Sons Arise

- Do we believe the vast sum of God's thoughts about us as His sons or are we believing the lies of an orphan spirit?
- By agree with and believe what God believes about us (repentance) we will be transformed by the renewing of our minds to change us one degree of glory to another

Sons Arise

- I am not offering you a short cut or a quick fix of sonship
- As a forerunner I am offering you the doorway of opportunity where you can access the pathways to discover the possibilities of deeper intimacy, relationship and responsibility

Sons Arise

- Esther is one of the cloud of witnesses
- Esther 4:14 And who knows whether you have not attained royalty for such a time as this?”
- Esther 4:14 Yet who knows whether you have come to the kingdom for such a time as this?”
- The sons of God are called for this time to mature and engage in kingship

Sons Arise

- Esther came and visited us a few weeks ago to remind us that we are all called for a time such as this
- We are all significant in God's heart and desires for restoration of all things
- I sought Esther out and talked with her in heaven this is what she said:

Sons Arise

- “I was unprepared despite all the attention of the court it was not until I was placed in the position to step out into my destiny in God that I truly discovered who I was within God's kingdom and what I was capable of”

Sons Arise

- “No one will ever be ready until they are in the position that will test their hearts and motives and the levels of trust they will need. Allowing people to try, fail and try again is what God has done with you so release the same grace to others”

Sons Arise

- “I did not see the process as something to be desired, wanted or even thought as being good. The outcome was not what I was expecting. Many people don't recognise their own destiny until they are in the midst of it.”

Sons Arise

- Son use the environment of Sons Arise to accelerate the processes of My children being prepared for their sonship positions.

Sons Arise

be

- 
- Be in the circle of love
 - Hear the vast some of His thoughts about you
 - Let Him reveal your eternal identity as a son

Sons Arise

- What is the Father really like?
- The Father is not who religion or culture makes Him out to be.
- The Father is not an old man with a long white beard some Santa Claus type figure
- The Father is not an old testament angry distant deity who needs appeasing with animal sacrifices.

Sons Arise

- The Father is not watching us waiting for us to get something wrong so He can punish us
- The Father is not one angry face of a two faced God of which Jesus is the good side of His nature.
- The Father is not a cosmic child abuser who killed His son to satisfy His anger and wrath

Sons Arise

- The Father is not a torturer who will be tormenting His children forever because they did not do things His way
- The Father is not a parent who abandons disinherits and disowns His children when they choose to ignore Him
- The Father is not a parent who turned His back on His son Jesus on the cross but one who went through it with Him

Sons Arise

- The Father is not a disinterested creator who made everything and then let it unfold
- The Father is not a cosmic controller or script writer who sovereignly and fatalistically decided how everything should be and just sits and let's it all play out

Sons Arise

- The Father is not a parent who has favourites amongst His children who has chosen some to be with Him forever and others to be separated from Him and punished forever

Sons Arise

- The Father is not a cosmic heavenly sugar daddy that we can manipulate to give us anything we want by trying to please or appease Him with our good behaviour or by our tantrums.

Sons Arise

- The Father has been misunderstood and misrepresented by religion to be someone who He is not.
- We can see the Father if we see the Son Jesus who is His express image and likeness and we can come to the Father for ourselves through Jesus the door

Sons Arise

- The Father is fully represented in and by His son and is a loving caring compassionate dad who deeply desires for all His children to be in an intimate love relationship with Him
- He desires to constantly bless us because we are all the apple of His eye and the treasure of His heart.

Sons Arise

- The Father is a loving parent who will never force His children to do anything but is patient, tolerant, kind and is waiting with joyful anticipation for our return to sonship

Sons Arise

- The Father has a love for all His children that will never end, will never fail, will never give up and never be separated from His children
- The Father is passionate about all His children and is patiently working and waiting for all of them to return to an intimate loving relationship with Him

Sons Arise

- The Father so loves all His children that He is constantly enabling all our choices and decisions even the worst and most stupid of them to produce something good and even be woven into the fulfilment of His hearts desire.

Sons Arise

- The Father is my dad and is always available, is never too busy for Me, never leaves me, always wants the best for me, is always interested in me, always welcomes me into His open arms of love.

Sons Arise

- My loving dad is the most wonderful, faithful, trustworthy, patient, kind, good, joyful, peaceful, fun loving, awesome Father who is always sharing His heart and thoughts with me and He is your dad to.

Sons Arise

- The waterfall has many purposes but mostly it is to express love in such a way that it draws My children back to My heart as Father.

Sons Arise

- I am calling you to come deeper
My children into the depths of My
loving heart. Come back to the
beginning in face to face
innocence and see yourself the
way I am sees you and you will
truly know yourself as My sons.

Sons Arise

- Psa 42:7 Deep calls to deep at the sound of Your waterfalls; All Your breakers and Your waves have rolled over me.
- The Father wants to meet us and take us deeper into Himself to reveal Himself to us at an even deeper level beyond understanding into pure bliss

- 
- 1 Cor 2:10 For to us God revealed them through the Spirit; for the Spirit searches all things, even the depths of God.
 - Waterfall engagement is where deep is calling to deep so each us can experience the depths of God

- 
- Fix your thoughts on the river of life and the waterfalls where deep is calling to deep
 - Let that form in your imagination
 - By faith step through that doorway of first love within your spirit and ask Jesus to take you to the waterfall
 - Stand under the cascading depths of the Father's love
