

Vision Destiny 2021

- I am going to review some of the things that were key in 2020
- I will share my journals that will include:
 - What God said in 2020
 - What God did in 2020
 - What does that mean for 2021?

Vision Destiny 2021

- 27 August
- Son maintain a stance of honour towards all and you will receive the blessing of who that person is.
- There is no need to be concerned about mixture as We will filter out anything that may be dangerous if you keep your heart right.

Vision Destiny 2021

- Son we have created so much diversity to reflect the manifoldness of who We are so from your perspective there seems to be many strange packages that the message comes in but that is just to test the heart.

Vision Destiny 2021

- Be careful not to reject or accept the message because of the messenger test it by the frequency it carries.
- The genuine will always carry Our frequency so the more deeply you are intimate with who We are the easier discernment will be.

Vision Destiny 2021

- Son test everything with a loving not suspicious heart and you will resonate with what is genuine and feel the love on it.
- An absence of love will enable you to discern error and mixture but you can still honour the messenger by the way you accept or reject the message.

Vision Destiny 2021

- Son legislate for peace during these times of anger by forgiving those behind and in the centre of the issue.
- Change will come as the divisions are exposed brought into the light and reconciled through forgiveness.

Vision Destiny 2021

- The violent extremes are not necessary for change but We will still use them but be aware and legislate with Our heart.
- The political spirit will be operating overtly during the US election season and there will be so many seeking advantage through the troubles so be vigilant.

Vision Destiny 2021

- The political and religious spirit thrives on competition and conflict through self-righteousness that is prominent during election seasons.

Vision Destiny 2021

- Always seek for Our heart and purpose by seeing the bigger picture do not get drawn into political ideological debate that is usually fear driven.
- Son have no allegiances other than to Our Kingdom do not form political, ideological or theological allegiances as they will cloud your discernment.

Vision Destiny 2021

- Seek love and focus on Our bigger agenda to navigate the way through the troubled waters that will be ahead.
- This time of great shifting and shaking will not be a short season as there are so many things which need to be reset and recalibrated to move towards Kingdom government.

Vision Destiny 2021

- The old systems must be shaken and removed so keep shielding the earth from external interferences and keep releasing love into the earth.

Vision Destiny 2021

- The perfect love that is who We are within I am is the only antidote to the fear and anger that seeks to take advantage by creating division and competition.

Vision Destiny 2021

- Son collaborate with Union and Limitless to enable the peaceful transition during the shift the cosmos is going through.
- What is occurring during this period is touching the dimensions powerfully through those of Our sons who understand the times and the seasons.

Vision Destiny 2021

- Be vigilant and diligent during this season of great change where many are standing on shifting sands and feel very insecure.
- The dampening waves of love are key to limiting the negative affects during this turbulent season of cosmic transformation.

Vision Destiny 2021

- Live loved, love living and live loving as an oracle of Our heart.
- Son the truth is love, grace is love, mercy is love all of Our attributes, precepts, character and nature is love.

Vision Destiny 2021

- They may be named differently but in reality We are love that is why the restoration of all things is inevitable.
- Son be passionate about life and desire the ROAT as We do so that it motivates your life but enjoy life as joy is an expression of unconditional love.

Vision Destiny 2021

- Son Our children seek after happiness but lack real joy because they do not know unconditional love and are trying to find it by walking the wrong path.
- Experiencing unconditional love is the only way Our children will truly know their identity as Our sons.

Vision Destiny 2021

- Son the shift needs to continue there is more shaking that is needed for the transformation to be effective.
- The old systems are clinging onto their positions and their agendas are veiled behind the distractions of the divisive conflicts that are widespread globally.

Vision Destiny 2021

- Son do not be associated with anything that promotes war at any level be at peace with all things.
- Spiritual warfare is an oxymoron as it is impossible to be truly motivated spiritually and be at war.

Vision Destiny 2021

- Continue to promote love and demonstrate limitless grace through forgiving everyone and everything unconditionally.
- Son it will get darker before the dawn breaks through and the light of love shines brightly through Our sons demonstrating limitless grace.

Vision Destiny 2021

- Son present situation is just one of the many needed to shake the world out of its complacency and self reliance to seek for the Truth so do not fight it.
- Legislate for the shaking to be effective and for good to come from it but not for its change.

Vision Destiny 2021

- Son limitless grace is the divine power to overcome every obstacle and hindrance to the restoration of relationship that we desire and intend for all Our children and all that We have created.
- Sin is the lost identity of being made in Our image not behaviour.

Vision Destiny 2021

- If sin is lost identity then grace is restoration of the true image of sonship.
- If sin is separation from man's perspective then grace is reconciliation.
- If sin causes guilt, shame and condemnation then grace is forgiveness.

