

Vision Destiny 2021

- I am going to review some of the things that were key in 2020
- I will share my journals that will include:
 - What God said in 2020
 - What God did in 2020
 - What does that mean for 2021?

Vision Destiny 2021

- 5th August 2020
- Son come walk with Me. We entered the dark cloud of mystery and I was amazed by what I saw.
- The realm was filled with light and life there was so much frequency and love being displayed by the restored angels.

Vision Destiny 2021

- The luminosity and manifold colours of the restored ones was like an amazing cosmic firework display.
- The restored beauty was wonderful to behold and the interaction with the Father and other angels was so touching to see that I was undone and deeply moved.

Vision Destiny 2021

- We have been here following up all you have done and amplifying the frequency of your love.
- You have been here continually with Us and there are multitudes of fallen ones who have returned and have been restored.

Vision Destiny 2021

- More are returning by the second and there is a momentum that cannot be stopped.
- We have a strategy for their deployment as the ordinances of heaven to support the Joshua Generation in their mandate for the harvest.

Vision Destiny 2021

- The light is going to shine so brightly that the frequency of the whole earth will be raised to awakening levels of illumination.
- The whole scene filled me with thanksgiving and gratitude it was joyous a celebration of restoration.

Vision Destiny 2021

- I felt the overwhelming love of the oracles of the Father's heart inspire me to press on.
- In subsequent encounters I have been practicing retaining all the information and experience gained in a multi-dimensionally quantum moment of expanded time.

Vision Destiny 2021

- Different dimensional realms operate on different time scales depending on the speed of creative light that exists in that realm.
- Being in the realm of perfection an hour could be years for example.

Vision Destiny 2021

- Retaining the information of the experiences requires an expanded consciousness.
- The realm of the Kingdom of God is the closest that creative light exists in relationship to created light therefore quantum moment expansion is necessary there.

Vision Destiny 2021

- Restoration Government engagement
- 5 August 2020.
- I went into the Court of the Councils of the Fathers and the 24 Elders representing one new Man in Christ were in a semi-circle.

Vision Destiny 2021

- The Father, Jesus and the Spirit were standing in the middle with us and they gave me a scroll for the group that was a mandate for union to bridge the divides that exist in our reality.

Vision Destiny 2021

- We are authorised to bridge the divides between generations, male and female, East and West, North and South, nations, heaven and earth, earth and the dimensions, races, colour and creeds, language and ideologies.

Vision Destiny 2021

- I then saw the great cloud of witnesses of the old covenant come and one by one 12 of them joined the end of the semi circle, Enoch, Joseph, Moses, Joshua, Deborah, Samuel, David, Elijah, Esther, Isaiah, Nehemiah, Ezekiel and finally Abraham who connected the old to the new.

Vision Destiny 2021

- Then one by one representing the new covenant John the Baptist, John, Paul, Barnabus, Origen, Athanasius, Julian of Norwich, Theresa of Avila, Jean Lead, Madame Guyon, William Branham, John Paul Jackson and they completed the circle where we stood around the Father.

Vision Destiny 2021

- The Father said, your mandate for union authorises you to unify everything that is divided and He gave me new a blue light orb that was pulsating and vibrating in my hand.

Vision Destiny 2021

- I was about to speak and my hand went to my mouth and as I decreed union a bridge went forth that connected the two sides of the divide so we could figuratively walk across it.
- This ability is the power to reconcile the divisions in creation.

Vision Destiny 2021

- 6 August 2020
- Son do not let disappointment hold you back remember that there is no longer any guilt, shame or condemnation for Our children so receive limitless grace to empower you.

Vision Destiny 2021

- As We continue to deconstruct and renew your mind and expand your consciousness so many things will fall away as you become transfigured in light.
- Many things that seem important but are distractions today will vanish like a vapour as you mature and become who you are.

Vision Destiny 2021

- The union of honour that is forming between you will be a model for others and an example of how to walk the journey of discovery together.
- Do not let the issue of the fallen angelic realm's restoration divide you from others as long as there is not opposition there can be union.

Vision Destiny 2021

- Son always be filled with love and empowered by limitless grace so you can extend the hand of friendship to all.
- Be at peace with all so you can reach all with love, honour and respect so ensure you make forgiveness a priority.
- Son be perseverant and persistent and never give up as love wins over all.

Vision Destiny 2021

- 10 August 2020
- Son the truth you seek is to be found in relationship with the Truth you do not need to search for it from others.
- There is truth within many sources but there are also dangers and mixture which can be very seductive and deceptive by preying on ego.

Vision Destiny 2021

- Mixing the Kabbalah with the truth will not produce the fruit of the Tree of Life even though it will claim to do so as it is entering through the wrong door.
- We have warned Our children about the consequences of entering through wrong doors.

