

- Rev 21:4 and He will wipe away every tear from their eyes; and there will no longer be any death; there will no longer be any mourning, or crying, or pain; the first things have passed away.”

Vision Destiny 2021

- Col 3:1 Therefore if you have been raised up with Christ, keep seeking the things above, where Christ is, seated at the right hand of God. 2 Set your mind on the things above, not on the things that are on earth.

Vision Destiny 2021

- Col 3:3 For you have died and your life is hidden with Christ in God. 4 When Christ, who is our life, is revealed, then you also will be revealed with Him in glory. 5 Therefore consider the members of your earthly body as dead to immorality, impurity, passion, evil desire, and greed, which amounts to idolatry.

Vision Destiny 2021

- 15 July
- Since the shift and changes are not yet over there are so many more areas that need to be addressed.
- The forces behind the global issues still need to be dismantled which will enable the world systems that control the economy and energy to be replaced.

Vision Destiny 2021

- Peaceful transition to new systems that are covenantal for the benefit of all not the few will need to be administrated.
- Revolution functions through conflict which is fuelled by division as the conflict causes overthrow through violence.

Vision Destiny 2021

- Tribalism of any kind will always lead to conflict so the transition must be through family and cooperation.
- For there to be cooperation the global control systems must be removed from power not through revolution fuelled by anger but by transformation of people who are mostly puppets of the spiritual forces.

Vision Destiny 2021

- The teams need to be mature and focused with clear mandates for action to challenge the fallen systems with love for restoration.
- Son only unconditional love will be strong enough to restore those beings and dimensions behind the global issues.

Vision Destiny 2021

- Shielding the earth and eventually the universe must be a priority to protect those seeking the restoration of the dimensions behind conflict.
- Issue the call to action amongst the EG advanced groups and form the teams but be wise and don't allow the immature to take part as it will be dangerous for them.

Vision Destiny 2021

- Those qualified will need to be governmental in heaven, those who know their identity and can operate in love and live in rest.
- Son it is time to go on the offensive with the weapons of love so make preparations and issue the call to action.

Vision Destiny 2021

- Son do not be distracted by worldly issues when there are cosmic consequences at stake be focused and prioritise.

Vision Destiny 2021

- I am that I am and I am is love
- I am love and love is I am
- Love is who I am and love is the motive of every desire, thought and action
- I am that I am and I change not. I have always been and always will be love as love is an eternal constant

Vision Destiny 2021

- Live loved
- Love living
- Live loving
- Rest
- Live in the reality of immortality