Vision Destiny 2021

- If sin causes death then grace is abundant life.
- If sin and death came through Adam then life came through Jesus.
- If sin causes toxic thinking then grace renews the mind.

Vision Destiny 2021

- If sin causes unrighteousness then grace is justification.
- If grace cannot overcome sin then We cannot be omnipotent as sin would then be more powerful to separate than We are to reconcile and restore.

Vision Destiny 2021

- Whatever the results of sin grace is limitless in its capacity to overcome it and restore relationship between Our children and Us.
- There is no state or behaviour that is powerful enough to keep Us from Our children.

Vision Destiny 2021

- Sin is empowered by the DIY tree law based mindset that creates a separation that requires sacrifice but that tree is cursed and has no real power just illusion and deception.
- Where sin has abounded grace is limitless, lavish and abundantly able to even greater abound.

Vision Destiny 2021

- Son religion of all kinds uses the concept of sin and separation to create the need for duty, obligation, appeasement, sacrifice and service and a performance driven life.

Vision Destiny 2021

- Limitless grace uses the concepts of forgiveness, reconciliation, justification and restoration to reveal unconditional love that releases joy and peace to enable rest.

Vision Destiny 2021

- Limitless grace guarantees the ROAT motivated and empowered by the unconditional love that We have for creation.
- Son look deep into My eyes and feel the unconditional love that motivates and empowers limitless grace.

Vision Destiny 2021

- As looked I went deeper and deeper into that unconditional love the realisation of the overwhelming power and limitless of grace became even clearer.
- That clarity of thought brought the following conclusion.

Vision Destiny 2021

- The ROAT is inevitable eventually because love wins and grace overcomes.
- Limitless grace will secure a restored relationship between the Father and all His children and the Creator's original intention and purpose for creation by whatever means that are necessary.

Vision Destiny 2021

- Son the shift that is taking place has not finished there are more waves to come so legislate for the changes and transformations still needed to bring a fuller recalibration.

Vision Destiny 2021

- Personally focus your attention on turning division into union and competition into covenant in all areas of your life to restore relationship at all levels.

Vision Destiny 2021

- The priorities of Our children need to change to focus on what really matters which is relationship and true rest in love, joy and peace.
- Son ministry and the institution of church have occupied most of your life as with many now is the time to re-evaluate.

Vision Destiny 2021

- It is time for true reality in multidimensional living so you can fully enjoy the bliss of rest from your labours to just be.
- I have shielded you from the knowledge of just what you are as a nonlinear being accomplishing in the spiritual realms by just giving you glimpses.

Vision Destiny 2021

- I will take the blinkers off your mind so your consciousness can expand to take in multidimensional reality and so you truly appreciate your capacity as a mature son of God.

Vision Destiny 2021

- In that moment I became aware of who I am and what I am doing at higher level of consciousness in an expanded state of reality.
- I am therefore I exist in manifoldness just like my Dad in nonlinear quantum moments of the fulfilment of my destiny.

Vision Destiny 2021

- I am also quantumly entangled multidimensionally with the eternal now, The beyond beyond dimensional anteroom and many dimensions in another quantum moment.

Vision Destiny 2021

- I am also quantumly entangled multidimensionally with the eternal now, Wisdom's Heights, The ancient paths, the four doors, the Earth shield in another quantum moment.

Vision Destiny 2021

- I am also quantumly entangled multidimensionally with the eternal now, The Father's garden, the Elemental's 7 thrones and creation in another quantum moment.

Vision Destiny 2021

- I am also quantumly entangled multidimensionally with the eternal now, My own spirit first love place, garden of my heart, Dance Floor, Soaking room, Bridal chamber Merkabah, Tree of Life, 7 energy gates and expanded spirit spheres in another quantum moment.

Vision Destiny 2021

- My heart filled with joy and I sank deeper and blissfully into rest but at the same time was so excited by this revelation that I could hardly contain myself.

Vision Destiny 2021

- Son see how easy it is to just be and this is just a glimpse of what it is to be I am that I am that you will ascend to when you become an ascended father.

Vision Destiny 2021

- Son learn to become aware of multidimensional reality but always stay in rest living in love, joy and peace within.
- Be balanced by the Tree of Life in the union between your spirit, soul and body.

Vision Destiny 2021

- As you expand your spirit's boundaries practice expanding your consciousness to become more aware of the dimensional realities that you are mandated to govern in.

Vision Destiny 2021

- All you learn to do as a son made in Our image with creative abilities will equip you to become an ascended father in the ages to come.
- Son the true authority of a son is realised through surrender not service so abandon yourself totally to just being.

Vision Destiny 2021

- Our nature as I am that I am is the model and pattern for Our children to follow as sons just learn to be to be to be at rest in who you are.
- All the doing in the world will not enable you to be but being who you were created to be will enable all the effective doing from total rest.

