

Vision Destiny 2021

- I am going to review some of the things that were key in 2020
- I will share my journals that will include:
 - What God said in so far 2020
 - What God did in so far 2020
 - What does that mean for 2021?

Vision Destiny 2021

- 29 April 2020
- Engaging with a bench of 7 we engaged 3 fallen angelic beings representing an order called Punisher.
- They have exerted influence over people to punish and seek vengeance rather than forgive and release.

Vision Destiny 2021

- During the engagement the three Punisher fallen angels were untethered from their assignment using three different methods.
- Love and kindness
- Unbuckled through reason and wisdom
- Sword

Vision Destiny 2021

- We also engaged with many benches of three angels.
- On this occasion it was Love, Power and a Sound Mind.
- They are on assignment help us with dealing with global forces of spiritual deception.

Vision Destiny 2021

- 30 April 2020
- I engaged with the three Punisher generals within the cloak of mystery.
- We have seen the unity that you carry together and the love and honour that you function in so we are willing to listen to what you have to say.

Vision Destiny 2021

- What do you fear?
- We represent many that are responsible for so much misery and deprivation who are part of the systems of your world.
- If we were to turn from our positions we would be greatly at risk of reprisals from the sons of men and from our own kind.

Vision Destiny 2021

- We have influence within these systems but we are not in control, there are others higher than us and those who you are shielding us from are to be feared as are those who control them.

Vision Destiny 2021

- I am not afraid and we are in unity of heart, mind and purpose assigned by your creator who we represent.
- It is the will of the creator that we are here for you and we have our Father's mandate for the government of restoration.

Vision Destiny 2021

- We have authority for you to be restored as we have chosen to forgive you and release you from what you have done.
- I have personally delegated authority as an Ambassador for the Joshua generation for you and all your kinds restoration.

Vision Destiny 2021

- I am going to show you the truth and I can protect you here until you are ready to fully fulfil your God given destiny as protectors for the revolution that we are administering.
- I overshadowed them with my spirit and took them into my heart to reveal true love, power and a sound mind to them.

Vision Destiny 2021

- I invited the three angels that stood behind me to re-enforce my position. (Love, Power and a Sound mind)
- I released the frequency of sonship the oracles of the Father's heart to them revealing both our desire for their restoration and the Father's passionate resolve which cannot be resisted.

Vision Destiny 2021

- I then separated them from each other and spoke firstly to the one whose tether had been loosed gently and through love and kindness won him over.
- The scales of darkness caused by fear, deception began to dissolve away and its beauty emerged as mighty warrior of light and love.

Vision Destiny 2021

- I took him with me to engage the second whose tether had been unbuckled.
- I used wisdom and the spirit of a sound mind to reason with him and with the first ones testimony I was able to convince him that it was in his best interest to turn to the light of love and be restored.

Vision Destiny 2021

- I had to answers the many fear based questions that he posed but eventually he turned and the scales of darkness split open and the beautiful being emerged in feminine form and her light shone brightly.
- I then went with them to engage the third whose tether had been released by the sword.

Vision Destiny 2021

- Its appearance and attitude was resistant at first but I used the power and authority that I carry, my chancellor's seal, my crystal ambassadors sceptre and our scroll for restoration government to demonstrate our ability to maintain order within the change that is coming

Vision Destiny 2021

- He said that we do not know what is behind the punishers and that there were greater forces than we could handle alone even in unity as a seven.
- I saw glimpses of the systems that were in place that he was previously tethered to that were connected to the trading in the stars of both men and other beings.

Vision Destiny 2021

- I pulled out three swords that I had been given and used in the past, the sword of truth, the sword of light and the sword of judgment and I laid swords down and with the light of love in my heart and with the light of the other two we poured out perfect love until the scales of darkness and fear were divided and the light of its beauty burst forth.

Vision Destiny 2021

- The three were free but were still reticent so I asked them why.
- Although we have seen your unity, love and honour and have experienced the spirit of love, power and a sound mind that you function in we know the extent that the order of punishers is entwined in the control systems of men and those behind their positions.

