Sons Arise

- 1 Thes 5:23 Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ.

Sons Arise

- Hebrews 4:12 For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart.

Sons Arise

- Heb 4:12 The message God spoke to us in Christ, is the most life giving and dynamic influence in us, cutting like a surgeon's scalpel, sharper than a soldier's sword, piercing to the deepest core of human conscience, to the dividing of soul and spirit; ending the dominance of the sense realm and its neutralizing effect upon the human spirit. In this way a person's spirit is freed to become the ruling influence again in the thoughts and intentions of their heart. The scrutiny of this word detects every possible disease, discerning the body's deepest secrets where joint and bone-marrow meet.

Sons Arise

- (The moment we cease from our own efforts to justify ourselves, by yielding to the integrity of the message that announces the success of the Cross, God's word is triggered into action. What God spoke to us in sonship (the incarnation), radiates his image and likeness in our redeemed innocence. [Heb 1:1-3] This word powerfully penetrates and impacts our whole being; body, soul and spirit.)

Sons Arise

- 2 Cor 3:18 .. are being transformed into the same image from one degree of glory to another
- Process of change to display glory – the manifest presence of God on earth as it is in heaven
- We can choose to embrace, pursue the process of change or maturity or stay babies, toddlers or infants

Sons Arise

- Psa 139:23 Search me thoroughly , O God, and know my **heart**; Try me and know my anxious **thoughts**; 24 And see if there be any hurtful **way** in me, And lead me in the everlasting way.

Sons Arise

- Our soul wants to be recognized for what we do, surface issues. The soul looks to provides for its own needs, we then look for affirmation, affection, approval from people for what we do instead of just being who we are (trading!).