Vision Destiny 2021

- It is the frequency of rest that creation needs to become still so it can rest from its groaning.
- Son remember that you are designed to be limitless in unconditional love, grace and mercy overflowing in lovingkindness.

Vision Destiny 2021

- Lovingkindness is true the hallmark of Our nature and that is new covenant reality free from all DIY tree law based knowledge.
- Son you are slowly learning to see creation through Our loving eyes so that the oracles of Our heart will be your inspiration.

Vision Destiny 2021

- Inspired by lovingkindness everything is limitless there are no restrictions so free your mind from impossibilities and choose a reality that reflects true new Covenant unconditional love.

Vision Destiny 2021

- Son come walk with Me. We walked in the Father's garden it was beautiful beyond description
- I began to feel the pleasure of the Father and creation's pleasure.
- This was another creation connecting experience.

Vision Destiny 2021

- Everything was communicating with me as we walked it was sensory overload in a good way as I felt the emotions of each living thing.
- The garden was singing to me its joy that the Father was enjoying it and that I was enjoying it.

Vision Destiny 2021

- Son sonship must focus beyond the restoration of creation to the joy set before it of the union of all things.
- You have begun to experience enjoying life every day in the rest of multidimensional living through being creative.

Vision Destiny 2021

- Son do not hold back on your creativity as that is what life is supposed to be about the restoration process is not an end in itself but is only so life can return to Our image.

Vision Destiny 2021

- Everyone is individually crafted and wonderfully made in Our image to live in the rest of their creative identity.
- All that you are enjoying making through the creativity you are expressing is part of the reset and recalibration of your life for enjoyment.

Vision Destiny 2021

- So many of Our sons are not a good example to Our children because they are performance driven and are not enjoying life.
- We intended creation to be a joyous expression of I am that I am but following the path of independence has taken the joy out of creation.

Vision Destiny 2021

- The shift you are going through is restoring the creative joy to your heart and that is why your priorities are changing.
- So as you have discovered by living in multiple dimensions free from the restraints of time you have all the time you need to do what your entire destiny mandates you to do.

Vision Destiny 2021

- So just as you have felt the joy of My garden feel the joy of your domain and be satisfied and really be content with your creative endeavours.
- Son never again go back to the old ways of working which was lacking in real joy look forward to being creative as an ascended father.

Vision Destiny 2021

- The chamber of destiny amplification and the chamber of creation excitement of the quantum lumens of reality were contained within that creative moment.
- Son now you are beginning to know true rest and enjoy a life of being.

Vision Destiny 2021

- Son creation is waiting, looking and waiting for the sons of God to arise and shine with love's light to free it from its bondage to corruption.

Vision Destiny 2021

- That corruption is still present amongst most of Our children so freeing them is a priority but restoring what is deceiving them is the foundation for the harvest.

Vision Destiny 2021

- The atmosphere of the earth that influences the conditions and the people must be reclaimed and restored as it is principalities and powers that must make know the wisdom of God.

Vision Destiny 2021

- When the atmosphere is restored the light can shine and the everlasting does can be opened so the earth will not be covered in darkness as it is now.

Vision Destiny 2021

- The global shield is protecting the earth and preparing it for atmospheric decontamination so the principalities, powers and rulers can be identified, targeted and restored.

Vision Destiny 2021

- The absence of light and love that you have detected shows you where to engage but it will require persistence to bring about the restoration process.

Vision Destiny 2021

- Once restored to their original position they will cooperate with the Elementals to broadcast the frequencies of hope that will be received by those prepared by the global shift taking place.

Vision Destiny 2021

- Son this will be the true first fruits of the harvest you have been longing for then heaven and earth will be in agreement and the full harvest can begin to be reaped.

Vision Destiny 2021

- The store houses need to be ready operating under heaven's Government on the earth creating garden environments for creation to thrive in restored union.

- Son keep legislating for the revealing of limitless grace for the outpouring of overflowing mercy that will raise the consciousness levels of those in bondage.

Vision Destiny 2021

- Son brood over all that you have seen within the Cradle of Life to come into full agreement, union and harmony with Our intentions so that you can be one of the oracles that release the sound of many waters to shape and form reality in the Chamber of Creation.

Vision Destiny 2021

- The whole of creation is waiting and longing for the sons of God to be moved by its groaning enough to act responsibly.
- Arise shine with the glory of your sonship to restore hope to all the dimensions that are beginning to awaken from the great deception.

Vision Destiny 2021

- Son only living in a state of rest will enable all that you have seen to become reality trusting in Our lovingkindness despite all evidence to the contrary.
- Live loved, love living and live loving in the rest of immortality.

Vision Destiny 2021

- Rest is the key to restoration, revelation and creativity.
- Start to focus on your breathing slowing it down and start thinking of the name of God YHVH.
- Breathe in deeply and exhale slowly Yod.