Vision Destiny 2021

- You will need more sons in union to be able to change the culture of the earth and defeat those behind them.
- They have generations behind them and multitudes in positions of influence supported by our previous order.

Vision Destiny 2021

- We need to remain hidden in secret to help you understand the immensity of the task you are undertaking before we can come into the light.
- There is a hierarchy within the order of punishers that you need to understand how to infiltrate and dismantle as it is a devolved authority structure.

Vision Destiny 2021

- Limitless came and stood with us and I felt empowered and not overawed by the task ahead and I sensed that they were also encouraged by his presence and the confidence that he instilled.

Vision Destiny 2021

- 11 May
- Son as the frequency of love and the testimony of freedom goes forth throughout the dimensions many will respond to the hope that is generated.
- What you saw was the beginning where many are being drawn towards the hope of freedom and restoration.

Vision Destiny 2021

- This will require a consistent effort that will confirm the truth of what had been declared, that we are here for you.
- That statement will need to be backed up by affirmative action to strategically free those whose hearts and minds are turned from the darkness to the light of love and truth.

Vision Destiny 2021

- The ripples that are travelling throughout creation are shaking the deception that has kept darkness as a covering.
- The light of love is beginning to shine beyond the boundaries of the earth realm as Our sons are rising up both in identity and power and creation is being shaken free.

Vision Destiny 2021

- Son there are specific ones of Our creation that have been assigned to work with you to help you interface with the fallen ones so they can be restored to their positions in creation.

Vision Destiny 2021

- You have engaged with Faith, Hope and Love, Limitless, Unity, Blessing, Love, Power and a Sound Mind (Discipline), there are others still to engage.

Vision Destiny 2021

- Righteousness, Peace and Joy, Grace, Mercy and Justice, the Way, Truth and life, Precepts, Statutes, Laws.
- Love, Joy, Peace, Patience Kindness, Goodness, Faithfulness, Gentleness and Self Control,

Vision Destiny 2021

- When there are twelve that form from Wisdom's pillars each will have a Bench of three to work with in unity of heart, mind and purpose.
- There will also be assigned specific ones of the great cloud of witnesses to be councillors to the cause of restoration.

Vision Destiny 2021

- So on this shift has begun but this is just the beginning the momentum must not be lost when travelling is returned.
- Do not sacrificed the unity of the whole group for the individual ministries that you have.

Vision Destiny 2021

- Son prioritise to keep the integrity of union and oneness that will be a genuine frequency that will resonate throughout creation.

Vision Destiny 2021

- 12 May
- Son stay at rest and be a peacemaker at all times in all situations.
- Honour those who oppose you and bless them create no opportunity for confrontation but quietly continue with the restoration message.

Vision Destiny 2021

- Love is the only way to win hearts and minds that must be unconditional but love does not have to bow to pressure or intimidation or accusation.
- In the face of accusation choose to forgive, release and bless you do not need to justify or explain yourself to others nor enter into debate.

Vision Destiny 2021

- Trust Me I am at work in and through those who oppose the ROAT message and I love them no less so just bless them and move on.
- Son engage with the guardians that are being revealed to you and seek their guidance on which of the fallen ones to direct hope towards.

Vision Destiny 2021

- There are many different levels of darkness that you are beginning to unveil and with each level there are thrones positions of authority that you need to restore or claim back

Vision Destiny 2021

- There are the dragons, giants and kings in the realm of the Kingdom of God that usurp and accuse they direct the principalities, powers and rulers that have thrones in the atmosphere of the earth but there are also benches of three that counterfeit the guardians in the constellations.

Vision Destiny 2021

- They are strategically positioned in the cosmos around the dimensional portals and those constellations need to be restored and those dimensions engaged and given hope.

Vision Destiny 2021

- The ripples that you released from the cloak of mystery are attracting positive attention from within the safe place of the dark cloud.
- The frequencies generated by your unity and love will attract those from all levels but be careful and wise and seek me for the strategies of engagement.

