

Vision Destiny 2021

- I am going to review some of the things that were key in 2020 so far
- I will share my journals that will include:
 - What God said in 2020 so far
 - What God did in 2020 so far
 - What does that mean for 2021?

Vision Destiny 2021

- Feb 26th 2020
- I went to meet with John Newton he had brought thousands with amazing testimonies of limitless grace.
- The worst of the worst of the worst by mans reckoning, mass murderers, rapists, paedophiles, abusers, traffickers all sharing how they had been forgiven and welcomed by the Father.

Vision Destiny 2021

- Then all those who been victims of those terrible crimes shared how they had been restored and made whole.
- Some standing next to their abusers in total oneness and unity.
- This was amazing limitless grace in action and I was really moved, totally overwhelmed and weeping.

Vision Destiny 2021

- I felt so privileged to listen to their stories of how the unconditional love of the Father had rescued them.
- Some of those stories were before and some after physical death.
- Some responded before death, for example at the Nuremburg trials.
- Some when Jesus engaged them as Light at the point of their death.

Vision Destiny 2021

- It was the testimony of so many that who in spite of their debauched lifestyles were visited by the light of love, Jesus, on their death bed and they willingly and gratefully accepted the grace and mercy that He offered them in love.

Vision Destiny 2021

- As they relived their stories I felt what they felt when they experienced His oracles the deep emotions of passion, burning desire, intense joy, deep compassion and overwhelming love.
- They were literally swept into the Kingdom on a wave of the wonderful emotions that their loving Father had towards them.

Vision Destiny 2021

- There were other stories of those who were in the depths of despair when facing the reality of their treatment of others when grace and mercy were demonstrated by the victim or a victim's loved ones.
- Forgiveness was what had unveiled the limitlessness of God's mercy and grace to them.

Vision Destiny 2021

- The stories continued one after the other expressing the depth of their gratitude as they shared.
- They all had one thing in common that was how love expressed through one or other of the Father's oracles had brought them the realisation of their inclusion, reconciliation and restoration.

Vision Destiny 2021

- There were also stories of how deep compassion and overwhelming love had touched them when they were in a state of grief over the loss of a loved one, child, parent, spouse or sibling killed in some horrendously traumatic way.

Vision Destiny 2021

- Many came forward, victims of abuse of all kinds, rape, SRA, racism, slavery etc. who had experienced a limitless grace that transformed them from deep darkness and despair into a place where the light of love shone brightly.

Vision Destiny 2021

- Then there were those who had committed suicide sharing that they had received the limitless grace and mercy directly from Jesus at the moment of their death all with stories of being embraced with overwhelming loving acceptance

Vision Destiny 2021

- The Father said during an encounter, there are many who have not yet responded to Our love because of deep shame you are tasked to seek them out within the fire and reveal just how limitless Our grace and mercy really is.

Vision Destiny 2021

- The serial killers, child murderers, paedophiles, tyrants, despots those who are responsible for genocide, ethnic cleansings, the satanic ritual abusers the worst of the worst are your mission field.

Vision Destiny 2021

- Son only limitless grace through deep compassion and overwhelming love will remove the deep shame they feel.
- Son do you feel it for them?
- If you do not feel it you cannot demonstrate it.

Vision Destiny 2021

- Son come deeper into Our heart to feel it and know it for yourself.
- I saw all the worst things I had ever imagined, thought or done in an instant then without any time to react overwhelming waves of acceptance hit me washing away every thought and memory.

Vision Destiny 2021

- Lavish grace and the pleasure of a loving doting Father rolled over me it was almost too much to bear
- That was just the beginning every emotion linked to love bombarded me into total surrender

Vision Destiny 2021

- Any vestige of doubt washed away in torrents of the abundance of the pentatonic love frequencies of the Oracles of the Father's heart.
- Son now you know you can give what you have freely received as all sin is but a result of lost identity to Us one is all and all is one.

Vision Destiny 2021

- The comparative scale of badness is a DIY tree invention fuelled by guilt to lessen the shame.
- There is someone worse than me is guilt reduction strategy.
- We just see Our children adrift in their lostness as to Us one act is all acts.

Vision Destiny 2021

- Son mercy triumphs over men's views of justice when the stories are told but what you will feel from those in shame is the self-inflicted reaping of all that they have sown.
- They are still suffering the self-inflicted consequences in the fire.

Vision Destiny 2021

- I had felt the self-inflicted torment myself even if for a moment but I could identify with those who are facing their shameful acts but are still unable to receive mercy even though it is available.
- Only one who has experienced their pain and received limitless grace will be able to reach them.

Vision Destiny 2021

- Son you have this mandate and you have experienced this reality from both sides.
- Freely you have received now freely give by releasing limitless grace and mercy through deep compassion and overwhelming love.

Vision Destiny 2021

- February 26th 2020
- I felt inspired compelled to go into the consuming fire of God's love so I could preach limitless grace to worst of the worst of the worst by man's reckoning
- So I went back to the court of the upright to engage John Newton
- Again I met those who were beaming shining with joyful exuberance waiting to tell their grace story.

Vision Destiny 2021

- I asked if they would come with me into the fire and they were only too pleased to accept my invitation.
- So we went into the fiery place from Wisdom's heights to engage with those who were trapped in deep shame.

Vision Destiny 2021

- I turned my desire and my own testimony of deep compassion and overwhelmingly love to create a frequency of hope to draw those out of their self-imposed darkness into the light of our glory.
- Our glory is our testimony

Vision Destiny 2021

- There were representatives of all the worst categories of human degradation and all I felt was the oracles of the Father's heart
- I saw Hitler, Stalin and other tyrants from history come forth heads bowed covered in darkness.

