Sons Arise is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

Sons Arise

- The Father is calling His sons to arise and take their places within the relationship and responsibility of His Kingdom
- Relationship of restored face to face innocence
- Responsibility of restored position enthroned in the heavenly realms in authority

Sons Arise

- There will be lots of opportunities for activations and individual engagements
- Be led by the Spirit and go wherever Jesus or the Father take you
- Your spirit will receive more than you soul just relax and enjoy

Sons Arise

- Activations are but soundbites little opportunities to taste and see
- All the activations can become our lifestyle, our way of living
- They can all become our continual living testimonies if we will pursue them out of desire until they become part of the fabric of our beings.
- Pursuit is the evidence of desire.

Sons Arise

- Legislation for Sons Arise
- You are authorised to awaken sonship at a new level of relationship and responsibility
- You are authorised to call the eternal spirit hidden within My children to arise and shine
