

# Truth Confessions

I thank You God that You have given me the right, privilege, authority and responsibility to be Your child. As Your child I share in the fullness of Jesus' inheritance - I am forgiven, cleansed, reconciled and have a new start in life. I am a new species. You made me the righteousness of God in Christ.

I am righteous, accepted, approved of in my relationship with You by receiving Your free gift of salvation, healing, wholeness, deliverance, provision and protection; and I now have the authority and ability to reign in life as a king through Jesus.

I walk in the plan and purpose that You have revealed for my life in Christ, I am forgiven and becoming more pure and holy daily. If I mess up I can come to You boldly and confess my faults and receive my right to forgiveness, cleansing and restoration.

I trust in Your word and I will live my life making decisions and choices based on what Your word declares no matter what my physical senses may show me to the contrary.

I surrender my life to Your service and choose daily to die to my way of thinking and to doing things my way. I choose not to be pressed into the world's mould or to be shaped by its values and ideals.

I will actively allow Your word to renew my thinking and transform my life with new ideas, attitudes and actions, so I can fulfil Your will and purpose for my life.

I accept that You know what I need to enable me to grow and mature. I can endure and overcome whatever trials or troubles You use to make me more like Jesus, so that I lack nothing and become mature.

I am able to resist, endure and overcome any trial or temptation of the world, flesh or devil and grow in godly character through it.

I have everything I need through God's promises in Christ to live a godly life and become more like Jesus.

I choose to become a doer of Your word and not just a hearer so that I become wise. I will live by Your word, I will use its creative power in what I pray and say. I am confident that when I ask and pray according to Your will that I have received what I say.

I commit myself to pursuing the life that You have prepared for me to live. I am blessed to be a blessing. I am fruitful and I will multiply and overflow to others. I choose to freely give what I have freely received.

I am saved by grace through faith and I choose to daily live by grace through faith to do the good works You have prepared for me.

I choose to live by the grace, ability, blessing and favour that is available to me in each and every circumstance and situation and to overflow that blessing to others.

I am empowered to prosper and succeed in every area of my life by receiving my inheritance as Your child and fulfilling Your will for my life.

I am here to demonstrate Your love, life and light to the world around me by putting You first in my life and living in Your abundant provision.

I choose to be fruitful by expressing Your love, grace, mercy, joy, peace and forgiveness to everyone around me, by being and making disciples, and fulfilling Your purpose for my generation.

I choose to do the miracle works of Jesus and believe I can do even greater works.
