

Vision Destiny 2021

- I am going to review some of the things that were key in 2020
- I will share my journals that will include:
 - What God said in so far 2020
 - What God did in so far 2020
 - What does that mean for 2021?

Vision Destiny 2021

- 22 April
- Son as you collaborate with Our heart contracting into Us you can expand around the earth shielding the earth from external and dimensional influences.
- Positioned globally you can in unity focus your attention on Our priorities and contract in a circle around that issue.

Vision Destiny 2021

- Once focused you can release the opposite Spirit into the opposition to restore the redemptive purpose that has been corrupted and perverted.
- Son this is not to be a war but a series of restoration events that will restore those of Our children who have been deceived into opposing Our intentions.

Vision Destiny 2021

- So the key is to not just treat each other with honour and love but to bless those who are operating in the curse so that they can be returned to the fold and have their identity restored.

Vision Destiny 2021

- Our children's destiny has been twisted and perverted that is why they have been deceived but every crooked path can be made straight and every mountain of self can be made low in humility and every valley of bondage on earth can be lifted up.

Vision Destiny 2021

- Son You have been given limitless grace to release limitless mercy so that Our mercy can triumph over all of men's DIY judgment and justice.
- Son let mercy flow down like a mighty river of love from your position of collaboration with Our heart

Vision Destiny 2021

- Bless those who have been in opposition into submission with the same unconditional love that We have lavished upon you.
- Son restoration government rules and overcomes through love expressed as mercy in forgiveness.

Vision Destiny 2021

- Son forgive them for they do not know what they are doing in the darkness of their lost identity.
- Son gather to deal with global issues and mobilise and release others to deal with local, regional and national issues.

Vision Destiny 2021

- Son I call you to focus on and prioritise the restoration of all things mandate with conferences, webinars and books to see a great reformation take place in this season of great shifting and shaking.

Vision Destiny 2021

- This message must go forth to captivate the hearts of the sons of God so they can become oracles and Legislators of Our heart to all of creation.

Vision Destiny 2021

- Only those who carry the Oracles of Our heart and become living oracles will be revealed to creation because they are shining and radiating love's light as transfigured sons.

Vision Destiny 2021

- Son embrace the continual process of transfiguration to become who you are.
- Transfigured by love to be love's light and arise and shine with creative light as a mature son ascended in the realms of glory looking upon Our face reflecting the radiance of Our express image and likeness.

Vision Destiny 2021

- I was suddenly overwhelmed by intense feelings of love through the oracles as waves rolling and breaking over me.
- Waves of passion, burning desire, intense joy, deep compassion, overwhelming love, unity of oneness and lavish, abundant blessing.

Vision Destiny 2021

- As each wave crashed over me I felt deeply for a different aspect of creation in bondage.
- People of all kinds and categories in bondage to death and corruption, the fallen ones in their hopeless deception.

Vision Destiny 2021

- Then the dimensional beings who are trapped in hopeless, despair and deprivation and the Elementals enslaved to corrupt motivations, the groaning of the earth and physical universe itself.

Vision Destiny 2021

- I felt the pain of lost identity wrapped up in a heavy hopelessness and despair but love rose up in me overcoming all the negative emotions I was empathising with.

Vision Destiny 2021

- I felt an explosion of such glorious love that to me makes restoration inevitable.
- Love wins because love has always won it is the true deeper magic as C S Lewis coined it.

Vision Destiny 2021

- 23 April
- Son rest and from your position seated in the heaven of heavens look and see the created universe and the 12 constellations you know as the cosmos or the Mazzaroth.

Vision Destiny 2021

- As a group united in oneness of heart, mind and purpose this is where I am calling you to expand from.
- The boundary that you set is ever increasing so must your consciousness be ever enlarging and increasing in government and peace.

Vision Destiny 2021

- From the outer rim of the circle of the deep look in and declare we are here for you just as you have declared that from your position as guardians of the earth.

Vision Destiny 2021

- This is where the restoration government administrates the restoration of all things as all things are contained within this boundary or can be accessed from within the twelve constellations and their portals.

Vision Destiny 2021

- Son fill this sphere with your love so your songs can be the catalyst for the harmonious symphony that restoration will result in.
- As sons we are the sound frequency that creation will respond to.

Vision Destiny 2021

- The groaning of creation can be heard and felt from this boundary and your frequency will begin to entrain creation as your collaboration with Our heart produces a resonance that cannot be resisted.

Vision Destiny 2021

- This resonant pulsating to the rhythm of Our heartbeat will release the rest of love, joy and peace so that the oneness of unity will bless the whole created order releasing the hope of restoration to all things within its sphere.

Vision Destiny 2021

- Son each of you just has to be because it is in your being that this rhythm will be produced from the honour, love and unity that you are.
- Being not more doing is what creation needs in this season to bring it to rest from which restoration will begin to spread like an infection of hope through the shining of love's light.

Vision Destiny 2021

- The rest of your oneness where there is no competition, strife and enmity within your circle will become contagious spreading peace and ease not disease.

- Son restoration is what is inevitable when you discover and experience the oracles of Our heart.
- The Oracles express Our desires and emotions towards all that We have created for a harmonious unconditional love relationship.

Vision Destiny 2021

- We created all things to live in united synergy and harmony with Us and each other but independence first in the angelic and dimensional realms and then in the physical realm with man spoiled that unity and selfishness became the overriding motivation.

Vision Destiny 2021

- There was no selfishness in the beginning just oneness when the bonds of unity were broken and some of the all things of creation separated from each other the groaning for restoration began.

Vision Destiny 2021

- The offering that was the fullest extent of Our unconditional love was the antidote to selfishness which is self-sacrifice.

Vision Destiny 2021

- 1 Cor 15:26 The last enemy that will be abolished is death. 27 For He has put all things in subjection under His feet. But when He says, “All things are put in subjection,” it is evident that He is excepted who put all things in subjection to Him.

Vision Destiny 2021

- Col 3:13 Bear with each other and forgive one another if any of you has a grievance against someone.
