Sons Arise

- Do we believe the vast sum of God's thoughts about us as His sons or are we believing the lies of an orphan spirit?
- We need transformation by the renewing of our minds to change us to enable us agree with and believe what God believes about us

Sons Arise

- I am not offering you a short cut or a quick fix of sonship
- As a forerunner I am offering you the doorway of opportunity where you can access the pathways to discover the possibilities of deeper intimacy, relationship and responsibility
- You must develop this kick start into your own lifestyle and relationship by pursuing the desire

Sons Arise

- Esther is one of the cloud of witnesses
- Esther 4:14 And who knows whether you have not attained royalty for such a time as this?”
- Esther 4:14 Yet who knows whether you have come to the kingdom for such a time as this?”
- The sons of God are called for this time to mature and engage in kingship

Sons Arise

- Esther came and visited us a few weeks ago to remind us that we are all called for a time such as this
- We are all significant in God's heart and desires for restoration of all things
- I sought Esther out and talked with her in heaven this is what she said:

Sons Arise

- “I was unprepared despite all the attention of the court it was not until I was placed in the position to step out into my destiny in God that I truly discovered who I was within God's kingdom and what I was capable of”

Sons Arise

- “No one will ever be ready until they are in the position that will test their hearts and motives and the levels of trust they will need. Allowing people to try, fail and try again is what God has done with you so release the same grace to others”

Sons Arise

- “I did not see the process as something to be desired, wanted or even thought as being good. The outcome was not what I was expecting. Many people don't recognise their own destiny until they are in the midst of it.”

Sons Arise

- Following this conversation the Father said:
- Son use the environment of Sons Arise to accelerate the processes of My children being prepared for their sonship positions.

Sons Arise

- Let Me call people beyond their present expectations and take them out of the comfort of their boats into unchartered waters where they will learn to swim without aids.
- I will stretch My children beyond if you will provide the environment where they are safe to explore.

Sons Arise

- Esther went through a process of purification to prepare her to engage the king
- Jesus has already made us righteous therefore worthy to access the King