Vision Destiny 2021

- The shield of the guardians is creating confusion and is providing you a time of opportunity that you must use wisely to maximum effect.
- Those on the earth that are operating under the influenced of these systems are mostly oblivious to their agenda but there are some who have gained knowledge and are the coordinators.

Vision Destiny 2021

- Target and engage them with the same love but know that some function in a dissociated state and have no useful knowledge of what they are doing but there are a few who if turned will provide insight that will be helpful.

Vision Destiny 2021

- From the shield position I began to look outwards and inwards to see the lines of communication like cords connecting the thrones.
- These cords can be followed and the flow of information that they carry blocked and delayed.

Vision Destiny 2021

- All engagements with the cosmic forces are better done together in unity as that provides a united position but begin at a distance within the safety of the dark cloud.

Vision Destiny 2021

- The powers in all dimensions are being shaken and are vulnerable to the doubt that love and hope are creating but this is no short-term campaign it will take perseverance and persistence.

Vision Destiny 2021

- 13 May 2020
- Son partnering with anything from the dark side reduces your influence and authority as there must be alignment with what you do and say.
- As you engage with higher levels of authority their influence in you must be dealt with.

Vision Destiny 2021

- Punisher has effected the whole of mankind who have partnered with them through religion and culture of payback, revenge and vengeance fuelled by the false view of God created by their own imagination.

Vision Destiny 2021

- To change the culture Punisher mindsets and behavioural patterns must be transformed by the renewing of a global mindset as must the agreements made with other global cultural influencers.

Vision Destiny 2021

- Have We not demonstrated and declared that Our heart is to love unconditionally by forgiving all and blessing those who see themselves as Our enemies.
- Son We have no enemies and we hold nothing against anyone or anything that is the precept that needs to be released for a global awakening of truth.

Vision Destiny 2021

- That truth will change the culture and influence the affairs of the nations.
- We have chosen to bless all the families of the earth and they are all one family from Our perspectives.

Vision Destiny 2021

- Another global influencer is Division that creates enmity and separation and stops oneness and unity.
- This order must be renounced and turned to become what it was created to be and promote oneness that is the expression of Our nature that is needed to create a state of well-being.

Vision Destiny 2021

- The global economy and the move towards globalisation is motivated by greed and fuelled by nationalism and pride this mindset is influenced by competition which is the counterfeit of covenant which is the true relational way to mutually support each other.

Vision Destiny 2021

- Trade agreements, contracts for profit and advantage rather than covenants for mutual support and blessing have become the global system that needs to come down.

Vision Destiny 2021

- Families bless one another nations compete with each other.
- So do not partner with Competition and restore it to its original purpose Covenant.

Vision Destiny 2021

- Competition partners with Warmonger to create conflict that enables the Global banking systems and arms dealers to fuel these conflicts profiting from conflict and misery.
- This mindset seeks to divide based on ideologies, nationalism, race and religion and create strife and enmity and it is behind all conflict.

Vision Destiny 2021

- This competition is fuelled by the advertising industry, sporting and entertainment industries and religious systems creating rivalries and a market share economy and promotes tribalism which is a counterfeit of family.

Vision Destiny 2021

- This has produced a win at all cost ideology that creates, drug cheating in the sports arena, industrial espionage, political parties and factions, dirty tricks advertising campaigns, denominational divisiveness, religious sects all in opposition to each other.

Vision Destiny 2021

- Global mindsets that hinder the love and joy economy of well-being
- Punisher restored to Protector
- Hopelessness restored to Hope
- Division restored to Union
- Competition restored to Covenant
- Warmonger restored to Peacemaker
- Tribalism restored to Family

Vision Destiny 2021

- 18 May
- I stood within the cloak of mystery the safety of the dark cloud and I engaged with those shielded imparting the Oracles of the Father's heart releasing their frequency through my sonship.