Vision Destiny 2021

- I saw Ted Bundy, Manson, Christie, Brodie and many other serial killers come into the light and one by one they came the worst of the worst and I felt their anguish, pain and torment.

Vision Destiny 2021

- I don't know if it was actually them as individuals or if they were what I saw as representatives.
- There were also those who committed suicide and were held captive by the religious shame that said they could never enter heaven

Vision Destiny 2021

- I felt the passion, burning desire, intense joy, deep compassion and overwhelming love that the Father has for all His children
- I preached the love that inspires such limitless grace but I was totally overwhelmed by their guilt, shame, condemnation and fragmentation

Vision Destiny 2021

- Based on my experience I released all the love and acceptance I had received and I covered them in the frequency of my sonship.
- I began to give an impassioned call to their alters to come into the light and my passion drew the Prince of Peace.

Vision Destiny 2021

- I called on the witnesses to release their testimonies of limitless grace and to release the forgiveness they had received.
- As they released limitless grace and forgiveness hundreds of thousands responded and their countenance changed and their heads lifted

Vision Destiny 2021

- I offered them peace as I shared the true gospel of forgiveness, I forgave them as did all the witnesses on behalf of all their victims and I released another wave of the loving oracles
- More heads began to be raised as I continued to bombard them with love's light until they accepted that there was a choice they never imagined they could make.

Vision Destiny 2021

- The choice to come to Jesus and receive His amazing grace and mercy. Jesus as Prince of Peace was there with us.
- I watched as one by one the alters came into love's embrace to receive the rest of love, joy and peace.

Vision Destiny 2021

- When all had come, Jesus turned and led them out of that place of fiery torment through the fiery sword where each knelt down in surrender to confess Jesus as Lord.
- Captivity was now led captive into the limitless grace and mercy which had triumphed over their own self-inflicted form of justice.

Vision Destiny 2021

- As they followed us out through the fiery sword they ran into the arms of the Father who was running to meet them and were embraced by limitless grace
- Each was given a ring of sonship and robes of righteousness as all the hosts of heaven rejoiced and celebrated
- Restoration is limitless grace in action

Vision Destiny 2021

- What a celebration there was in the realms of heaven as those who were lost hidden within their own shame and self-imposed darkness began to shine as light.
- Then I began to think of the victims of those now free basking in limitless grace and mercy

Vision Destiny 2021

- It then struck me what about the victims still in bondage to the torture of unforgiveness, bitterness, resentment and trauma.
- I asked for the new witnesses to help and we went back into the fiery place and set the desire of my heart towards them.

Vision Destiny 2021

- They came forth some hostile, angry, entitled blaming God.
- I could feel the sense of injustice that covered them in darkness like a cloud

Vision Destiny 2021

- I released the frequency of the Oracles and one by one I reminded them of their lostness and their own sin and called for restorative justice where the victims would meet their perpetrators.

Vision Destiny 2021

- I asked him who is without sin to throw their accusations like stones but there was silence.
- Then one by one the perpetrators asked for forgiveness and I saw the most amazing reconciliations take place.

Vision Destiny 2021

- I had no need to say anything as I turned to lead more captives free from their self-inflicted torture and torment.
- Once again walking together the victims and victimizers knelt to confess love for God and each other and they rose to walk through the fiery sword into Zion.

Vision Destiny 2021

- Son now you see why there is a celebration when the lost are found and Our children return to us.
- I went through the gateway into Zion and what I saw was the Loving Father running to embrace each one to impart sonship with robes of righteousness and rings of sonship.

Vision Destiny 2021

- Son do not be intimidated and do not back off from your mandate which is now primarily the restoration of all things.
- Those stuck in the deception of futurist eschatology will inevitably frame restoration wrongly so legislate for an opening of their eyes.

Vision Destiny 2021

- 2nd March 2020
- Son be yourself and rest in all that I have made you to be.
- In rest the vast sum of Our thoughts about you are the creative energy that you can live in and use to fulfil your destiny.

Vision Destiny 2021

- The truth about who you are from Our reality can be used to frame your reality.
- Rest reveals Our heart and provides the motivation and the life energy needed to creatively establish the Kingdom on earth as it is in heaven.

Vision Destiny 2021

- Son we have shown you some aspects of limitless grace and mercy but there are many more dimensions of grace to be experienced.
- Continue to trust the oracles deposited in your heart and express your passion and burning desire for Our heart through love.

Vision Destiny 2021

- Son as your mind has expanded so has your heart's capacity and desire for restoration.
- The more you know the more you will be able to know as truth frees your mind to grasp true reality.

Vision Destiny 2021

- Son you have glimpsed Our mind and how we are connected to everyone at every moment but let us show you more.
- I immediately felt connected to creation to a greater dimension and the scale of it hit me.

Vision Destiny 2021

- I felt the groan and the Elementals connection and the tension between mankind in disconnection.
- The disharmony was tangible yet the echo of the voice was still discernible and I felt moved by it emotionally.

Vision Destiny 2021

- Creation is not inanimate but a highly complex neutral net of interactions as glimpsed in chaos theory.
- Then I felt the longing for the reconnection to sonship such a deep desire for the revealing of the sons of God.

Vision Destiny 2021

- Son light is the key to connecting with creation.
- Love's light as waves of possibilities, the quantum wave function, collapsing into beautiful reality through the glory of your sonship.

Vision Destiny 2021

- Son Our children are more than the light of the world their light is trans-dimensional.
- Son arise and shine for creation needs your light to be restored.
- Radiating the highest frequency of rest or enlightenment affects creation itself
