- When you brood creatively ensure that you are operating in joy and gratitude as you brood you are living in the end at the beginning.

Vision Destiny 2021

- Rejoicing and gratitude produce the frequency of hope that excites and activates the limitless grace light energy to form the reality you are thankful for.
- Son brooding in fear, worry, and anxiety only perpetuates the past and does not create new realities.

Vision Destiny 2021

- The closer you are to Our heart the easier it is to remain joyful at rest that is why intimacy is so important in legislation and government.

Vision Destiny 2021

- Those were both encounters where I engaged creation.

Vision Destiny 2021

- Now imagine and brood over the whole of creation being restored to its glorious union with Us and man as it once was.
- Does that not bring joy to your heart?
- It certainly does.

Vision Destiny 2021

- Son Our oracles are a reflection of Our desire inspired by the joy set before us let that be your attitude also.

Vision Destiny 2021

- 29 September
- Son limitless grace is an affront to the religious systems and this will become a major conflict during the transition into the next age.

Vision Destiny 2021

- Unconditional love and limitless grace will be the major characteristic of the next age as they are poured out onto creation for its restoration.
- Only limitless grace has the power to obliterate the guilt, shame and condemnation that separates creation from relationship with Us.

Vision Destiny 2021

- Son limitless grace expressed through the cross has already unconditionally forgiven all who have rebelled and been deceived into following the independent pathway of the tree of the knowledge of good and evil.

Vision Destiny 2021

- Limitless grace turns all unrighteousness into justification so all can be restored to relationship with Us.
- Only limitless grace can reach all of creation including the physical, spiritual and dimensional beings that were designed with the intention of intimate relationship with their creator Father.

Vision Destiny 2021

- Son there is nothing limitless grace cannot overcome and nowhere it cannot reach by definition nothing is impossible.
- Limitless grace is based on unconditional love therefore it cannot be undeserved and that is why all works based religion cannot accept it.

Vision Destiny 2021

- There can be no conditions placed on limitless grace that is why it applies to all creation irrespective of performance or behaviour.
- The sons of God must manifest limitless grace for creation to be set free from its bondage to corruption.

Vision Destiny 2021

- Son all the testimonies of limitless grace you have heard are being repeated continually and with a lavish abundance that will go beyond mankind to the angelic and dimensional realms.

Vision Destiny 2021

- Religion cannot cope with the concepts of unconditional love and limitless grace as they make it unnecessary and obsolete.
- Be prepared for the opposition and attack from the institutional religious systems and from those of the mystic community who do not really know love.

Vision Destiny 2021

- Limitless grace is an affront to man's perspective on justice that requires contrition, sorrow and their false version of repentance to allow forgiveness.
- True repentance is but agreeing with thoughts of God and that brings transformation.

Vision Destiny 2021

- All righteousness and justice that is from Our kingdom perspective is based on the judgement made before the foundation of the world and expressed in time through the cross and is restorative not punitive or retributive in nature.

Vision Destiny 2021

- We have reconciled creation to Ourselves and declared it to be righteous unconditionally entirely based on Our unconditional love and limitless grace only realisation and acceptance is necessary to enjoy its lavish benefits.

Vision Destiny 2021

- Limitless grace will eventually bring all to face the reality of their own lostness and admit their inability to save themselves so they become recipients of Our true nature.

Vision Destiny 2021

- Unconditional love expressed through limitless grace is the fullest revelation and definition of who We are as I am that I am.
- It is imperative that the sons of God freely experience and freely give unconditional love and administer limitless grace.

- Soon only a global awakening of true love consciousness that reveals who We really are will be able to shift Our children's mindsets away from following the DIY tree path.

Vision Destiny 2021

- The global control systems that maintain the status quo are weakening as the earth shield does its work but they are not yet dismantled.

Vision Destiny 2021

- The cycles of division, competition, conflict and tribalism that are so evident in and amongst the religious systems even the mystic community must be dealt with for real change to take place.

Vision Destiny 2021

- Union and covenant leading to peace and family must be legislated for strongly by releasing love, joy, hope and peace frequencies from a place of rest in limitless grace and unconditional love.

Vision Destiny 2021

- The world's political systems are going to come under extreme pressure as Our children begin to realise their futility and constant failures.

Vision Destiny 2021

- With an awakening to love comes a realisation of creational responsibility that will further weaken the economic and the governmental global control systems.

Vision Destiny 2021

- There will be protest movements that carry Our heart and they will be part of the process to awaken sonship responsibility within Our children.

Vision Destiny 2021

- The pathway of the tree of the knowledge of good and evil is inherently selfish when creational responsibility replaces self-interest you will know true new covenant lovingkindness will not be far behind.

Vision Destiny 2021

- The shifting and shaking of the global systems that are manmade will need an ongoing reality as the foundation of kingdom government emerges in true righteousness and mercy.

Vision Destiny 2021

- Son support no political solutions be the love counter culture leaven that will infiltrate the whole cosmic systems.
- The future is both dark and bright as the transition from one age to next continues but the dawn is about to break and the midday sun will shine to fully usher in the next age.

- The ROAT agenda is only in its infancy but it is growing stronger as the four streams begin to converge and flow together.
- The ROAT will be the focus of the outpouring of love and limitless grace of the next age and it will come to fruition and creation will be set free.

- Son the raising up of the Joshua generation to steward and administrate this transition by facilitating the harvest is a key function.

Vision Destiny 2021

- The forerunner Joshuas, Enochs, Daniels and Josephs are beginning to emerge from the shadows and dungeons of obscurity to take their places to prepare the way of the Lord.

Vision Destiny 2021

- Son the mountains of opposition will come down the valleys will be lifted up, the crooked places will become straight and the rough places smooth so persevere and do not get discouraged by opposition.

Vision Destiny 2021

- The Joshua generation will need to be bold, strong and courageous to bring the next generation into their inheritance of Union, Covenant, Peace and Family and live beyond the veil.

Vision Destiny 2021

- The EG programme must be ready to be fully unveiled to equip the Joshua generation to sonship and the ROAT mandate.

- This was a commissioning and we were invited to join the earth shield to participate in protecting the earth from external influences during the transition period between ages.

Vision Destiny 2021

- We were joined together in union and positioned where we could see specific areas of the atmosphere that we had access to and responsibility for.
- There are other activations to encounter in this council in the future.

Vision Destiny 2021

- In another restoration government engagement several saw a circle with a mosaic like floor of circles.
- There were dimensional beings in a circle around us protecting us that were large and majestic in appearance.

Vision Destiny 2021

- The beings may have been connected to the solar system and the planets and there was a symbolic cog present that we legislated into by decreeing freedom from time limitations.

- The 12 cogs represented the 12 constellations positioned around the circle of the deep and are connected to the different circle dimensions.

Vision Destiny 2021

- The 12 High Chancellor's Houses is one dimensional circle, the 12 Ambassadors of the ages is another dimensional circle and the Constellations another circle wheels within wheels within wheels.

- Perhaps the circle of dimensional guardian beings is connected to the solar system and is another interconnected circle that needs alignment.

Vision Destiny 2021

- Using our position of authority as sons we could to align the constellations around the circle of the deep that each cog represented to change the time and the seasons.

Vision Destiny 2021

- Rest is the key to restoration, revelation and creativity.
- Start to focus on your breathing slowing it down and start thinking of the name of God YHVH.
- Breathe in deeply and exhale slowly Yod.
- Breathe in Hei and out Vav.