Vision Destiny 2021

- The depths of the Father's emotions towards all of creation, I revealed the passion through my passion, the burning desire through mine, the intense joy that I felt as a son, the deep compassion for the restoration of all brokenness, the power of overwhelming love.

Vision Destiny 2021

- I opened my heart towards the Father for cardiognosis and I freely released the knowledge that I experienced by opening my heart towards creation and specifically those who are within the dark cloud dimension.

Vision Destiny 2021

- I joined with the seven to amplify the frequency through unity and engaged with limitless to send out ripples towards the orders of those fallen in deception with the message of hope for restoration.

Vision Destiny 2021

- I began to sense them and feel the conflict and tension that they were feeling there is a shift that is taking place within the ranks of the fallen ones.

Vision Destiny 2021

- The hope of freedom is beginning to change the landscape of the spiritual realms and the Oracles are being remembered once again as the veils are being penetrated with the light of love and truth.

Vision Destiny 2021

- The way, truth and life are the pathways of the Tree of life and those ancient paths are being restored to beckon the fallen home.
- Son there is more to come as Our oracles are amplified as more of Our children become united with Faith, Hope and Love.

Vision Destiny 2021

- There will come a time when the balance shifts and the tide turns so keep up the momentum by shining with love's light.
- Soon the desires of Our heart will be realised and We have the patience to in time express the confidence of the eternal now through Our children's convergence.

Vision Destiny 2021

- Son it is, always has been and always will be the convergence of covenant that Our desire which is Our will, will be done.
- I am that I am is and that is the guarantee that Covenant convergence will manifest Our manifold wisdom through the relationship and union of covenant.

Vision Destiny 2021

- We are covenant in essence as three in one and one as three and Our children were all created with the essence of eternity within their hearts.
- The encoding that calls them and draws them back to their eternal origin and destiny is the light within DNA that they alone carry.

Vision Destiny 2021

- All of creation is groaning waiting for the light to be revealed as Our sons arise and shine their glorious light for creation's freedom and restoration.
- Son you are beginning to sense it you are feeling the change within the spiritual continuum.

Vision Destiny 2021

- The rhythm is realigning with the beating of Our heart resonating with Our desires the fabric of space time is pulsating with hope.
- The weight of glory in time is beginning to reflect the reality of the eternal now as this convergence gathers momentum.

Vision Destiny 2021

- Son release the sound of the ancient paths call them home from the highways and byways of creation.
- From within the dark cloud I emerged like a butterfly and I sent ripples, wave after wave of love expressed through the song of the oracles my whole being was convulsing.

Vision Destiny 2021

- There are no words just deep waves of emotion sighs of a loving Father expressed through sons in union.
- All that I experienced in the stories of limitless grace expressing unconditional love gave added weight to the force behind the waves.

Vision Destiny 2021

- As I contemplated the testimonies of restoration within the dimensions and the fallen ones I convulsed with even greater force to release the joy of that hope towards the absence of light that I felt.

Vision Destiny 2021

- All that I have learned from my different encounters now function together as I can focus and direct those waves towards the targets hidden for so long but now revealed.

Vision Destiny 2021

- I remembered the ring that I was given containing the deep blue stone of destiny in 2010 and now I understood its purpose.
- I looked into it once again facets of the deepest blue that in 2010 I had no grid of reference for but now all seemed to make so much sense.

Vision Destiny 2021

- What I saw but could not fathom back then was my journey to this moment and now as I looked deeper my encounter with the Father's face now enabled me to see and the journey continues beyond once again.

Vision Destiny 2021

- 19 May
- Son come walk with Me. I found myself walking with the Father into the dimensional anteroom where we waited.
- Son there are many more from the dimensional realms that have been touched by hope but there are few who will engage them.

Vision Destiny 2021

- Son will you accept this role?
- I thought for a moment and asked what is it that you want me to do?
- Act as an ambassador for the dimensions as you are for the Joshua generation and legislate for their freedom and restoration.