Vision Destiny 2021

- There are those who cannot filter the truth from the lies and they are leading many astray beware mixture maintain the purity through relationship and do not lean to your own understanding.
- There is a greater deception that will be revealed in light.

Vision Destiny 2021

- Son keep coming directly to the source and engage the truth through the actual Tree of Life and you will find balance between spirit and soul in love.
- Son Hebraic thought and Greek thought are both sourced from the DIY tree and are not to be trusted.

Vision Destiny 2021

- Seek Our thoughts through face to face and heart to heart encounters with the Truth and you will become pure in heart.
- Son there is so much mixture in mysticism that many are drawn from the simplicity of relationship into ritual and protocol.

Vision Destiny 2021

- The door is open the veil has been torn there is no need to complicate what is simply a choice and an intention.
- Son the hope of money can seduce people into lowering their guard and becoming susceptible to deception.

Vision Destiny 2021

- Not everything that looks righteous is righteous be aware and be careful to check everything with Us and do not presume that everything that is similar is right.
- Son I am the Way, the Truth and the Life and the only way to have a true intimate relationship with the Father so come no other way.

Vision Destiny 2021

- There are no short cuts and no other ways to enter in just come in surrender and simple trust so beware of those who complicate and gnosticise the truth.
- Son become more aware of where you are and what you are doing in the multi-dimensions of the spiritual realms.

Vision Destiny 2021

- You will need all of those dimensions active in and through you focused through the Merkabah and flowing through the gateways of your whole being.
- Son Our sons need to learn to converge time and the eternal now as sonship is the convergence that all creation is longing and looking for.

Vision Destiny 2021

- Convergence is only possible through intimacy where resonance takes place through cardiognosis.
- Brooding within Our heart and speaking with the voice of the sound of many waters will activate creative light energy to form reality aligned with Our intentions.

Vision Destiny 2021

- The living light grace strings you call Quantum Lumens will respond to the sound of many waters which is the voice of the observer to collapse wave functions to form reality.
- Son learn to brood within the intimacy of Our heart and become a voice an oracle who can legislate reality.

Vision Destiny 2021

- As I became still a God thought focused my mind and my heart began to brood over the frequencies generated by the heart coherence of an expanded consciousness.
- Technology will become redundant when the heart and mind are converged with the mind of Christ.

Vision Destiny 2021

- Sons who are pure of heart will see the possibilities that exist within Our heart and choose to only create what they know are Our desires.
- Focus on being joined heart to heart in the deepest intimacy of the Cradle of Life so that all you create will be pure and have no mixture.

Vision Destiny 2021

- Son beware of the mixture of mysticism and focus on the simplicity of being a face to face, heart to heart and mind to mind son.
- Love is the hallmark of true sonship not knowledge or power.

Vision Destiny 2021

- 11 August
- Son continue to administrate the shift for global change and transformation to reveal Our true nature to those who are lost.
- All of Our children who are living within lost identity need a global awakening of consciousness to know that We are love.

Vision Destiny 2021

- The power of unconditional love is limitless but needs to be unveiled from the darkness that has covered it.
- Son limitless grace is about to be unleashed in the coming season that will transform the earth as the poverty-stricken old DIY systems are exposed and replaced by lavish abundant grace.

Vision Destiny 2021

- The scandal of religious poverty will be contrasted by Our limitless grace inspired by the unconditional love of who We are.
- The veils of deception that have kept Us hidden from Our children need to be removed by the rising and shining of the sons of God.

Vision Destiny 2021

- The frequency of the true love of enlightenment will resonate to create this awakening to love through Our sons who know their true identity and purpose.
- Son live loved, love living and live loving as this is the true rest from which creativity flows.

Vision Destiny 2021

- My whole being began to vibrate rhythmically to the cadence of limitlessness and my thoughts began to form into a song.

Vision Destiny 2021

- Restoration Government
- 12 August 2020
- When we ascended I went back to the Court of the Father's and we were all standing in a circle within the circle of the 24 Elders and the 24 Cloud of Witnesses who each had flaming torches of different coloured fire.

Vision Destiny 2021

- The Father was standing in the middle of us as a consuming fire as if in the midst of a pool or lake of fire.
- The fire was all around us and we started to breathe it in each taking deep a breath it was purifying us deep in our beings.

Vision Destiny 2021

- I saw the Father had all of our destiny scrolls in His hands the scrolls were burning and it was as if we were clothed in the scroll of our life that was unfurled over us.
- I saw flames come from the Father's eyes and they began to purify our scrolls.

Vision Destiny 2021

- The wood, hay and straw were burnt up and the gold, silver and precious stones were gleaming shining brightly.
- I felt the pleasure of the Father towards each of us as our scrolls were reset and all that was consumed was gone there was no longer any past or regret.

Vision Destiny 2021

- Our lives were recalibrated and our scrolls of destiny and of our life were now able to be comparable.
- There was so much pleasure and delight radiating from the Father as we are the treasure of His heart.
- We were each given a flaming torch of different coloured flame and fire came from our mouths and our eyes.

Vision Destiny 2021

- I then saw the earth and entered into its core feeling that the earth was disturbed and groaning because it was associated with “hell”, Hades, Tartarus and the punishment of the underworld.

Vision Destiny 2021

- I went into to Tartarus and saw the 200 Watcher angels who fell in the days of Noah the great Titans who were chained up awaiting judgement.
- We have the authority to judge angels and I believe we were given the fire as a sign of that authority towards the Titans.
- I felt that our frequency as sons had reached them and that there was hope.

Vision Destiny 2021

- I felt compassion for them but also just knew that the earth could not be fully restored if they remain imprisoned there.
- I felt that the white angels we saw coming out of the earth were those Titans and that we will be able to engage with again in the future.

Vision Destiny 2021

- I felt that our frequency as sons had reached them and that there was hope.
- As we declared we are here for you to the earth there was a shift in the core and a change of frequency and hope was released.

Vision Destiny 2021

- Son this is greatest task and challenge that you have faced you will need to be prepared.
- Enoch came and began to infuse me with knowledge about the Titans and how the earth was infected by the Nephilim before the flood.

Vision Destiny 2021

- Enoch opened his heart to me and took me back on the timeline to see the time when every thought and intention of their hearts was wicked continually.
- I was overwhelmed by sadness and yet still filled with hope.

Vision Destiny 2021

- I felt how the earth felt to be polluted by evil and how and why they reaped the consequences as creation released the waters from the earth's core above and below to cleanse the earth.

Vision Destiny 2021

- The earth felt violated by what happened as recorded in Genesis 6 and the connection it had with mankind was damaged by those events.

Vision Destiny 2021

- Gen 6:1 Now it came about, when men began to multiply on the face of the land, and daughters were born to them, 2 that the sons of God saw that the daughters of men were beautiful; and they took wives for themselves, whomever they chose. 3 Then the Lord said, “My Spirit shall not strive with man forever, because he also is flesh; nevertheless his days shall be one hundred and twenty years.”

Vision Destiny 2021

- Gen 6:4 The Nephilim were on the earth in those days, and also afterward, when the sons of God came in to the daughters of men, and they bore children to them. Those were the mighty men who were of old, men of renown. 5 Then the Lord saw that the wickedness of man was great on the earth, and that every intent of the thoughts of his heart was only evil continually.

Vision Destiny 2021

- I felt what the Elementals felt their shame of being involved in the devastation of the earth but I also felt that everything the Father intended for the relationship between the sons of God is going to be restored.

Vision Destiny 2021

- Even the thought of such a restoration brought joy to my heart and I saw and felt what Enoch was feeling as he showed me those events.
- I saw the rainbow of the new covenant of one new man in Christ restoring hope to creation with the promise of restoration and no future destruction.

Vision Destiny 2021

- I felt that the sons of God would be the fire to purify the earth and restore it as we were living flames of love.
- I went to the Cradle of Life in the garden of the Father's heart and began to brood over what I saw my heart filled with love and compassion for the earth and creation.

Vision Destiny 2021

- In a quanta moment I saw one possible future stretch out before me where I saw Our frequency aligned to the Father's heart creating a sound that will echo in the Chamber of Destiny behind the waterfall and be amplified as the sound of many waters to excite and activate the Quantum Lumens in the Chamber of Creation to form the reality we are in union and oneness over.

Vision Destiny 2021

- I saw the future where the quantum wave function collapses and the restoration of the earth becomes reality as the living light beings of grace dance to the rhythm of our song of hope.

Vision Destiny 2021

- I was then back with Enoch who was smiling and he tenderly said to us will you accept your quest to engage the earth for its freedom from corruption?

Vision Destiny 2021

- Rest is the key to restoration, revelation and creativity.
- Start to focus on your breathing slowing it down and start thinking of the name of God YHVH.
- Breathe in deeply and exhale slowly Yod.
- Breathe in Hei and out Vav.

Vision Destiny 2021

- Repeat in Hei out Yod in Hei and out Vav.
- Be still and know that I am God.
- I am love, I am joy, I am peace.
- I am that I am and I am is love, joy and peace.
- I am love and love is I am

Vision Destiny 2021

- Love is who I am and love is the motive of every desire, thought and action resulting in joy and peace.
- I am that I am and I change not. I have always been and always will be love as love is the eternal constant.

Vision Destiny 2021

- Live loved
- Love living
- Live loving
- Rest
- Live in the rest of immortality.
- Invite love, joy and peace flow in you and through you to create an atmosphere of rest around you.