Vision Destiny 2021

- Father am I responsible to engaged each dimension myself?
- No son that is the destiny of others as they mature but there may be occasions that you will be called upon to engage on missions of hope into those dimensions.

Vision Destiny 2021

- I accepted the invitation and the portals began to open and representatives came forward.
- There were twelve initially of various descriptions but there were three that got my attention as I felt something familiar.

Vision Destiny 2021

- I addressed them and asked what they wanted.
- Each seemed to know each other and one answered for them.
- We are from the dimensions that are part of the cosmic agendas that are seeking to control your world.

Vision Destiny 2021

- As you have been protecting your world we have become aware that there is hope.
- We have always believed that the sons of God could not be trusted, lacked integrity and were disingenuous so our race has been part of the great cosmic cabal.

Vision Destiny 2021

- We have willingly followed what we now see as a deception to control your world but have seen the hope of love's light and now believe we can be free.
- Our dimensions have been filled with malice and hatred for mankind has fuelled our societies.

Vision Destiny 2021

- We have partnered with Division, Competition and Warmonger to fuel the hate on your world that causes the conflicts that destabilise your world and create the opposition against the sons of God.

Vision Destiny 2021

- One of them spoke, our dimension has had a particular focus on denominating religion to cause strife and enmity.
- Ours has focused on promoting the national pride that keeps nations in competition with each other, war is our ultimate agenda.

Vision Destiny 2021

- Ours is hatred that leads to racism within nations to divide them and between nations to fuel the suspicion that separates and divides.
- We have felt love in action and now we want help from the sons we have opposed.

Vision Destiny 2021

- I turned my attention to the other nine who were looking on while those conversations were going on.
- What do you want?
- They all spoke in my mind at once but I was able to understand them all.

Vision Destiny 2021

- There was a common theme, they had all been deceived into believing that it was mankind that was responsible for the deprivation that each of their societies had been afflicted by.

Vision Destiny 2021

- They had all been hostile towards mankind because they were suffering and they had always believed that we were responsible.
- They now all have become aware that they were fooled by a cosmic conspiracy that had made mankind the enemy rather than the hope.

Vision Destiny 2021

- They all asked that the message of hope that had reached them be amplified to free them but they seemed to have no concept of restoration to a higher purpose or of the reality of God as Father or Creator.

Vision Destiny 2021

- The knowledge or even concept of God seemed to be totally absent as if they had been blinded by hatred.
- The frequency of our love and our declaration of selflessness has made an impact throughout creation.

Vision Destiny 2021

- We are here for you has been the spark that has ignited revolution throughout the dimensions.
- I opened my heart to them representing the united heart of the seven to know that our intentions are pure and that we have integrity.

Vision Destiny 2021

- I loved them and released the frequencies of the oracles of the Father's heart and revealed that we were ambassadors of a loving Heavenly Father.
- I shared my encounter with the face of the Father with them to unveil unconditional love and acceptance.

Vision Destiny 2021

- I sensed their confusion but also their emotions and curiosity as I tried to represent God as personal and benevolent.
- I began to overshadow them with my testimonies of love's light and I felt their hearts open and they saw the Father who was there but had been invisible to them.

Vision Destiny 2021

- I had never seen such a level of deception before and realised that this task would not be easy.
- I turned my attention back to them and saw them all being embraced by a loving creator and Father for the first time.

Vision Destiny 2021

- I felt the joy they were feeling as they were experiencing reality for the first time.
- I felt such an explosion of intense joy and overwhelming love.
- It was a wonderful moment that I know will be repeated many times.

Vision Destiny 2021

- Son now you see why Our sons need to rise up so they can be revealed to creation by shining love's light as beacons of hope.
- All the dimensions need our love and light.

Vision Destiny 2021

- I am that I am and I am is love
- I am love and love is I am
- Love is who I am and love is the motive of every desire, thought and action
- I am that I am and I change not. I have always been and always will be love as love is an eternal constant

Vision Destiny 2021

- Live loved
- Love living
- Live loving
- Rest
- Live in the reality of immortality
